To escape an evil curse, a terrible price must be paid... Paul Doherty relates the Priest's tale in Ghostly Murders - a tale of mystery and murder as he goes on pilgrimage from London to Canterbury. Perfect for fans of Ellis Peters and Susanna Gregory. As Chaucer's pilgrims shelter in the ruins of a church, the poor Priest narrates his mysterious tale. Young Philip Trumpington, the new Scawsby parish priest, finds that the old church harbours shocking secrets. Years earlier, some Templars were massacred on the marshes, their attackers led by Romenal, a former Scawsby vicar. Philip discovers the old church is haunted by 'The Watchers' and the villagers are scarred by a terrible curse. An ancient evil must be resolved and reparation made. But the price will be great... What readers are saying about Canterbury Tales Mysteries: 'I found it a brilliant, mystifying tale and was hooked from beginning to end' 'Mr Doherty excels himself with this spine

READ THE SENSATIONAL BLOCKBUSTER THAT STARTED IT ALL! Take it from the top in #1 New York Times bestselling author Sue Grafton's knockout thriller that introduced detective Kinsey Millhone—and a hot new attitude—to crime fiction... A IS FOR AVENGER A tough-talking former cop, private investigator Kinsey Millhone has set up a modest detective agency in a quiet corner of Santa Teresa, California. A twice-divorced loner with few personal possessions and fewer personal attachments, she's got a soft spot for underdogs and lost causes. A IS FOR ACCUSED That's why she draws desperate clients like Nikki Fife. Eight years ago, she was convicted of killing her philandering husband. Now she's out on parole and needs Kinsey's help to find the real killer. But after all this time, clearing Nikki's bad name won't be easy. A IS FOR ALIBI If there's one thing that makes Kinsey Millhone feel alive, it's playing on the edge. When her investigation turns up a second corpse, more suspects, and a new reason to kill, Kinsey discovers that the edge is closer—and sharper—than she imagined. Christopher Berry-Dee, criminologist and bestselling author of books about the serial killers Aileen Wuornos and Joanne Dennehy, turns his uncompromising gaze upon women who not only kill, but kill repeatedly. Because female murderers, and especially serial murderers, are so rare compared with their male counterparts, this new study will surprise as well as shock, particularly in the cases of women like Beverley Allitt, who kill children, and Janie Lou Gibbs, who killed her three sons and a grandson, as well as her husband. Here too are women who kill under the influence of their male partners, such as Myra Hindley and Rosemary West, and whose lack of remorse for their actions is nothing short of chilling. But the author also turns his forensic gaze on female killers who were themselves victims, like Aileen Wuornos, whose killing spree, for which she was executed, can be traced directly to her treatment at the hands of men. Christopher Berry-Dee has no equal as the author of hard-hitting studies of the killers who often walk among us undetected for many years, and who in so many cases seem to be acting entirely against their natures.

WINNER OF THE AGATHA • ARTHUR ELLIS • DILYS • DEBUT DAGGER AWARDS "Wonderfully entertaining . . . sure to be one of the most loved mysteries of the year . . . [Flavia is] a delightful, intrepid, acid-tongued new heroine."—Chicago Sun-Times It is the summer of 1950—and at the once-grand mansion of Buckshaw, young Flavia de Luce, an aspiring chemist with a passion for poison, is intrigued by a series of inexplicable events: A dead bird is found on the doorstep, a postage stamp bizarrely pinned to its beak. Then, hours later, Flavia finds a man lying in the cucumber patch and watches him as he takes his dying breath. For Flavia, who is both appalled and delighted, life begins in earnest when murder comes to Buckshaw. "I wish I could say I was afraid, but I wasn't. Quite the contrary. This was by far the most interesting thing that had ever happened to me in my entire life." BONUS: This edition contains a The Sweetness at the Bottom of the Pie discussion guide and an excerpt from Alan Bradley's The Weed That Strings the Hangman's Bag.

