HACK YOUR WORKPLACE CULTURE FOR GREATER PROFITS AND PRODUCTIVITY "I LOVE THIS BOOK!"

—CHESTER ELTON, New York Times bestselling author of *All In* and *What Motivates Me* "When companies focus on culture, the positive effects ripple outward, benefiting not just employees but customers and profits. Read this smart, engaging book if you want a practical guide to getting those results for your organization." —MARSHALL GOLDSMITH, executive coach and New York Times bestselling author "Most books on customer service and experience ask leaders to focus on the customer first. Shane turns this notion on its head and makes a compelling case why leaders need to make 'satisfied employees' the priority." —LISA BODELL, CEO of Futurethink and author of *Why Simple Wins* "This is a must read for anyone in a customer service-centric industry. Shane explains the path to creating both satisfied customers and satisfied employees." —CHIP CONLEY, New York Times bestselling author and hospitality entrepreneur The question is not, "does your company have a culture?" The question is, "does your company have a culture that fosters outstanding customer experiences, limits employee turnover, and ensures high performance?" Every executive and manager has a responsibility to positively influence their workplace culture. Culture Hacker gives you the tools and insights to do it with simplicity and style. Culture Hacker explains: Twelve high-impact hacks to improve employee experience and performance How to delight and retain a multi-generational workforce The factors determining whether or not your employees deliver outstanding customer service

*Altered Traits* McGraw Hill

A Stanford University Press classic.

*Leisure, Recreation, and Tourism Abstracts* John Wiley & Sons

Global business leader and hotel industry icon J W Bill Marriott, Jr shares both the story of and the recipe for the success of Marriott International, one of the worlds leading hotel companies. The company began with one family-run root beer stand and grew over eight decades, through his leadership, into a global corporation that is widely respected for the business it does and the way it does business. In 1964, on the eve of being named president of the company, Marriotts father,

founder and then-CEO J Willard Marriott, Sr, tucked a letter in his 32-year-old sons desk drawer. The letter contained insights and guideposts that proved invaluable as Bill Jr, blazed the trail not only for his company, but for the hospitality industry as well. The letter, printed in this book, provides timeless advice for any person in any business who aims to achieve success. This is a compilation of engaging stories that takes the reader behind the scenes as events and decisions unfold.

Discover the bridge between theory and applied research in the hospitality industry The success of marketing programs is dependent on the knowledge of the trends in the marketplace. *Handbook of Marketing Research Methodologies for Hospitality and Tourism* is a comprehensive guide that clearly explains analyzing markets, utilizing qualitative and quantitative research methodologies, applying findings to market, development, and marketing strategies for the hospitality industry. The text contains detailed outlines and case studies of several types of research, including feasibility studies, market assessment studies, and site selection studies. Numerous graphic examples and presentation techniques are provided to bridge between theory and applied research with ease. *Handbook of Marketing Research Methodologies for Hospitality and Tourism* clearly details, all in a single volume, the application of research methodology to the real world, as well as showing how to effectively communicate findings and recommendations. This resource provides dozens of case examples and close attention to clearly explaining all facets of market analysis. Part one discusses research and methodologies, including primary and secondary data and integrative research. Part two explores market analysis and assessment, including marketing assessment for development planning and assessing focal points and intuitive techniques. The third part helps the reader apply their learned research into strategies. The final section explains market analysis planning and communications, including preparing a research-based business review and the effective presentation of research findings. The text provides appendixes of essential data, and a helpful glossary of terms. Topics in *Handbook of Marketing Research Methodologies for Hospitality and Tourism* include: qualitative market analysis techniques and applications quantitative market

research and analysis techniques and applications approaches to organized site selection studies, market studies, and project feasibility studies identification of the processes and sources for key market data for projects, markets, and sites presentation and communication techniques and strategies for market analysis and research findings the relationship of market analysis and research to marketing and development strategy selection and more! Handbook of Marketing Research Methodologies for Hospitality and Tourism is a perfect resource for upper-level undergraduate students and graduate students in hospitality colleges and schools; hotel and restaurant development and market research personnel in hospitality corporations; and market research firms serving the hospitality industry.

