Uses engaging, original art to introduce key vocabulary and systematically present new grammar structures. Includes a strong writing

component, with activities designed to promote the rapid development of listening, speaking, and reading skills. English Through Pictures Tuttle Publishing Annotation The three pocketbooks comprising the 'English Through Pictures Series' are the remarkable invention of I A Richards and Christine Gibson, who designed them to help the learner speak, read and write English in the

quickest and clearest possible way - through pictures. The authors have made a careful selection of the most widely useful English words, choosing those with the power to define other words, and have put them to work in key patterns that offer the learner the ability to communicate successfully in English. Book 1 contains a vocabulary of 250 such words, with an additional 500 developed in

Book 2; these 750 words are then used in Book 3 to build a command of 1000 words which, by their defining power, hold the possibility of understanding as much as another 20,000 words of English. Throughout 'English Through Pictures', responsibility for learning is placed directly on the learner, who from the very start enjoys the ability to put essential words to work creating key

sentence patterns where meaning is clearly shown in pictures. These simplified drawings allow learners to focus on the sentence and to enjoy growing confidence as they successfully take control of language, with the workbooks in Books 1 and 2 challenging and reinforcing their growing competence as both speakers and readers. Motivated and inspired, learners will

soon find to their delight that fluent communication in English -- the common language of today's world - lies well within their grasp. 'English Through Pictures' has already been used successfully by millions of learners in over forty countries. *English Made Easy Volume One* Tuttle Publishing Annotation The three pocketbooks comprising the 'English Through Pictures Series' are the

 A #1 New York Times bestseller, this innovative and wildly funny read-aloud by award-winning

humorist/actor B.J. Novak will turn any reader into a comedian—a perfect gift for any special occasion! You might think a book with no pictures seems boring and serious. Except . . . here's how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLORK. Or BLUURF. Even if the words are a preposterous song about eating ants for breakfast, or

just a list of astonishingly goofy sounds like BLAGGITY BLAGGITY and GLIBBITY GLOBBITY. Cleverly irreverent and irresistibly silly, *The Book with No Pictures* is one that kids will beg to hear again and again. (And parents will be happy to oblige.)
