#58 Random House Books for Young Readers

You know those real cheesy rom-coms where two unlikely lovebirds lean in for the same book and knock heads in the poetry section of the school library and fall

madly in love? Well, this story is nothing like that. For starters, Kevin met his new muse in the middle of Scarecrow attacking Gotham (how's that for a meet-cute?). And second, despite his planning the most perfect and romantic date night with Ivy, it seems like she might have something else on her mind. Love is in the air-errr, wait...that might be toxic gas...this is Gotham!

Harley Quinn Vol. 2:  
Joker Loves Harley DC  
The definitive story of Harley Quinn by her

co-creator, Paul Dini, and Pat Cadigan, revealing the secrets of her history even as she seeks to kill Batman. When she was only seven years old, Harleen Quinzel witnessed her father being beaten up by thugs, and then arrested by the police. That night she ran away to the safest place she could think of: Coney Island amusement park. But there, pursued into the Funhouse by the men who brutalised her father, she beheld unimaginable horrors. Years later, Harleen has put her past behind her, and used her intelligence and ambition to escape her childhood of poverty with a career in psychiatry. Assigned to her first position at Arkham Hospital, she

will discover, deep in the asylum, something dangerous and alluring, something quite unlike anything else she has ever known before: The Joker. Because why would you settle for love, when you could have MAD LOVE? From the moment that Harleen finds a rose on her desk, to the moment she dons her harlequin hat, this is the definitive story that chronicles the obsession, the burning desire, the manic laughter, and the birth of one of the most controversial and popular comic book supervillains ever created: Harley Quinn.
