GRAHAM AHMED

Olaf's Frozen Adventure Read-Along Storybook Ingrid Oslo
What would it be like to live in the Viking age? A young Viking warrior in ancient Norway takes readers on his journey from early training to Viking raids.

AMAZING DEEDS OF GOD Abela Publishing Ltd

"Olaf the Glorious" is a historical novel written by Robert Leighton that tells the story of Olaf Haraldson, a Viking prince who becomes the king of Norway in the early 11th century. The novel follows Olaf's journey as he grows from a young, ambitious warrior to a powerful and respected king. Along the way, he faces numerous challenges, including battles with rival clans, conflicts with the Christian church, and struggles to maintain his own morality in the face of temptation. Olaf's story is also intertwined with his relationships with the women in his life, including his wife, his mistress, and his sister, who plays a pivotal role in the politics of the kingdom. Throughout the novel, Leighton vividly portrays the world of the Vikings, with its brutal battles, political intrigue, and complex social hierarchies. The novel also explores themes of power, honor, and the clash between pagan and Christian beliefs. Ultimately, Olaf's story comes to a tragic end, as he meets his death in battle against his enemies. "Olaf the Glorious" is a captivating tale of a legendary Viking king, and the turbulent times in which he lived.

Olaf the Glorious Good Press

Olaf is desperate to find his father. It's been a long time since he disappeared, and it could be Olaf's big chance to be a hero. So when his uncle makes it clear that he is more interested in carousing, marauding, and pillaging than in finding his long-lost brother, Olaf decides to take matters into his own hands. With the help of a strangely-gifted slave named Loki, a magical war-hammer, and two barmy ravens, Olaf sets off to adventure! Join Olaf's hilarious and spectacular search in this fast-paced tale of Viking derring-do.

OLAF TRYGGVASON, the hero of this saga is not an imaginary one; he was a real flesh and blood man who eventually reigned as King of Norway just over a thousand years ago. His life reads as only a Viking Saga could and should. Herein you will find the salient facts of his adventurous and outstanding life. They are: his boyhood of slavery in Estonia, his life at the court of King Valdemar, his wanderings as a Viking, the many battles he fought, on land and sea, his conversion to Christianity in England, and his ultimate return to his native Norway where he reigned as King - are set forth in this volume which, if summarised, would make for a cracking campfire yarn. The events related herein can be found in the various Icelandic sagas dealing with the period in which he lived. In short, Olaf was your archetypal Viking. Very few authors could pen a saga that mirrors the life of Olaf, and many have

tried. However in penning this story, Leighton made full and free use of these old time records, and added only such probable incidents as were necessary to give a thread of continuity to the reader. NOTE: For the convenience of readers who may wish for greater exactness; Olaf Triggvason was born A.D. 963 and he started on his wanderings as a Viking in the year A.D. 981. The sea fight between the Vikings of Jomsburg and the Norwegians took place in A.D. 986, and the battle of Maldon in the year A.D. 991. Olaf reigned only five years as King of Norway, being crowned in 995, and ending his reign with his death in the glorious defeat at Svold in the year A.D. 1000. 10% of the publisher's profit from the sale of this book will be donated to UNICEF. KEYWORDS/TAGS: Viking, Norse, Saga, Story, Olaf Tryggvason, slave, warrior, King, conversion, Christianity, Valdemar, land battles, sea battles, Jomsburg, England, Norway, Norwegian, battle of Maldon, battle of Svold, finding of olaf, sigurd erikson, gerda' s prophecy, slaying of klerkon, norse kings, training, captain of the host, west, over-seas, hermit, scilly Isles, thorir klakka, evil earl, christening, Sigrid, haughty, long serpent, sigvaldi, treachery, snare, svold sound, defence

Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history. This is not a who's who. Instead, each entry provides an in-depth essay on the life and career of the individual concerned. Essays commence with a quick reference section that provides basic facts on the individual's life and achievements. The extended biography places the life and works of the individual within an historical context, and the summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.

"King Olaf's Kinsman", by Charles Whistler. Charles Whistler was writer of historic fiction (1856-1913).

THE SAGA OF OLAF THE GLORIOUS - A Story of the Viking Age Routledge

The following narrative is not so much a story as a biography. My hero is not an imaginary one; he was a real flesh and blood man who reigned as King of Norway just nine centuries ago. The main facts of his adventurous career his boyhood of slavery in Esthonia, his life at the court of King Valdemar, his wanderings as a viking, the many battles he fought, his conversion to Christianity in England, and his ultimate return to his native land are set forth in the various Icelandic sagas dealing with the period in which he lived

Olaf, Viking-in-training Blurb

Olaf Shorthand, a Viking lord, has been blessed by the Norns, the weavers of men's fates, with riches and power. But as he awaits the arrival of his oldest son and the son's new bride, all that changes. Now death and destruction come like the icy winter wind. Olaf will fight a black nemesis to save all he loves and values.