**IACP COOKBOOK OF THE YEAR AWARD WINNER** • In the first cookbook by a Black pitmaster, James Beard Award-winning chef Rodney Scott celebrates an incredible culinary legacy through his life story, family traditions, and unmatched dedication to his craft. "BBQ is such an important part of African American history, and no one is better at BBQ than Rodney."—Marcus Samuelsson, chef and restaurateur **ONE OF THE BEST COOKBOOKS OF THE YEAR:** The New York Times, The Washington Post, Time Out, Food52, Taste of Home, Garden & Gun, Epicurious, Vice, Salon, Southern Living, Wired, Library Journal Rodney Scott was born with barbecue in his blood. He cooked his first whole hog, a specialty of South Carolina barbecue, when he was just eleven years old. At the time, he was cooking at Scott's Bar-B-Q, his family's barbecue spot in Hemingway, South Carolina. Now, four decades later, he owns one of the country's most awarded and talked-about barbecue joints, Rodney Scott's Whole Hog BBQ in Charleston. In this cookbook, co-written by award-winning writer Lolis Eric Elie, Rodney spills what makes his pit-smoked turkey, barbecued spare ribs, smoked chicken wings, hush puppies, Ella's Banana Puddin', and award-winning whole hog so special. Moreover, his recipes make it possible to achieve these special flavors yourself, whether you're a barbecue pro or a

novice. From the ins and outs of building your own pit to poignant essays on South Carolinian foodways and traditions, this stunningly photographed cookbook is the ultimate barbecue reference. It is also a powerful work of storytelling. In this modern American success story, Rodney details how he made his way from the small town where he worked for his father in the tobacco fields and in the smokehouse, to the sacrifices he made to grow his family's business, and the tough decisions he made to venture out on his own in Charleston. Rodney Scott's World of BBQ is an uplifting story that speaks to how hope, hard work, and a whole lot of optimism built a rich celebration of his heritage—and of unforgettable barbecue.

*Gender and Kinship* Luxury Custom Publishing LLC

This book empirically discusses recent struggles over land and mining, exploring state-society relations conflicts on various scales. In contrast with the existing literature, analyses in this volume deliberately focus on large-scale land use changes both in relation to the expansion of industrial mining and to agro-industry. The authors contend that there are significant parallels between contestations over different variants of resource extractivism, as they reflect the same global trends and processes. Chapters draw on critical theoretical approaches from political ecology, political economy, spatial theory, contentious politics, and the study of democracy. The authors not only provide empirical insights on actual resource struggles from different world regions based on in-depth field research, but also contribute to theory-building by linking concepts from various critical approaches to one another, developing a perspective for analysing struggles over resources related to current global crisis phenomena.

**America's Cheapest Family Gets You Right on the Money** John Wiley & Sons

This introductory textbook shows you how to apply the principles of marketing within the hospitality industry. Written specifically for students taking marketing modules within a hospitality course, it contains examples and case studies that show how ideas and concepts can be successfully applied to a real-life work situation. It emphasizes topical issues such as sustainable marketing, corporate social responsibility and relationship marketing. It also describes the impact that the internet has had on both marketing and hospitality, using a variety of tools including a wide range of internet learning activities. This 3rd Edition has been updated to include: Coverage of hot topics such as use of technology and social media, power of the consumer and effect on decision making, innovations in product design and packaging, ethical marketing and sustainability marketing Updated online resources including: power point slides, test bank of questions, web links and additional case studies New and updated international case studies looking at a broad range of hospitality settings such as restaurants, cafes and hotels New discussion questions to consolidate student learning at the end of each chapter.

**Rodney Scott's World of BBQ** Routledge

Two New York Times–bestselling authors unveil new research showing what meditation can really do for the brain. In the last twenty years, meditation and mindfulness have gone from being kind of cool to becoming an omnipresent Band-Aid for fixing everything from your weight to your relationship to your achievement level. Unveiling here the kind of cutting-edge research that has made them giants in their fields, Daniel Goleman and Richard Davidson show us the truth about what meditation can really do for us, as well as exactly how to get the most out of it. Sweeping away common

misconceptions and neuromythology to open readers' eyes to the ways data has been distorted to sell mind-training methods, the authors demonstrate that beyond the pleasant states mental exercises can produce, the real payoffs are the lasting personality traits that can result. But short daily doses will not get us to the highest level of lasting positive change—even if we continue for years—without specific additions. More than sheer hours, we need smart practice, including crucial ingredients such as targeted feedback from a master teacher and a more spacious, less attached view of the self, all of which are missing in widespread versions of mind training. The authors also reveal the latest data from Davidson's own lab that point to a new methodology for developing a broader array of mind-training methods with larger implications for how we can derive the greatest benefits from the practice. Exciting, compelling, and grounded in new research, this is one of those rare books that has the power to change us at the deepest level.

