SHANNON LIN

The Walt Longmire Mystery Penguin International bestseller: Kurt Wallander and his daughter join forces to hunt for a ritual killer in this “gripping, beautifully orchestrated” mystery (The New York Times Book Review). Linda Wallander is bored. Having just graduated from the police academy, she’s waiting to start work with the Ystad police and move into her own apartment. In the meantime, she’s staying with her father and, like fathers and daughters everywhere, they are driving each other crazy. Nor will they be able to escape each other when she moves out. Her father is Inspector Kurt Wallander, a veteran of the Ystad police

force, and the two of them are about to find themselves working a case that couldn’t be closer to home. Linda’s childhood friend Anna has disappeared. As the investigation proceeds, she makes a few rookie mistakes that are both understandable and life-threatening. But as the case her father is working on dovetails with her own, something far more dangerous, and chillingly calculated, begins to emerge. A “powerful” and “thoroughly engaging” thriller from “a master storyteller,” Before the Frost introduces an unforgettable new heroine to the acclaimed series that is the basis for the BBC television show starring Kenneth Branagh (San Francisco Chronicle). Another Man's Moccasins Penguin Introducing Wyoming’s Sheriff Walt Longmire in this riveting novel from the New York Times bestselling author of Hell

Is Empty and As the Crow Flies, the first in the Longmire Mystery Series, the basis for LONGMIRE, the hit Netflix original drama series. Fans of Ace Atkins, Nevada Barr and Robert B. Parker will love this outstanding first novel, in which New York Times bestselling author Craig Johnson introduces Sheriff Walt Longmire of Wyoming’s Absaroka County. Johnson draws on his deep attachment to the American West to produce a literary mystery of stunning authenticity, and full of memorable characters. After twenty-five years as sheriff of Absaroka County, Walt Longmire’s hopes of finishing out his tenure in peace are dashed when Cody Pritchard is found dead near the Northern Cheyenne Reservation. Two years earlier, Cody has been one of four high school boys given suspended sentences for raping a local Cheyenne girl. Somebody, it

would seem, is seeking vengeance, and Longmire might be the only thing standing between the three remaining boys and a Sharps .45-70 rifle. With lifelong friend Henry Standing Bear, Deputy Victoria Moretti, and a cast of characters both tragic and humorous enough to fill in the vast emptiness of the high plains, Walt Longmire attempts to see that revenge, a dish best served cold, is never served at all.

To complicate matters, Virgil White Buffalo, a Crow Indian, is found living in a nearby culvert and in possession of the young woman's purse. There are only two problems with what appears to be an open-and-shut case. One, the sheriff doesn't think Virgil White Buffalo - a Vietnam vet with a troubling past - is a murderer. Craig Johnson's new novel, *The Western Star*, will be available from Viking in Fall 2017. Sheriff Walt Longmire is in his office reading *A Christmas Carol* when he is interrupted by a ghost of Christmas past: a young woman with a hairline scar and more than a few questions about his predecessor, Lucian Connally. With his daughter Cady and undersheriff Moretti otherwise engaged, Walt's on his own this Christmas Eve, so he agrees to help her. At the Durant Home for Assisted Living, Lucian is several tumblers into his Pappy Van Winkle's and swears he's never clapped eyes on the woman before. Disappointed, she whispers "Steamboat" and begins a story that takes them all back to Christmas Eve 1988—a story that will thrill and delight the bestselling series' devoted fans.

He's sidelined by grief when his wife's obituary reappears in the paper and there's an unexpected knock on his door two days before Christmas. He strives to help even those who don't want it when he picks up a young female hitchhiker, and he's forced into some last-minute Christmas shopping by the Greatest Legal Mind of Our Time, during which he might just end up saving a young Navy chaplain's Christmas.

Chase's Calendar of Events 2022 New Press/ORIM

Walt Longmire faces an icy hell in this New York Times bestseller from the author of *Land of Wolves*. Well-read and world-weary, Sheriff Walt Longmire has been maintaining order in Wyoming's Absaroka County for more than thirty years, but in this riveting seventh outing, he is pushed to his limits. Raynaud Shade, an adopted Crow Indian rumored to be one of the country's most dangerous sociopaths, has just confessed to murdering a boy ten years ago and burying him deep within the Bighorn Mountains. Walt is asked to transport Shade through a blizzard to the site, but what begins as a typical criminal transport turns personal when the veteran lawman learns that he knows the dead boy's family. Guided only by Indian mysticism and a battered paperback of Dante's *Inferno*, Walt braves the icy hell of the Cloud Peak Wilderness Area, cheating death to ensure that justice—both civil and spiritual—is served.

Death Without Company Thorndike Press
The thirteenth Longmire novel from the New York Times bestselling author of *Land of Wolves*. Sheriff Walt Longmire is enjoying a celebratory beer after a weapons certification at the Wyoming Law Enforcement Academy when a younger sheriff confronts him with a photograph of twenty-five armed men standing in front of a Challenger steam locomotive. It takes him back to when, fresh from the battlefields of Vietnam, then-deputy Walt accompanied his mentor Lucian to the annual Wyoming Sheriff's Association junket held on the excursion train known as the *Western Star*, which ran the length of Wyoming from Cheyenne to Evanston and back. Armed with his trusty Colt .45 and a paperback of Agatha Christie's *Murder on the Orient Express*, the young Walt was ill-prepared for the machinations of twenty-four veteran sheriffs, let alone the cavalcade of curious characters that accompanied them. The photograph—along with an upcoming parole hearing for one of the most dangerous men Walt has encountered in a lifetime of law enforcement—hurtles the sheriff into a head-on collision of past and present, placing him and everyone he cares about squarely on the tracks of runaway revenge.

Don't miss the JOE PICKETT series—now streaming on Paramount+ The first novel in the thrilling series featuring Wyoming

game warden Joe Pickett from #1 New York Times bestselling author C. J. Box. Joe Pickett is the new game warden in Twelve Sleep, Wyoming, a town where nearly everyone hunts and the game warden—especially one like Joe who won't take bribes or look the other way—is far from popular. When he finds a local hunting outfitter dead, splayed out on the woodpile behind his state-owned home, he takes it personally. There had to be a reason that the outfitter, with whom he's had run-ins before, chose his backyard, his woodpile to die in. Even after the "outfitter murders," as they have been dubbed by the local press after the discovery of the two more bodies, are solved, Joe continues to investigate, uneasy with the easy explanation offered by the local police. As Joe digs deeper into the murders, he soon discovers that the outfitter brought more than death to his backdoor: he brought Joe an endangered species, thought to be extinct, which is now living in his woodpile. But if word of the existence of this endangered species gets out, it will destroy any chance of InterWest, a multinational natural gas company, building an oil pipeline that would bring the company billions of dollars across Wyoming, through the mountains and forests of Twelve Sleep. The closer Joe comes to the truth behind the outfitter murders, the endangered species and InterWest, the closer he comes to losing everything he holds dear.
