JAXSON LOGAN

Coronation Street HarperCollins
 From the moment that *The Rovers Return* opened its doors to television viewers, the pub has witnessed everything, from births, deaths, brawls and break-ups to weddings, wakes and even its own ghost. This *Coronation Street* companion book contains all the action from over 50 years, along with lots of photographs to remind fans of both the dramatic and hilarious events in *Rovers'* history. *Coronation Street* first hit British screens at the end of 1960, a groundbreaking show based on real life and using accents that had never been heard on British television before. It was an instant hit, and has remained consistently one of the UK's most popular shows.

The Television Genre Book Headline
 The trade paperback edition of Diane Keaton's unforgettable memoir includes a new Afterword about the bonds between mother and daughter. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY Janet Maslin, *The New York Times* • People • Vogue ONE OF THE BEST BOOKS OF THE YEAR —Financial Times • Chicago Sun-Times *The Independent* • Bookreporter *The Sunday Business Post* Mom loved adages, quotes, slogans. There were always little reminders pasted on the kitchen wall. For example, the word THINK. I found THINK thumbtacked on a bulletin board in her darkroom. I saw it Scotch-taped on a pencil box she'd collaged. I even found a pamphlet titled THINK on her bedside table. Mom liked to THINK. So begins Diane Keaton's unforgettable memoir about her mother and herself. In it you will meet the woman known to tens of millions as Annie Hall, but you will also meet, and fall in love with, her mother,

the loving, complicated, always-thinking Dorothy Hall. To write about herself, Diane realized she had to write about her mother, too, and how their bond came to define both their lives. In a remarkable act of creation, Diane not only reveals herself to us, she also lets us meet in intimate detail her mother. Over the course of her life, Dorothy kept eighty-five journals—literally thousands of pages—in which she wrote about her marriage, her children, and, most probingly, herself. Dorothy also recorded memorable stories about Diane's grandparents. Diane has sorted through these pages to paint an unflinching portrait of her mother—a woman restless with intellectual and creative energy, struggling to find an outlet for her talents—as well as her entire family, recounting a story that spans four generations and nearly a hundred years. More than the autobiography of a legendary actress, *Then Again* is a book about a very American family with very American dreams. Diane will remind you of yourself, and her bonds with her family will remind you of your own relationships with those you love the most. Look for special features inside. Join the Circle for author chats and more. *The Treasures of Coronation St* Random House Trade Paperbacks
 On a busy street on a Monday morning, a man behind the wheel of an SUV is shot in the head, and his killer drives off before the light changes. But what appears to be road rage or a random act of violence is actually an opportunity for everyone--everyone, that is, but the victim.

Fifty Years of Coronation Street Hamlyn
 One of the all-time great cookbooks receives a lavish update and remains an essential resource and inspiration for cooks of all levels. One of the greatest

cookbooks of all time, *The Constance Spry Cookery Book* remains an essential kitchen bible: astonishingly informative, supremely practical, and constantly at-hand for countless home cooks and future top chefs for over fifty years. With over a thousand pages filled with recipes, cooking history, and miraculous tips, this indispensable resource has now been updated and elegantly redesigned with specially commissioned how-to line drawings. Cooks of every level will find invaluable information on kitchen processes, soups and sauces, vegetables, meat, poultry, game, cold dishes, and pastry making. This timeless treasure is “a monument to ‘civilised living’ . . . If you can’t find a recipe for something anywhere else, it will be in *Constance Spry*” (The Guardian). “Cookery is vast, detailed, and lovely. The purpose of the book was to take the knowledge of culinary professionals and write it in a form that British housewives could understand and use. It was, and it remains, the British cookery [and cooking] bible.” —Cooking by the Book

Coronation Street Random House

Here is the riveting story of the English language, from its humble beginnings as a regional dialect to its current preeminence as the one global language, spoken by more than two billion people worldwide. In this groundbreaking book, Melvyn Bragg shows how English conquered the world. It is a magnificent adventure, full of jealousy, intrigue, and war—against a hoard of invaders, all armed with their own conquering languages, which bit by bit, the speakers of English absorbed and made their own. Along the way, its colorful story takes in a host of remarkable people, places, and events: the Norman invasion of England in 1066; the arrival of *The Canterbury Tales* and a

“coarse” playwright named William Shakespeare, who added 2,000 words to the language; the songs of slaves; the words of Davy Crockett; and the Lewis and Clark expedition, which led to hundreds of new words as the explorers discovered unknown flora and fauna. *The Adventure of English* is an enthralling story not only of power, religion, and trade, but also of a people and how they changed the world.

