Silencing Race Springer

The dictatorship of Rafael Trujillo, who ruled the Dominican Republic from 1930 until his assassination in 1961, was one of the longest and bloodiest in Latin American history. The Dictator's Seduction is a cultural history of the Trujillo regime as it was experienced in the capital city of Santo Domingo. Focusing on everyday forms of state domination, Lauren Derby describes how the regime infiltrated civil society by fashioning a "vernacular politics" based on popular idioms of masculinity and fantasies of race and class mobility. Derby argues that the most pernicious aspect of the dictatorship was how it appropriated quotidian practices such as gossip and gift exchange, leaving almost no place for Dominicans to hide or resist. Drawing on previously untapped documents in the Trujillo National Archives and interviews with Dominicans who recall life under the dictator, Derby emphasizes the role that public ritual played in Trujillo's exercise of power. His regime included the people in affairs of state on a massive scale as never before. Derby pays particular attention to how events and projects were received by the public as she analyzes parades and rallies, the rebuilding of Santo Domingo following a major hurricane, and the staging of a year-long celebration marking the twenty-fifth year of Trujillo's regime. She looks at representations of Trujillo, exploring how claims that he embodied the popular barrio antihero the tiguere (tiger) stoked a fantasy of upward mobility and how a rumor that he had a personal guardian angel suggested he was uniquely protected from his enemies. The Dictator's Seduction sheds new light on the cultural contrivances of autocratic power.

Kiss of the Spider Woman Wayne State University Press
Silencing Race provides a historical analysis of the construction of silences surrounding issues of racial inequality, violence, and discrimination in Puerto Rico. Examining the ongoing racialization of Puerto Rican workers, it explores the 'class-making' of race. *Spain, the Second World War, and the Holocaust* George Weidenfeld & Nicholson

From the bestselling author of *Kafka on the Shore*: A magnificent coming-of-age story steeped in nostalgia, "a masterly novel" (The New York Times Book Review) blending the music, the mood, and the ethos that were the sixties with a young man's hopeless and heroic first love. Now with a new introduction by the author. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds

himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, *Norwegian Wood* first propelled Haruki Murakami into the forefront of the literary scene. *The African Slave Trade from the Fifteenth to the Nineteenth Century* New York : C. Scribner's sons
 Spain has for too long been considered peripheral to the human catastrophes of World War II and the Holocaust. This volume is the first broadly interdisciplinary, scholarly collection to situate Spain in a position of influence in the history and culture of the Second World War. Featuring essays by international experts in the fields of history, literary studies, cultural studies, political science, sociology, and film studies, this book clarifies historical issues within Spain while also demonstrating the impact of Spain's involvement in the Second World War on historical memory of the Holocaust. Many of the contributors have done extensive archival research, bringing new information and perspectives to the table, and in many cases the essays published here analyze primary and secondary material previously unavailable in English. *Spain, the Second World War, and the Holocaust* reaches beyond discipline, genre, nation, and time period to offer previously unknown evidence of Spain's continued relevance to the Holocaust and the Second World War.

Fictions of the Bad Life Topeka Bindery
 Uruguay is not conventionally thought of as part of the African diaspora, yet during the period of Spanish colonial rule, thousands of enslaved Africans arrived in the country. Afro-Uruguayans played important roles in Uruguay's national life, creating th *The New International Year Book* Seal Books
Mundos en palabras offers advanced students of Spanish a challenging yet practical course in translation from English into Spanish. The course provides students with a well-structured, step-by-step guide to Spanish translation which will enhance and refine their language skills while introducing them to some of the key concepts and debates in translation theory and practice. Each chapter presents a rich variety of practical tasks, supported by concise, focused discussion of key points relating to a particular translation issue or text type. Shorter targeted activities are combined with lengthier translation practice. Throughout the book, learners will find a wealth of material from a range of genres and text types, including literary, expository, persuasive and audiovisual texts. An answer key to activities, as well as supplementary material and Teachers' Notes are provided in the companion website. The book covers common areas of difficulty including: frequent grammatical errors calques and loan words denotation and connotation idioms linguistic varieties cultural references style and register Suitable both for classroom use and self-study, *Mundos en palabras* is ideal for advanced undergraduate students of Spanish, and for any advanced

learners wishing to acquire translation competence while enhancing their linguistic skills.

The authoritative text on the libertarian political position In recent years, libertarian impulses have increasingly influenced national and economic debates, from welfare reform to efforts to curtail affirmative action. Murray N. Rothbard's classic *The Ethics of Liberty* stands as one of the most rigorous and philosophically sophisticated expositions of the libertarian political position. Rothbard's unique argument roots the case for freedom in the concept of natural rights and applies it to a host of practical problems. And while his conclusions are radical—that a social order that strictly adheres to the rights of private property must exclude the institutionalized violence inherent in the state—Rothbard's applications of libertarian principles prove surprisingly practical for a host of social dilemmas, solutions to which have eluded alternative traditions. *The Ethics of Liberty* authoritatively established the anarcho-capitalist economic system as the most viable and the only principled option for a social order based on freedom. This classic book's radical insights are sure to inspire a new generation of readers.

