Les Mis♦rables is a French historical novel by Victor Hugo, first published in 1862, that is considered one of the

greatest novels of the 19th century. In the English-speaking world, the novel is usually referred to by its original French title. However, several alternatives have been used, including The Miserables, The Wretched, The Miserable Ones, The Poor Ones, The Wretched Poor, The Victims and The Dispossessed. Beginning in 1815 and culminating in the 1832 June Rebellion in Paris, the novel follows the lives and interactions of several characters, particularly the struggles of ex-convict Jean Valjean and his experience of redemption. Examining the nature of law and grace, the novel elaborates upon the history of France,

the architecture and urban design of Paris, politics, moral philosophy, antimonarchism, justice, religion, and the types and nature of romantic and familial love. *Les Misérables* has been popularized through numerous adaptations for the stage, television, and film, including a musical and a film adaptation of that musical.

One of the most widely read novels of all time, *Les Misérables* was the crowning literary achievement of Victor Hugo's stunning career. Though he was considered the greatest French writer of his day, Hugo was forced to flee the

country because of his opposition to Napoleon III. While in exile he completed *Les Misérables*, an enormous melodrama set against the background of political upheaval in France following the rule of Napoleon I. *Les Misérables* tells the story of the peasant Jean Valjean-unjustly imprisoned, baffled by destiny, and hounded by his nemesis, the magnificently realized, ambiguously malevolent police detective Javert. As Valjean struggles to redeem his past, we are thrust into the teeming underworld of Paris with all its poverty, ignorance, and suffering. Just as cruel tyranny threatens to extinguish the last vestiges of hope, rebellion sweeps over the land like wildfire, igniting a vast struggle for the democratic ideal in France. A monumental classic dedicated to the

oppressed, the underdog, the laborer, the rebel, the orphan, and the misunderstood, *Les Miserables* is a rich, emotional novel that captures nothing less than the entirety of life in nineteenth-century France.

The story begins in 1815 in Digne, as the peasant Jean Valjean, just released from 19 years' imprisonment in the Bagnes of Toulon-five for stealing bread for his starving sister and her family and fourteen more for numerous escape attempts-is turned away by innkeepers because his yellow passport marks him as a former convict. He sleeps on the street, angry and bitter. Digne's

benevolent Bishop Myriel gives him shelter. At night, Valjean runs off with Myriel's silverware. When the police capture Valjean, Myriel pretends that he has given the silverware to Valjean and presses him to take two silver candlesticks as well, as if he had forgotten to take them. The police accept his explanation and leave. Myriel tells Valjean that his life has been spared for God, and that he should use money from the silver candlesticks to make an honest man of himself.

Les Misérables □□□

Les Miserables is an 1862 French novel by author Victor Hugo that is widely considered one of the greatest novels of the nineteenth century. Complete edition contains the full 5 volumes. The novel focuses on the struggles of ex-convict Jean Valjean and his experience of redemption. It examines the nature of law and grace, and expatiates upon the history of France, architecture of Paris, politics, moral philosophy, antimonarchism, justice, religion, and the types and nature of romantic and familial love. The story is historical fiction because it contains factual and historic events. Contrary to what some believe, it does not use the French Revolution as a backdrop. The French Revolution took place in the eighteenth

century; Les Miserables takes place in the nineteenth. The only "revolution" depicted is the June Rebellion, a student uprising. Les Miserables is known to many through its numerous stage and screen adaptations, most notably the stage musical of the same name, sometimes abbreviated "Les Mis." The title is variously translated from the French as The Miserable, The Wretched, The Poor Ones, The Wretched Poor, or The Victims. Beginning in 1815 and culminating in the 1832 June Rebellion, the novel follows the lives and interactions of several characters, focusing on the struggles of ex-convict Jean Valjean and his experience of redemption. The novel contains many plots, but the main thread is the story of ex-convict, Jean Valjean (known by his

prison number, 24601), who becomes a force for good in the world, but cannot escape his dark past. The novel was originally divided into five volumes, each volume divided into books, and subdivided into chapters, for a total of three hundred sixty-five chapters."

"A quarter of a league further on, he arrived at the bottom of a little valley, where there is water which passes beneath an arch made through the embankment of the road. The clump of sparsely planted but very green trees, which fills the valley on one side of the road, is dispersed over the meadows on the other, and disappears gracefully and as in order in the direction of Braine-l'Alleud. On the right, close to the road, was an inn, with a four-wheeled cart at

the door, a large bundle of hop-poles, a plough, a heap of dried brushwood near a flourishing hedge, lime smoking in a square hole, and a ladder suspended along an old penthouse with straw partitions. A young girl was weeding in a field, where a huge yellow poster, probably of some outside spectacle, such as a parish festival, was fluttering in the wind. At one corner of the inn, beside a pool in which a flotilla of ducks was navigating, a badly paved path plunged into the bushes. The wayfarer struck into this."
