the original book. Sample Book Insights: #1 I was raised in a rural environment, and as a result, I inherited a practicality that says when something doesn't work, get rid of it. I chucked religion, and then education, as I searched for answers. #2 I began to think that I could find happiness and meaning in prestige. I would find a noble cause, devote myself to it, and in the process, become well known on campus. But the thrill of prestige wore off like everything else I

had tried. #3 I was extremely attracted to the group of Christian students I met, and I decided to become friends with them. They challenged me to examine the claims of Jesus Christ, and I wasn't buying it. I was fed up with religion and religious people. #4 I was a prelaw student, and I knew something about evidence. I decided to investigate the claims of Christianity thoroughly and come back and knock the props out from under their sham religion.
The Unshakable Truth

Harvest House Publishers
Being a good mom isn't about doing everything right to create a set of perfect trophy children-- though every mom has felt the pressure to do just that and to do it all on her own. To ask for help feels like defeat. Yet when we try to do it all by our own strength, we end up depleted, lonely, and ineffective. Heather MacFadyen wants you to know that you are not meant to go it alone. Sharing her most vulnerable, hard mom moments, she shows how

moms can be empowered by God, supported by others, and connected with their children. With encouragement and insight, she helps you foster the key relationships you need to be the mom you want to be. Whether you work or stay home, whether you have teenagers or babes in arms, you'll find here a compassionate friend who wants the best--not just for your kids but for you.

He Walked Among Us Monarch Books
The real battle is not in the amoral and immoral influences of our culture, but in the hearts of our young people, says author

and speaker Josh McDowell in *The Disconnected Generation*. And our young people are losing hope because they feel isolated and alienated from their parents. They are the disconnected generation. This book shows parents and youth workers how to understand and close the isolation gap to form nurturing, enduring relationships that can withstand cultural influences. As a companion to *The Disconnected Generation*, the video

curriculum resources provides five video sessions from Josh McDowell offering practical steps that every adult can take to close the emotional gap between themselves and their children.

Today's message of cultural acceptance is dangerously distorted and deceptive. In a world that shouts: 'If you truly care

about other people, you must agree that their beliefs, values, lifestyle, and truth claims are equal and as valid as yours!' it's no wonder our youth are confused. The Beauty of Intolerance-brand-new from Josh McDowell with son Sean McDowell-cuts through the confusion and points readers back to the place where the only truth resides...Jesus Christ. Tied directly to the Heroic Truth initiative launched by the Josh McDowell Ministry, the McDowells will share how a biblical view of truth can counter

cultural tolerance and encourage a love and acceptance of others apart from their actions with a heart of Christlike compassion.

The Uniqueness of the Bible Harvest House Publishers

Love in any language means protection, provision, unselfishness, comfort and encouragement. McDowell and Stewart expose the myths about true love, defining the distinctions of romance, infatuation and sex, and allow students to express their own

struggles and thoughts in response. This 30-day devotional journal provides Scripture readings, commentary notes and thought-provoking questions. God Breathed Tyndale House Publishers, Inc. The name Josh McDowell promises real-life, on-the-street Christian apologetics. In his first Harvest House book, Josh joins his son Sean to draw on his life's work and comprehensively address a vital issue: why an entire generation of young Christians—and

millions of older believers—is confused about what they believe, why they believe it, and how it's relevant. The Unshakable Truth is uniquely positioned for younger Christians because it presents apologetics relationally, focusing on how Christianity's doctrines affect relationships. The authors... ground every assertion in the overarching story of creation, incarnation, and re-creation. distill 12 crucial "faith statements"—for

example, "A personal Creator God exists." explain why each statement is trustworthy, how it applies to real life, and—using examples, stories, and experiences—what its relevance is. A spiritual gold mine for parents, youth workers, pastors—anyone wanting to reveal Christianity's relevance to today's life and culture. Evidence for the Resurrection Harvest House Publishers Kids are curious about Jesus and God and yet, by

the time they are teens, the majority stop asking questions about faith and starting questioning faith altogether. Respected Christian apologist Josh McDowell encourages children to stand on the foundation of truth with this contemporary gathering of concise, welcoming answers for kids ages 8 to 12. A fun format includes key Bible verses and pre-teen friendly explorations of topics that matter most to kids: God's love and forgiveness Right and wrong and making

choices Jesus, the Holy Spirit, and God's Word Different beliefs and religions Church, prayer, and sharing faith The next time a child asks "Who is God?" parents, grandparents, and church leaders will want this practical and engaging volume handy. Helpful tips and conversation ideas for adults will help them connect with kids hungry for straight talk about faith in Jesus.

