An inspiring picture book about Rosa Bonheur, the most famous and best-selling painter of her century In a stunning ode to underrepresented women everywhere, award-winning illustrator Ruth Sanderson tells the untold story of French artist Rosa Bonheur in this picture book biography. Rosa Bonheur was born in 1822 in France at a time when young women had limited options beyond being a wife and mother. But Rosa wouldn't stand for this. She wore pants, rode horses astride, and often broke society's rules. She wanted to be a famous painter just like her father. Female artists at the time were encouraged to paint domestic scenes of children and family, but Rosa was determined to capture the unbridled wild beauty of horses. Her masterpiece The Horse Fair was eight feet high and sixteen feet wide. Rosa went on to become the most celebrated artist of her time with paintings

purchased by art collectors, museums, and galleries around the world. With the decline in popularity of realistic painting, Rosa's trailblazing story was almost forgotten. Revel at the bravery and fortitude of young Rosa as you take in Ruth Sanderson's immaculate rendition of her life and artistry.

A Land Remembered has become Florida's favorite novel. Now this Student Edition in two volumes makes this rich, rugged story of the American pioneer spirit more accessible to young readers. Patrick Smith tells of three generations of the MacIveys, a Florida family battling the hardships of the frontier. The story opens in 1858, when Tobias and Emma MacIvey arrive in the Florida wilderness with their son, Zech, to start a new life, and ends in 1968 with Solomon MacIvey, who realizes that his wealth has not been worth the cost to the land. Between is a sweeping story rich in Florida history with a cast of memorable characters who battle wild animals, rustlers, Confederate deserters, mosquitoes, starvation, hurricanes, and freezes to carve a kingdom out of the Florida swamp. In this volume, meet young Zech MacIvey, who learns to ride like the wind through the Florida scrub on Ishmael, his marsh-tackie horse, his dogs, Nip and Tuck, at this side. His parents, Tobias and Emma, scratch a living from the land, gathering wild cows from the swamp and herding them across the state to market. Zech learns the ways of the land from the Seminoles, with whom his life becomes entwined as he grows into manhood. Next in series > > See all of the books in this series
