They're gripping." —Joe Rogan, on the *Terminal List* series "The fourth thriller in the 'so powerful, so pulse-pounding, so well-written' (Brad Thor, #1 New York Times bestselling author) *Terminal List* series follows former Navy SEAL James Reece as he is entrusted with a top-secret CIA mission of retribution twenty years in the making. It's been twenty years since 9/11, two decades since the United States was attacked on home soil and set out to make the guilty pay with their lives. In the shadows, the enemy has been patient—learning, and adapting. And the enemy is ready to strike again. A new president offers hope to a country weary of conflict. He's a young, popular, self-made visionary...but he's also a man with a secret. Halfway across the globe a regional superpower

struggles with sanctions imposed by the United States and her European allies, a country whose ancient religion spawned a group of ruthless assassins. Faced with internal dissent and extrajudicial targeted killings by the United States and Israel, the Supreme Leader puts a plan in motion to defeat the most powerful nation on earth. Meanwhile, a young PhD student has gained access to a bioweapon thought to be confined to a classified military laboratory known only to a select number of officials. A second-generation agent, he has been assigned a mission that will bring his adopted homeland to its knees. With Jack Carr's signature "absolutely intense" (Chuck Norris) writing and "gripping authenticity" (The Real Book Spy), *The Devil's Hand* is a riveting and timely thriller that will leave you gasping for breath.

 Ketterdam: a bustling hub of international trade where anything can be had for the right price-and no one knows that better than criminal prodigy Kaz Brekker. Kaz is offered a chance at a deadly heist that could make him rich beyond his wildest dreams. But he can't pull it off alone... A convict with a thirst for revenge. Kaz's crew is the only thing that might stand between the world and destruction-if they don't kill each other first.

The Gathering Dark Imprint

Set in modern-day Toronto and the ancient kingdoms of Mytica, two warring evils vie for possession of one elusive, powerful book. Demon in the Wood Graphic Novel Atria/Emily Bestler Books Riverdale meets Stranger Things in this debut queer YA graphic novel, developed from a hit webcomic. Set in the haunted town of Blackwater, Maine, two boys fall for each other as they dig for clues to a paranormal mystery. "For fans of Heartstopper and Teen Wolf." —School Library Journal Tony Price is a popular high school track star and occasional delinquent aching for his dad's attention and approval. Eli Hirsch is a quiet boy with a chronic autoimmune disorder that has ravaged his health and social life. What happens when these two become unlikely friends (and a whole lot more . . .) in the spooky town of Blackwater, Maine? Werewolf curses, unsavory interactions with the quarterback of the football team, a ghostly fisherman haunting the harbor, and tons of high school drama. Co-illustrated by Jeannette Arroyo and Ren Graham, who alternate drawing chapters in their own unique and dynamic styles, Blackwater combines the spookiness of Anya's Ghost with the irreverent humor of Nimona.

Six of Crows - Chapters 1 and 2 HMH Books For Young Readers

In a post-apocalyptic America that has shattered into a hundred perpetually warring fiefdoms, anyone with a loud voice and a doomsday weapon can be king (and probably has been). Duncan Archer--con man, carpetbagger, survivor--has found a way to somehow successfully navigate the end of the world, with its giant killer robots, radioactive mutants, mad scientists, rampant nanotechnology, armed gangs, sea monsters, and 101 unpleasant ways to die. But when he meets Captain James Barrow, a former OSS agent and the most wanted man in the world, Duncan finds himself a reluctant hero caught up in a whole new level of weird, rollicking adventure... And the second most wanted man in the world. Tales from the Radiation Age is a throwback to the pulp-origins of science fiction, painting a vision of the future that's richly detailed, wildly imaginative--and altogether too easy to imagine.
