What does living for
Jesus look like in the

everyday stuff of life?
Many Christians have
unwittingly embraced
the idea that “church”
is a once-a-week event
rather than a
community of Spirit-
empowered people;
that “ministry” is what
pastors do on Sundays
rather than the 24/7

calling of all believers; and that “discipleship” is a program rather than the normal state of every follower of Jesus. Drawing on his experience as a pastor and church planter, Jeff Vanderstelt wants us to see that there’s more—much more—to the Christian life than sitting in a pew once a week. God has called his people to something bigger: a view of the Christian life that encompasses the ordinary, the extraordinary, and everything in between. Packed full of biblical teaching, compelling stories, and real-world advice, this book will remind you that Jesus is filling the world with his presence through the everyday lives of everyday people... People just like you. Gospel Principles

What answer would you give if someone were to ask you, When did the first Communion take place? Chances are good that your response would be something like this: The Last Supper, of course. Everyone knows that! Most Christians would agree with you. However, the Last Supper was not necessarily the first celebration of the Eucharist. The first exchange of bread and wine the Communion elements took place in an historical event thousands of years earlier. Derek's teaching about Communion will captivate your imagination, as will the entire study of the theme in this book. From his starting point in Genesis to the

poignant scene with Jesus and His disciples in the Upper Room, Derek will lead us on a biblical journey into a deeper, richer understanding of this precious sacrament of Communion that we observe in honor of Jesus, just as He commanded. Along the way, we will delve deeply into the mysteries of this solemn sacrament. Why are we asked to "eat" Jesus' flesh and "drink" His blood? Why was Jesus called a Priest forever after the order of Melchizedek? What changes take place in us when we take Communion? These and many other questions are answered in The Power of Communion. In the final chapters, Derek opens his life to us in a rare, touching, and

personal way as he shares from some of the most difficult and yet gratifying moments of his life. With tremendous biblical scholarship and deeply personal accounts, Derek presents this theme in a way that will profoundly impact your relationship with Jesus Christ each time you meet Him at The Table of the Lord.

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for

possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God.

Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you. What are the ultimate motives that instigate individuals' behaviours? What are the aims of social perception? How can an individuals' behaviour be described both from the perspective of the actor and from the perspective of an observer? These are the basic questions that this book addresses using its proposed agency-communion framework. Agency (competence, assertiveness) refers to existence of an organism as an individual, to "getting ahead" and to individual goal-pursuit; communion (warmth, morality) refers to participation of an individual in a larger organism, to "getting along" and to forming

bonds. Each chapter is written by experts in the field and use the agency-communion framework to explore a wide variety of topics, such as stereotypes, self-esteem, personality, power, and politics. The reader will profit from the deep insights given by leading researchers. The variety of theoretical approaches and empirical contributions shows that the parsimonious and simple structure of two types of content in behavior, motives, personality, self-concept, stereotypes, and more to build an overarching frame to different phenomena studied in psychology. **The Essential Guide to Healing** Destiny Image Publishers

The Courage to Be introduced issues of theology and culture to a general readership. The book examines ontic, moral, and spiritual anxieties across history and in modernity. The author defines courage as the self-affirmation of one's being in spite of a threat of nonbeing. He relates courage to anxiety, anxiety being the threat of non-being and the courage to be

what we use to combat that threat. Tillich outlines three types of anxiety and thus three ways to display the courage to be. Tillich writes that the ultimate source of the courage to be is the "God above God," which transcends the theistic idea of God and is the content of absolute faith (defined as "the accepting of the acceptance without somebody or something that accepts").
