Cirrus Test

Miller Test
Prep's study
guide for the
TSI is the
solution for
students who
want to
maximize
their score
and minimize
study time.
Our study
guides are

carefully
designed to
provide only
that clear and
concise
information
you need.
That's
precisely why
we put "Clear
& Concise" on
our cover. The
standard for
the study
guide industry
is to "throw in
the kitchen
sink" when it
comes to
making a
book,
meaning you
are stuck with
hundreds of
pages of
repetitive
information,
redundant and

confusing
examples, and
more practice
questions than
any person
could be
expected to
work through.
This results in
students
feeling
overwhelmed,
leading to
reduced self-
confidence,
which leads to
lower scores!
Instead, Miller
Test Prep has
worked
specifically
with tutors.
Why tutors
you ask?
Tutors
specialize in
helping
students

comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so you pass the first time! In this

TSI guide book, we ensure you are thoroughly prepared for this critically important test: Comprehensive review of all TSI exam sections: Reading Writing - Essay Writing - Multiple Choice Mathematics Step-by-step examples for every concept tested Practice test questions like the real exam Detailed, thorough answer key explanations 6 complete essay examples with

scoring explanations

I have taken 30 credits worth of CLEP exams

and I've passed them all by using your study guides. I actually purchased one of your study guides and failed my first test. I didn't fail because of your guide though, I failed because I didn't manage my time effectively and I ran short. I looked at your study guide after failing though, and a lot of the information on your study guide was very relevant to what was on the test. So, I tried

again with a different test and a different study guide of yours. I passed. This pattern continues for 30 credits. I graduate on June 9th thanks to you guys, so I wanted to say thank you. The guides were worth every penny. Thanks, -John S.****I would like to thank you for your study guides. I will be graduating in December with two bachelor degrees and CLEP helped me get there quickly. I

gained 36 credits through CLEP and your study guides helped me through almost all of them. I can honestly say that I would not have passed many of the tests without your guides. Great products. Thanks!! -Erin W.****