The Coronation Street Story Open Road Media

House by house, also calling in at the Rovers, the Factory, Roy's Rolls, The Kabin and the Corner Shop, in this book you'll find all sorts of fascinating lost treasures from the world of Coronation Street, from revealing birth certificates and love letters to divorce papers, personal letters and even Betty's secret hotpot recipe. Coronation Street historians Tim Randall and Simon Timblick thread it all together to paint a vivid and evocative history of each of the premises on the Street, piecing together the stories of the generations that have passed through from the evidence they've left behind.

The Rovers Return: the Official Coronation Street Companion

Hachette UK

Ken Follett's magnificent historical epic begins as five interrelated families move through the momentous dramas of the First World War, the Russian Revolution, and the struggle for women's suffrage. A thirteen-year-old Welsh boy enters a man's world in the mining pits. . . . An American law student rejected in love finds a surprising new career in Woodrow Wilson's White House. . . . A housekeeper for the aristocratic Fitzherberts takes a fateful step above her station, while Lady Maud Fitzherbert herself crosses deep into forbidden

territory when she falls in love with a German spy. . . . And two orphaned Russian brothers embark on radically different paths when their plan to emigrate to America falls afoul of war, conscription, and revolution. From the dirt and danger of a coal mine to the glittering chandeliers of a palace, from the corridors of power to the bedrooms of the mighty, *Fall of Giants* takes us into the inextricably entangled fates of five families—and into a century that we thought we knew, but that now will never seem the same again. . . .

Gemini Complex Bloomsbury Publishing
The half-century since Elizabeth II's coronation in 1952 has witnessed many changes, some for good and some for ill. Among these, she has been one of the few constants. *Fifty Years the Queen* recounts her amazing life as Canada and the Commonwealth celebrate the Golden Jubilee of her accession to the throne. Elizabeth II is a figure whose faultless devotion to duty flourishes in an age of individual self-gratification. endowed with high spirits and a great sense of humour, she at the same time carries out her duties with unfailing dignity and decorum. The special Golden Jubilee tribute is filled with many beautiful illustrations, including some rarely seen.
Coronation Street White Lion Publishing
The perfect seasonal gift full of nostalgia and charm, perfect for fans of *Coronation Street* and readers who love Fiction set in times past.

Then Again Carlton Books

Snow on the Cobbles (Coronation Street, Book 3) Penguin

Containing a unique selection of removable memorabilia, intricately produced in facsimile form, and hundreds of rarely seen archive photographs, this edition provides an amazing record of 50 years of life on Britain's most famous street.

Midnight in the Garden of Good and Evil
Grub Street Publishers

Over 5000 episodes after its first transmission on 9 December 1960, *Coronation Street* has become a national treasure. Ever changing and evolving it

continues to captivate more people than anything else on television. In this fully illustrated history of Coronation Street's forty years on the small screen, you can read every major story line ever featured on the show, rediscovering each major and minor event. Using the book's unique index you can also follow the specific story of any of your favourite characters - Mike Baldwin's escapades, perhaps, or the many ups and downs to the Duckworth family...There's complete diary of anniversaries: an account of all births, marriages and deaths; and a complete plan of Coronation Street itself. There is also a comprehensive Who's Who, with family trees for some of the great Street families. With a decade-by-decade breakdown of events on the Street over the years, this is fascinating must-have for genuine fans. Following on from the highly successful 40 Years of Coronation Street, now fully updated in paperback, *The Coronation Street Story* is the biggest, most gloriously illustrated, and most comprehensive companion book ever published.

The Rovers Return: The Official Coronation Street Companion Headline Book Publishing

Following Austerity Britain and Family Britain, the third volume in David Kynaston's landmark social history of post-war Britain 'Triumphant ... A historian of peerless sensitivity and curiosity about the lives of individuals' *Financial Times* 'This superb history captures the birth pangs of modern Britain ... It is a part of Kynaston's huge achievement that such moments of insight and pleasure should accompany what has become a monumental history of our recent past' *The Times*

_____ David Kynaston's history of post-war Britain has so far taken us from the radically reforming

Labour governments of the late 1940s in Austerity Britain and through the growing prosperity of Family Britain's more placid 1950s. Now Modernity Britain 1957-62 sees the coming of a new Zeitgeist as Kynaston gets up close to a turbulent era in which the speed of social change accelerated. The late 1950s to early 1960s was an action-packed, often dramatic time in which the contours of modern Britain began to take shape. These were the 'never had it so good' years, when the Carry On film series got going, and films like *Room at the Top* and the first soaps like *Coronation Street* and *Z Cars* brought the working class to the centre of the national frame; when *CND* galvanised the progressive middle class; when 'youth' emerged as a cultural force; when the Notting Hill riots made race and immigration an inescapable reality; and when 'meritocracy' became the buzz word of the day. In this period, the traditional norms of morality were perceived as under serious threat (*Lady Chatterley's Lover* freely on sale after the famous case), and traditional working-class culture was changing (wakes weeks in decline, the end of the maximum wage for footballers). The greatest change, though, concerned urban redevelopment: city centres were being yanked into the age of the motor car, slum clearance was intensified, and the skyline became studded with brutalist high-rise blocks. Some of this transformation was necessary, but too much would destroy communities and leave a harsh, fateful legacy. This profoundly important story of the transformation of Britain as it arrived at the brink of a new world is brilliantly told through diaries, letters newspapers and a rich haul of other sources and published in one magnificent paperback

volume for the first time.