Drawing on extensive interviews with the accused herself, here is the sordid, twisted, and surprising story of Brookey Lee West—a successful technical writer from Silicon Valley who became

Las Vegas' most notorious female serial killer. In February, 2001, police uncovered the decomposed remains of Christine Smith bagged like garbage in a Las Vegas storage unit. She'd been dead for years. Next to the makeshift tomb were books on witchcraft and Satanism. It didn't take long for authorities to discover that the owner of the foul Canyon Gate Unit #317 was Christine's own daughter, Brookey Lee West. Further investigation revealed something even more shocking—a one-woman crime spree that spanned two decades, stretched from Nevada to California, and may have counted among its victims Brookey's own husband and brother....

New York Times Bestseller Soon to be a Netflix film. The bestselling account of the lives of five young women whose fates converged in the perplexing case of the Long Island Serial Killer. Now updated, with a new afterword by the author. "Rich, tragic...monumental...true-crime reporting at its best."--Washington Post One late spring evening in 2010, Shannan Gilbert--after running through the oceanfront community of Oak Beach screaming for her life--went missing. No one who had heard of her disappearance thought much about what had happened to the twenty-four-year-old: she was a Craigslist escort who had been fleeing a scene--of what, no one could be sure. The Suffolk County police, too, seemed to have paid little attention--until seven months later, when an unexpected discovery in a bramble alongside a nearby highway turned up four bodies, all evenly spaced, all wrapped in burlap. But none of them Shannan's. There was Maureen Brainard-Barnes, last seen at Penn Station in Manhattan three years earlier, and Melissa Barthelemy, last seen in the Bronx in 2009. There was Megan Waterman, last seen leaving a hotel in Hauppauge, Long Island, just a month after Shannon's disappearance in 2010, and Amber Lynn Costello, last seen leaving a house in West Babylon a few months later that same year. Like Shannan, all four women were petite, in their twenties, and had come from out of town to work as escorts, and they all had advertised on Craigslist and its competitor, Backpage. Lost Girls is a portrait of unsolved murders in an idyllic part of America, of the underside of the Internet, and of the secrets we keep without admitting to ourselves that we keep them. Long considered "one of the best true-crime books of all time" (Time), this edition is now updated, with an afterword about developments in the case, including the shocking fate of Mari Gilbert, Shannan's mother, for whom this case became the crusade of a lifetime.

Detectives Canby and Underwood hunt down a serial killer in this "heady mix of history, sizzle, punch, and danger" (Steve Berry, New York Times best-selling author of The Patriot Threat). Disgraced former detective and Civil War veteran Thomas Canby partners with Atlanta's first African American police officer, Cyrus Underwood, to track down a serial murderer who seems to be targeting the city's wealthiest black entrepreneurs. Even after the killer is revealed, his astonishing ability to elude capture raises the question: is there such a thing as supernatural evil at loose in the world? Matthew Guinn draws readers into a vortex of tense, atmospheric storytelling, confronting the fears of both old South and new, compelling the reader through a breathless, disturbing finale. A Los Angeles Public Library Best Book of the Year and a Finalist for the Pat Conroy Southern Book Prize.

Understanding Agatha Christie Harper Collins

When the two strangers turn up at Rowena Cooper's isolated Colorado farmhouse, she knows instantly that it's the end of everything. For the two haunted and driven men, on the other hand, it's just another stop on a long and bloody journey. And they still have many miles to go, and victims to sacrifice, before their work is done. For San Francisco homicide detective Valerie Hart, their trail of victims—women abducted, tortured and left with a seemingly random series of objects inside them—has brought her from obsession to the edge of physical and psychological destruction. And she's losing hope of making a breakthrough before that happens. But the murders at the Cooper farmhouse didn't quite go according to plan. There was a survivor, Rowena's ten-year-old daughter Nell, who now holds the key to the killings. Injured, half-frozen, terrified, Nell has only one place to go. And that place could be even more dangerous than what she's running from. In this extraordinary, pulse-pounding debut, Saul Black takes us deep into the mind of a psychopath, and into the troubled heart of the woman determined to stop him.

This edition showcases the effects and consequences of human depravity, frailty and criminal activity. The showcased and photographed remaining structures generally appear nondescript and ordinary, masking their significance and infamy. Throughout the western United States, these commonplace buildings silently testify to events involving violence and individuals whose acts have scarred others, society and sometimes simply themselves. Their stories remain compelling evidence towards the fragility of the human experience and lives severed abruptly. Once you've absorbed the history behind each building, you will never view them with indifference again. Paranormal activity within their confines is commonly reported.
