The Rough Guide to Germany (Travel Guide eBook)

Apa Publications (UK) Limited
 A compelling crime thriller from acclaimed Swedish script-writers Cilla & Rolf Borjlind. Olivia Ronning hopes to follow in her

detective father's footsteps when she completes her police training; she has only one last hurdle to overcome over the summer break, a challenge from her professor to pick a cold case and solve it. Should be simple, she thinks. Little does she know the danger she faces and the ugly truths she risks uncovering.

 A photographic journey through the history of this epic city Samuel Johnson famously said that: "When a man is tired of London, he is tired of life." London's remarkable history, architecture, landmarks, streets, style, cool, swagger, and stalwart residents are pictured in hundreds of compelling photographs sourced from a wide array

of archives around the world. London is a vast sprawling metropolis, constantly evolving and growing, yet throughout its complex past and shifting present, the humor, unique character, and bulldog spirit of the people have stayed constant. This book salutes all those Londoners, their city, and its history. In addition to the wealth of images included in this book, many previously unpublished, London's history is told through hundreds of quotations, lively essays, and references from key movies, books, and records. From Victorian London to the Swinging 60s; from the Battle of Britain to Punk; from the Festival of Britain to the 2012 Olympics; from the foggy cobbled streets to the architectural masterpieces of the millennium; from rough pubs to private drinking ♣ from Royal Weddings to raves, from the charm of the East End to the wonders of the Westminster; from Chelsea girls to Hoxton hipsters; from the power to glory: in page after page of stunning photographs, reproduced big and bold like the city itself, London at last gets

the photographic tribute it deserves. Photographs by: Slim Aarons, Eve Arnold, David Bailey, Cecil Beaton, Bill Brandt, Alvin Langdon Coburn, Anton Corbijn, Terence Donovan, Roger Fenton, Bert Hardy, Evelyn Hofer, Frank Horvat, Tony Ray-Jones, Nadav Kander, Roger Mayne, Linda McCartney, Don McCullin, Norman Parkinson, Martin Parr, Rankin, Lord Snowdon, William Henry Fox Talbot, Juergen Teller, Mario Testino, Wolfgang Tillmans, and many, many others. For die-hard lovers of Paris, Berlin, London, Los Angeles, and New York, TASCHEN introduces the Portrait of a City Art Edition series. For each edition, limited to only 500 copies, a legendary local fashion designer is invited to design a bespoke fabric to line the cover, and a large signed and numbered print of one of the images from the book is included. Paul Smith has designed the fabric cover for the Art Editions of London: Portrait of a City, and the print Traffic Policeman was taken by photographer Elmar Ludwig. Art Edition B - No. 501-1,000 Traffic Policeman, 1960s Fine art print on archival paper 52 x 68 cm (20.5 x 26.8 in.)

(Frame not included) Also available in another Art Edition (No. 1-500) Road Atlas, United States New Holland Australia(AU) This guidebook shows the vast range of activities available in the mountains surrounding Chamonix. Another Kyoto is an insider's meditation on the hidden wonders of Japan's most enigmatic city. Drawing on decades living in Kyoto, and on

lore gleaned from artists, Zen monks and Shinto priests, Alex Kerr illuminates the simplest things - a temple gate, a wall, a sliding door - in a new way. 'A rich book of intimate proportions ... In Kyoto, facts and meaning are often hidden in plain sight. Kerr's gift is to make us stop and cast our eyes upward to a temple plaque, or to squint into the gloom of an abbot's chamber' Japan Times
'Kerr and Sokol have performed a minor miracle by presenting that which is present in Kyoto as that which we have yet to see. I know that I will never pass a wall, or tread a floor, or sit on tatami the same way again'

 Celebrate more than 60 years of Italian motorcycle mastery. Over 60 years ago in Bologna, Italy, a small company called Ducati began manufacturing simple, inexpensive 50cc motorcycles--really no more than two-stroke-powered bicycles. Since then, Ducati has evolved into one of the most storied names in the motorcycling world, its lineup of beautiful machines revered for their technical excellence and extreme performance. In *The Art of Ducati*, Ducati expert Ian Falloon teams with renowned British photographer James Mann to present a gorgeously illustrated, wonderfully curated review of more than six decades of Ducati excitement. From the single-cylinder bikes of the 1950s and 1960s to the bevel-drive twins of the 1970s and early 1980s to the high-performance bikes of the 21st century, *The Art of Ducati* showcases a motorcycle marque that has never rested on its

laurels. Ducati's style and technology have constantly evolved, engineering timeless classics like the 900SS, Darmah, Mike Hailwood Replica, 851, 916, Monster, and ST sports touring series, bikes that laid the foundation for today's cutting-edge models: the Panigale superbike, Multistrada adventure bike, all-new Monster, Hypermotard, and Diavel power cruiser. While there's no end in sight for Ducati's dominance, *The Art of Ducati* pays homage to their past six-plus decades of masterful motorcycle engineering.

The most northerly of Britain's island groups, Shetland is so far removed from the rest of the UK that it usually appears as an inset on maps. Although relatively little known to those from outside the islands, Shetland is a magnificent terrain for walkers, especially those who love to really explore and get away from the beaten track. The coastal walking here includes some of the finest in the country, with superb cliffs, towering sea stacks, caves and natural arches seemingly around

every corner. Added to this is Shetland's better known claim to fame for its spectacular seabird colonies – huge gannetries, moorland packed with arctic and great skuas, arctic terns in the more sheltered spots, and everyone's favourite – the puffins. The islands also enjoy a dense population of otters, many seals, and a chance to see killer whales or other giants of the deep. Beyond all this natural grandeur, Shetland's history is fascinating too. The archaeological attractions are much less known than those on Orkney, but sites such as Jarlshof have amazingly preserved remains from prehistory right up to more recent times. These include iron age villages, chambered cairns, viking longhouses, pictish carvings, and impressive brochs – including the most complete of all these iron-age defensive towers, on Mousa.  "Winning a junior ice hockey championship might not mean a lot to the average person, but it means everything to the residents of Beartown, a community slowly being eaten alive by unemployment and the surrounding wilderness. A victory like this would draw national attention to the ailing town: it could attract government funding and an influx of talented athletes who would choose Beartown over the big nearby cities. A victory like this would certainly mean everything to Amat, a short, scrawny teenager who is treated like an outcast everywhere but on the ice; to Kevin, a star player just on the cusp of

securing his golden future in the NHL; and to Peter, their dedicated general manager whose own professional hockey career ended in tragedy. At first, it seems like the team might have a shot at fulfilling the dreams of their entire town. But one night at a drunken celebration following a key win, something happens between Kevin and the general manager's daughter--and the next day everything seems to have changed. Accusations are made and, like ripples on a pond, they travel through all of Beartown, leaving no resident unaffected. With so much riding on the success of the team, the line between loyalty and betrayal becomes difficult to discern. At last, it falls to one young man to find the courage to speak the truth that it seems no one else wants to hear."-