*Psychology: A Modular Approach* is an adaptation of the best-selling text by renowned authors and educators John O. Mitterer and Dennis Coon. This first Canadian edition, adapted by Brock University's Tanya Martini, continues to combine the highly effective SQ4R (Survey, Question, Read, Recite, Reflect, Review) active learning system, an engaging style, appealing visuals, and detailed coverage of core topics and cutting-edge research in one remarkable, comprehensive text. Current and relevant to students studying in Canada, this new edition builds on the proven modular format, extensive special features, and teaching and learning tools integrated throughout the text. While the text provides a broad overview of essential psychology topics ideal for introductory courses, its modular design also readily supports more specialized curricula, allowing instructors to use the self-contained instructional units in any combination and order.

*Handbook of Marketing Research Methodologies for Hospitality and Tourism* Routledge

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

*Incentive Awards Notes* Springer

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud

speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* *Business Ethics* Arcadia Publishing

With over 70 global case studies and vignettes, this textbook covers all the key marketing principles applied to tourism and hospitality, showing how these concepts work in practice and demonstrating the diverse range of tourism and hospitality products on offer. Chapters are packed with pedagogical features that will help readers consolidate their learning, including: - Chapter objectives - Key terms - Discussion questions and exercises - Links to useful websites - Profiles of successful individuals and organizations *Tourism and Hospitality Marketing* is accompanied by a website that offers lecturers answers to the discussion questions and exercises in the book, case study questions, a test bank, PowerPoint slides and a list of additional teaching resources.

*Panama, Post Report* John Wiley & Sons

This book is directed toward several audiences. First, it is designed for university courses in HRD. We argue that every HRD academic program needs a course that teaches the foundations of the field. Second, HRD researchers will find the book thought-provoking and useful as a guide to core research issues. Third, it is written for reflective practitioners who actively seek to lead the field as it grows and matures. Finally, almost every practitioner will find parts of the book that will add depth to their practice.

**Psychology** ReadHowYouWant.com

*Business Ethics* provides a thorough review and analysis of business ethics issues using several learning tools: Strategic Stakeholder Management as the Theme: All chapters use a strategic stakeholder approach as a unifying theme. The text is thus the first text that adopts this approach. Most business ethics scholars and practitioners agree that successful ethical companies are the ones that can strategically balance the needs of their various stakeholders. By adopting this approach, students will be able to see how the various aspects of business ethics are connected. Theory-based and Application-based: All chapters have important applicable theories integrated with discussion of how such theories apply in practice. Unlike other texts that are either too theoretical or too practical, this text provides the appropriate blend of theory and practice to provide deeper insights into the concepts covered in the chapter. Global Perspective: Unless most other texts, this text provides a global perspective on business ethics. Most chapters include material pertaining to ethics in global

contexts. Included are cases about companies in a wide range of countries including Japan, U.K., China and India among many others. Cases: The text contains over 30 real world global cases. Each chapter ends with a short two page case as well as a longer case that varies in length. Each has discussions questions at the end. Finally each of the four parts ends with a Comprehensive Case; proven teaching cases from The Ivey School and other sources.

*Tourism and Hospitality Marketing* Penguin

Hospitality Marketing is an introductory textbook which shows readers how to apply the principles of marketing within the hospitality industry. The fourth edition contains examples and case studies exemplifying how ideas and concepts discussed within its chapters can be successfully applied to a real-life work situation, with an emphasis throughout on topical issues such as sustainable marketing, corporate social responsibility and relationship marketing. It also describes the impact

that the Internet has had on both marketing and hospitality, using a variety of tools including a wide range of Internet learning activities. This fourth edition has been updated to include: New content on social media marketing, user-generated content, group-buying behaviour, franchising, internationalization, non-predictable factors affecting sales and marketing such as COVID-19, the role of marketing in creating a competitive advantage and the role of events and experiences in marketing New extensive exploration of the role of technology in marketing including the use of artificial intelligence, service robots and the metaverse to develop and deliver service and/or to measure customer experience Updated online resources including a PowerPoint deck, a test bank of questions and added links to YouTube and Instagram content New/updated international case studies including many more from Asian and African destinations This book is written specifically for students taking marketing modules within hospitality courses and is a valuable resource to promote learning.