Olaf The Glorious A Story of the Viking Agree Abela Publishing Ltd

The epic life saga of the tenth-century king of Norway from the British author of *The Thirsty Sword* and other historical adventures. Norse history comes alive in this story of a Viking who became a king. Though he had a humble start in life— orphaned as a child and sold into slavery—Olaf became known for bringing the Roman Catholic religion to the early Norwegians. Olaf's heroic life—from his time in King Valdemar's court to his Viking exploits and battles to his ascension to the throne of his native land—has been heralded in Icelandic sagas. These provided the inspiration for nineteenth-century author Robert Leighton's historical novel of Middle Age valor and glory. *Dictionary of World Biography* CreateSpace

This is an unusual book for young readers. However, she will be interested in adults who are fond of the history of the Vikings. The first part is 12 newly discovered adventure stories about the Vikings such as *Ivar the Viking* by Paul B. Du Chaillu, *Eric Brighteyes* by H. Rider Haggard, *The Story of Rolf and the Viking's*

Bow by Allen French, *Olaf the Glorious: A Story of the Viking Age* by Robert Leighton, *Wulfric the Weapon Thane* by Charles W. Whistler, *Viking Boys* by Jessie Margaret Edmondston Saxby, *King Alfred's Viking* by Charles W. Whistler and others.

A History of St. Olaf Choir Hardpress Publishing

Once upon a time, in the kingdom of Arendelle, lived a little snowman named Olaf, who loved to go exploring. He never went off in search of trouble, yet trouble always seemed to find him anyway. One day, Olaf went exploring deep in the woods, where he found a small cottage and three bowls of porridge. . . . This story might sound familiar, but you've never heard it told quite this way before. Sit back and enjoy as Olaf tells you about the time he met three snow-loving friends, in a hilarious take on the classic fairy tale that will delight readers of all ages.

The Viking Battalion Mitchell Lane

No English chronicler mentions the presence of King Olaf the Saint in England; but the two churches dedicated to him at either end of London Bridge, where his greatest deed was wrought, testify to the gratitude of the London citizens towards the viking chief who rescued their city from the Danes, and brought back the king of their own race towards whom their loyalty was so unswerving. The deeds of King Olaf recorded in this story of his kinsman are therefore from the Norse "Saga of King Olaf the Holy," and the various incidents are assigned as nearly as may be to their place in the sequence of events given from the death of Swein to the accession of Cnut, in the contemporary Anglo-Saxon Chronicle, which is our most reliable authority for the period.

Olaf'S Saga Casemate

Read along with Disney! Join Olaf on another adventure as he lists the many things he's thankful for. The flowers, the trees, the winter breeze, and all the magical things that every day brings—follow along with word-for-word narration in this enchanting picture book that stars everyone's favorite snowman, features beautiful illustrations, and is told in lyrical rhyme sure to delight young readers.

Olaf's Saga iUniverse

This is a collection of short stories to help beginners learn Norwegian. Olaf learns to be a Viking. With his friend Ragnhild, he goes on raids to England, Ireland, and France. He learns about Viking daily life, foods, mythology, and Jarls. The book is bilingual, and each Norwegian text has an English translation. Learn A1-

level Norwegian with dual Norwegian and English short dialogues. Great for beginners because the text is parallel. Each page is written in Norwegian, and followed by its English translation.

Olaf the Glorious Routledge

'Olaf's Saga' is an historical novel chronicling one Norse man's life in the late 8th century . The story is told by Jon Loftsson a direct descendent of the protagonist, some four hundred years later to his adopted son Snorri. The tale descibes Olaf's background and his upbringing in the harsh Viking world. Olaf has life changing events thrust upon him and as a result he has to make his way in 'Midgard' - the world of men. As a young Norse man, Olaf sees the first brutal death of a Saxon by one of his kind. He takes part in the early raids on Christian monasteries located at remote sites around Britain; experiencing the joy of success and the despair of failure. The entire text is punctuated with references to the Norse pantheon, with characters at times speaking in their all but forgotten language (translations are provided). There are also many references to Norse technology of the time such as their boats - the drakkar and knarr, their weapons, as well as number systems, time telling and various religious festivals. 'Olaf's Saga' not only paints a full and detailed picture of the Norse World, but also tells an intriguing and spell-binding story."

King Olaf's Kinsman Xlibris Corporation

It is 1235 AD in Trondheim, Norway, as King Haakon Sigurdsson IV worries what will become of a Viking king without the strength to wage battle or the wisdom to lead. Desperate for answers, he summons a mystical storyteller from Iceland to tell him the sagas of former kings. Soon, Snorri Sturlson arrives at the Norwegian castle to relay the story of King Olaf Tyggvason to the current king with hopes of restoring his belief that he too, can be a noble leader. From the moment he is born into royalty, it seems Olaf is destined for greatness. But when his familys kingdom is overthrown by Earl Haakon, ten-year-old Olaf is captured and sold as a slave by pirates. As Olaf embarks on a coming-of-age journey where he must struggle to regain his kingdom and fight for the woman he loves, he brings word of Christianity to Norway and sends Leif Erickson to discover a new world in 1000 AD. But Olafs determination to recover what he has lost may end up costing him more than he ever imagined. In this novel based on a true story, a Norwegian king sacrifices everything to battle for his kingdom and the heart of his true love, ultimately becoming one

of the greatest adventurers the world has ever known.