'If you had to pick two things you wanted - if you had to - what would you pick?' I hesitated. This was a bigger question than usually got asked at these post-match debriefs. 'I suppose the honest answer would be,' I said, still accessing the last pieces of required data from a jumbled mind, 'meeting my soul mate, and finding an idyllic house abroad

somewhere.' Inspired by breathtaking views and romantic dreams of finding love in the mountains, Tony Hawks impulsively buys a house in the French Pyrenees. Here, he plans to finally fulfil his childhood fantasy of mastering the piano, untroubled by the problems of the world. In reality, the chaotic story of Tony's hopelessly ill-conceived house purchase reads like the definitive guide to how not to buy a house in France. It finds him flirting with the removal business in a

disastrous attempt to transport his piano to France in a dodgy white van; foolishly electing to build a swimming pool himself; and expanding his relationship repertoire when he starts co-habiting, not with an exquisite French beauty, but with a middle-aged builder from West London. As Tony and his friends haplessly attempt to fit into village life, they learn more about themselves and each other than they ever imagined.

With over 40 million books sold, bestselling author Josh McDowell is no

stranger to creatively presenting biblical truth. Now, partnering with fellow apologist Dave Sterrett, Josh introduces a new series targeted at the intersection of story and truth. The Coffee House Chronicles are short, easily devoured novellas aimed at answering prevalent spiritual questions. Each book in the series tackles a long-contested question of the faith, and then answer these questions with truth through relationships and dialogue in each story. In *Is the Bible True, Really?*:

A Dialogue on Skepticism, Evidence, and Truth, we meet Nick, a college freshman at a state school in Texas. Nick has his spiritual world turned upside-down with what he hears in an introduction to religion class. His questions turn into conversations as he dialogues with professors, friends, and family about the authenticity and authority of the Bible. The other two books in the series: *Who is Jesus, Really?* and *Did the Resurrection Happen, Really?* continue the

unfolding story at the college campus and the coffee house down the road.

Evidence for Christianity Thomas Nelson

If the church doesn't act now, we will lose a whole generation to postmodernism. Most young people believe that truth is relative to individual beliefs. McDowell insists that truth matters, and that truth changes who we are and how we act. McDowell introduces "relational apologetics," proving that

objective truth is founded on a relationship with Jesus Christ.

The Bare Facts Harvest House Publishers Undaunted—both the book and movie—chronicles the riveting true story of a young farm boy named Josh who carried unspeakable memories of an alcoholic father and a farmhand's abuse, causing him to defy God's existence. Yet God redeemed a horrible situation with his unbelievable grace. Today Josh McDowell is one of

the most popular evangelists in the world who defends the reality of Jesus Christ to millions through his presentations and classic book *More Than a Carpenter*.

Undaunted unfolds the dramatic spiritual transformation in Josh's life when he faces his past head-on and puts everything entirely in God's hands. The result is an undaunted faith, a gift freely offered to everyone who seeks it.

Quick answers to tough questions about Jesus' life, ministry, and divinity. Is there archeological proof that Jesus existed? Did Jesus ever actually claim to be God? Is Jesus really the only way? There's a good chance that every Christian will be asked tough questions like these at some point in their lives, whether from combative skeptics, curious seekers, or even doubts in their own minds. To help followers of Christ answer questions quickly and confidently, Josh and Sean McDowell adapted

the wisdom from their apologetics classic *Evidence That Demands a Verdict* into an accessible resource that provides answers to common questions about Jesus. Evidence for Jesus answers these questions and more: Is there evidence that Jesus was real? Did Jesus ever actually claim to be God? What makes Jesus unique from other religious figures? Is Christianity a copycat religion? What does the Old Testament teach about the coming Messiah? Did Jesus really

rise from the dead? Why does the resurrection of Jesus matter? Evidence for Jesus will equip brand new believers and lifelong Christians alike with time-tested rebuttals to defend their faith in Jesus against even the harshest critics.

Is the Bible True . . .

Really? Baker Books Josh McDowell's *Beyond Belief* message is the foundation to launch a spiritual revolution among youth. This is a revolution to equip churches and families to raise up a generation of the cross--young people who have

been transformed by Christ and the cross, who are empowered to live crossgrain to the culture and are committed to share Christ across all cultures. Sixteen stand-alone products make up an entire family of resources that churches need to launch a church-wide revolution. These products are directed to every age group from 5 to 105, and help equip church groups and families with the tools to lead their children and youth to become transformed, passionate

followers of Christ. In this first follow-up to Josh's popular first family devotional, Josh helps parents pray and worship together with their children while grounding them in knowledge of why God is who he is.
