The Dependents
 Oxford University Press
 A celebrated figure in myth, song, and story, the nightingale has captivated the imagination for millennia, its complex song evoking a prism of human emotions,—from melancholy to joy, from the fear of death to the immortality of art. But have you ever listened closely to a nightingale's song? It's a strange and

unsettling sort of composition—an eclectic assortment of chirps, whirs, trills, clicks, whistles, twitters, and gurgles. At times it is mellifluous, at others downright guttural. It is a rhythmic assault, always eluding capture. What happens if you decide to join in? As philosopher and musician David Rothenberg shows in this searching and personal new book, the nightingale's song is so peculiar in part because it reflects our own cacophony back at us. As vocal learners, nightingales acquire their music through the world around them, singing amidst the sounds of humanity in all its contradictions of noise and beauty, hard machinery and soft melody. Rather than

try to capture a sound not made for us to understand, Rothenberg seeks these musical creatures out, clarinet in tow, and makes a new sound with them. He takes us to the urban landscape of Berlin—longtime home to nightingale colonies where the birds sing ever louder in order to be heard—and invites us to listen in on their remarkable collaboration as birds and instruments riff off of each other's sounds. Through dialogue, travel records, sonograms, tours of Berlin's city parks, and musings on the place animal music occupies in our collective imagination, Rothenberg takes us on a quest for a new sonic alchemy, a music impossible for any one

species to make alone. In the tradition of *The Hidden Life of Trees* and *The Invention of Nature*, Rothenberg has written a provocative and accessible book to attune us ever closer to the natural environment around us.

Journey to Nowhere

Good Press
 One of TIME
 magazine's best
 summer reads, a
 "wise" (Entertainment
 Weekly) and
 "resplendent" (O, The
 Oprah Magazine) debut
 that follows a new
 widower confronting
 the truth about his long
 marriage One of the
 best books of the
 summer: TIME,
 Entertainment Weekly,
 O: The Oprah
 Magazine, Real Simple,
 Brit + Co. "A fine
 debut, full of intelligent
 writing . . . This book
 pleases on many
 levels." --Jeffrey
 Eugenides After the
 sudden death of his
 wife, Maida, Gene is
 haunted by the fear
 that their marriage was
 not all it appeared to
 be. Alongside Ed and
 Gayle Donnelly, friends
 since college days, he

tries to resurrect happy
 memories of the times
 the two couples
 shared, raising their
 children in a small New
 Hampshire town and
 vacationing together at
 a lake house every
 summer. Meanwhile,
 his daughter, Dary,
 challenges not only his
 happy version of the
 past but also his view
 of Maida. As a long-
 standing rift between
 them deepens, Gene
 starts to understand
 how unknown his
 daughter is to him--and
 how enigmatic his wife
 was as well. And a
 lingering suspicion
 seizes his mind that
 could upend
 everything he thought
 he knew. Katharine
 Dion's assured debut
 moves seamlessly
 between Gene's
 present-day journey
 and the long history of
 a marriage and

friendship. Rich and wonderfully alive, *The Dependents* is the most moving kind of drama, an intimate glance into the expanse of family life and the way we must all eventually bridge the chasm between what we want to believe and what we know to be true.

(Italy, a poem). Back Bay Books

A collection of short stories and other works, *Everywhere and Everything / Nowhere and Nothing* attempts to encompass that which its title suggests - the all-gripping emotions of living in an ever-more daunting reality, and the emptiness that this existence leaves behind in us. The heading poem, *Everywhere and Everything*, describes

the overwhelming feeling of being alive and a part of the universe which so firmly grasps our attention; then the book begins to break down all of these human (and sometimes inhuman) emotions until we are left with *Nowhere and Nothing*; the lack thereof everything. *Everywhere and Everything / Nowhere and Nothing* explores a variety of genres and poetic forms to go the distance from *Everywhere* to *Nowhere*; and from feeling *Everything* until we are left with *Nothing*. *EE/NN* is both fictional and loosely-autobiographical. It features works written by the author between their freshman and senior year of high school, August 2013 -

May 2017.

The poems by Mary Ann Taylor-Hall in this collection unfold as a luminous narrative of the poet's life, moving through seasons of experience—from the first stirrings of childhood consciousness to present-day meditations on loss and grief—with candor, clarity, and startling tenderness. She opens to the reader the intimate landscape of her life in rural Kentucky, which she connects directly to the immensities and astonishing mysteries of the universe that come smashing through even our most ordinary days.
Everywhere and

Everything / Nowhere and Nothing Princeton University Press
Out of Nowhere, Susan Comminos' debut collection of poetry, uses beautiful imagery and complicated literary forms to explore what it means to be a woman, a daughter, and above all what it means to be human. Comminos is a widely published and award-winning poet whose work has been featured in various journals throughout the country. This timely collection carries themes of bodies and human connection as it winds through the diverse and varied characters and settings. Comminos brings a feminist, relevant voice to the old themes of love, loss, and finding beauty in broken

people. "Adonai of night and of flowers, God of my life. I was not expected to be beautiful. When flowers grew from my hands, I surprised everyone but my mother. ... my first-generation mother invited me into being her future. She asked, and I answered with a face like her mama's mishpokhe, but with different colored petals: my hair, oh my eyes." "A Love Poem: for my mother" Out of Nowhere

DEEP, DARK & UNSETTLING: 100+ Gothic Classics in One Edition University of Chicago Press

The appreciation of Zen philosophy and art has become universal, and Zen poetry, with its simple expression of direct, intuitive insight and sudden enlightenment, appeals

to lovers of poetry, spirituality, and beauty everywhere. This collection of translations of the classical Zen poets of China, Japan, and Korea includes the work of Zen practitioners and monks as well as scholars, artists, travelers, and recluses, ranging from Wang Wei, Hanshan, and Yang Wanli, to Shinkei, Basho, and Ryokan. Zen Poems Everyman's Library

In his second volume of poetry, Jace Paul takes a retrospective look at the works of his early years. Roughly divided into two eras, the "King's Road" years of his childhood and the time spent in a "Pleasant Street" apartment during college, the poems are deeply confessional

and richly textured with strong and often conflicting emotions. From the award-winning "Breakfast" and "The Serpent," to poignant set-pieces like "Bill" and "L'Americain," Paul consistently employs colorful, straightforward language to capture his subjects and experiences. Though poetry has lost much of its appeal and value in the twenty-first century, Paul charges it with new energy by making it more about stories than images, more compassionate than abstract.

Is nowhere a place we

her compelling second
collection, Alice Miller

tackles the circularity
of thought, the
company of the dead,
and the lure of
alternative futures.
These poems rip into
pockets of histories,
trying to change facts
and voices, searching
for the word's version
of music's home key.
They dare you to visit,
through a series of
cities, the futures we
never let happen.