Fall of Giants Dundurn

From the time when Rovers Return landlady Annie Walker first cast a disapproving glance at Ena Sharples gossiping with Minnie Caldwell to the traumas caused by the tangled love lives of the Websters or the McDonalds, viewers have been gripped by the lives of those who live in one street in the northern town of Weatherfield. Just like any other street in the country, the locals living there have changed dramatically over the years since the rest of Britain first paid the area a visit in 1960. There have been many marriages, births, and deaths, with characters such as Elsie Tanner, Hilda Ogden, Alf Roberts, or Mike Baldwin fading into the past as new faces move into the street. The one man who has remained ever since we first saw him there all those years ago is, of course, Ken Barlow. Despite the changing nature of its residents and the many disasters and tragedies that have befallen them, one thing in the street always remains the same. Defying all the dark intrigue and neighborhood squabbles, the people who live there maintain a close-knit community, supporting each other through the tough times and celebrating the good times. This is the complete story of Coronation Street.

Coronation Street, Early Days Andre Deutsch Limited

This original book asks how, in an age of convergence, when 'television' no longer means a box in the corner of the living room that we sit and watch together, do we remember television of the past? How do we gather and archive our memories? Kristyn Gordon and Joanne Garde-Hansen explore these questions through first person interviews with tv producers, curators and archivists, and

case studies of popular television series and fan communities such as 'Cold Feet' and 'Doctor Who'. Their discussion takes in museum exhibitions, popular television nostalgia programming and 'vintage' tv websites.

Queen and Country Penguin

The extraordinary array of images included in this volume reveals the full and rich history of the Middle Ages. Exploring material objects from the European, Byzantine and Islamic worlds, the book casts a new light on the cultures that formed them, each culture illuminated by its treasures. The objects are divided among four topics: The Holy and the Faithful; The Sinful and the Spectral; Daily Life and Its Fictions, and Death and Its Aftermath. Each section is organized chronologically, and every object is accompanied by a penetrating essay that focuses on its visual and cultural significance within the wider context in which the object was made and used. Spot maps add yet another way to visualize and consider the significance of the objects and the history that they reveal. Lavishly illustrated, this is an appealing and original guide to the cultural history of the Middle Ages.

Fifty Years of a Good Queen's Reign

Simon and Schuster

Coronation Street has been a hit with viewers since it first came on screen in December 1960. In this comprehensive look at "Corrie," writer Sean Egan takes us on a trip down memory lane that encompasses the moving marriages, unforgettable deaths, iconic storylines, and high profiles of many of the Street's most famous residents, both beloved?Hilda and Stan Ogden, Emily Bishop, Rita Sullivan, and Kevin and Sally Webster?and despised?Ena Sharples, Annie Walker, Mike Baldwin, and Gary

Windass. It also includes the wider brush strokes of its history, such as how Coronation Street spawned a whole soap industry, from *EastEnders* to *Hollyoaks*; how its multiple revamps reflected the changes in working class aspiration over the years, from loos to stone cladding; how some programs sharing the same time-slot died, but others, such as *Blakes 7*, flourished; and how the fans and actors coped with the ever-increasing number of shows. From Ken and Deirdre's marriage, Mike Baldwin's Alzheimer's-related death, and Deirdre's wrongful imprisonment, to off-set intrigues (in real life, Ken Barlow is a druid) and upheavals (Ivy Brennan actress Lynne Perrie's wildly inappropriate collagen implants saw her written out of the show), this is a fascinating compendium of behind-the-scenes stories for Coronation Street's many fans.

The Adventure of English London : Ward & Downey

In *50 Years on the Street: My Life with Ken Barlow*, William Roache reflects on half a century of treasured memories accumulated during his time working on the long-running soap. He revisits the programme's most memorable moments and ponders the secret of its success while exploring the history of the show from its very early days of live broadcasts to the current demands of the Street's schedule. Roache reveals what it is like to have played the perennially popular role of Ken Barlow since the very first episode in December 1960 and reflects upon the actors he has worked with during the past 50 years, using his unique perspective to provide insights and anecdotes galore. *50 Years on the Street: My Life with Ken Barlow* is a celebration of William Roache's acting career following a year that marked a

very special anniversary both for him and for Coronation Street.

The Coronation St. Story Cambridge University Press

NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in Savannah’s grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman’s Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the

alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.