Race and Ethnicity in Latin America epubli
 When first published, Marshall McLuhan's *Understanding Media* made history with its radical view of the effects of electronic communications upon man and life in the twentieth century.

Guidelines for Teaching about the Holocaust Algonquin Books
 NOW A MAJOR MOTION PICTURE • AN NPR BEST BOOK OF THE YEAR • From one of the most virtuosic authors in the English language: a powerful novel, written with urgency and moral force, that explores life—and love—among the Nazi bureaucrats of Auschwitz. "A masterpiece.... Profound, powerful and morally urgent.... A benchmark for what serious literature can achieve." —San Francisco Chronicle
 Martin Amis first tackled the Holocaust in 1991 with his bestselling novel *Time's Arrow*. He returns again to the Shoah with this astonishing portrayal of life in "the zone of interest," or "kat zet"—the Nazis' euphemism for Auschwitz. The narrative rotates among three main characters: Paul Doll, the crass, drunken camp commandant; Thomsen, nephew of Hitler's private secretary, in love with Doll's wife; and Szmul, one of the

Jewish prisoners charged with disposing of the bodies. Through these three narrative threads, Amis summons a searing, profound, darkly funny portrait of the most infamous place in history. An epilogue by the author elucidates Amis's reasons and method for undertaking this extraordinary project.

Alex Méndez has spent more than a decade carrying out exclusive contracts. He's the most valued Latin American hitman for governments, cartels and mafias. Now Alex accepts his last contract for twenty million dollars. The mission: to assassinate an ex-general of Saddam Hussein's defeated government, who is hiding in Cuba, along with the Cuban colonel in charge of his protection. As with every contract, Alex prepares plans B, C and D. Although for this one, the recruitment of a Cuban dancer and prostitute who works on Cayo Santa María will be the key to his success . . . or his failure.

[Red City, Blue Period](#) Springer

As a growing number of contemporary novelists write for publication in multiple languages, the genre's form and aims are shifting. Born-translated novels include passages that appear to be written in different tongues, narrators who speak to foreign audiences, and other visual and formal techniques that treat translation as a medium rather than as an afterthought. These strategies challenge the global dominance of English, complicate "native" readership, and protect creative works against misinterpretation as they circulate. They have also given rise to a new form of writing that confounds traditional models of literary history and political community. Born Translated builds a much-needed framework for understanding translation's effect on fictional works, as well as digital art, avant-garde magazines, literary anthologies, and visual media. Artists and novelists discussed include J. M. Coetzee, Junot Díaz, Jonathan Safran Foer, Mohsin Hamid, Kazuo Ishiguro, Jamaica Kincaid, Ben Lerner, China Miéville, David Mitchell, Walter Mosley, Caryl Phillips, Adam

Thirlwell, Amy Waldman, and Young-hae Chang Heavy Industries. The book understands that contemporary literature begins at once in many places, engaging in a new type of social embeddedness and political solidarity. It recasts literary history as a series of convergences and departures and, by elevating the status of "born-translated" works, redefines common conceptions of author, reader, and nation.

[Torture](#) Univ of North Carolina Press

A compelling new novel that combines past and present in a

riveting search for the source of the Book of Genesis itself. In her provocative second novel, Spanish author Julia Navarro takes readers on an exhilarating journey across centuries and continents, as an upstart archeologist and a murderous group of conspirators vie for a treasure that will rewrite history—an explosive account of the world's creation recorded millennia ago by a humble scribe onto the legendary Bible of Clay. Moving back and forth through time, from the tense months preceding the contemporary war in Iraq, to ancient Mesopotamia, to the atrocities of the last century, this tale of vengeance, obsession, and the wholesale plundering of the ancient world's most priceless treasures is populated by an international cast of political opportunists, ruthless killers, and unsullied seekers of truth. The Bible of Clay is historical fiction at its richest, a sweeping saga that challenges at once both conventional geopolitics and the very foundations of modern religion.
[Los esclavos españoles de Hitler](#) Createspace Independent Publishing Platform

On March 25, 1942, nearly a thousand young, unmarried Jewish women boarded a train in Poprad, Slovakia. Filled with a sense of adventure and national pride, they left their parents' homes wearing their best clothes and confidently waving good-bye. Believing they were going to work in a factory for a few months, they were eager to report for government service. Instead, the young women—many of them teenagers—were sent to Auschwitz. Their government paid 500 Reichsmarks (about 160) apiece for the Nazis to take them as slave labour. Of those 999 innocent deportees, only a few would survive. The facts of the first official Jewish transport to Auschwitz are little known, yet profoundly relevant today. These were not resistance fighters or prisoners of war. There were no men among them. Sent to almost certain death, the young women were powerless and insignificant not only because they were Jewish—but also because they were female. Now, acclaimed author Heather Dune Macadam reveals their poignant stories, drawing on extensive interviews with survivors, and consulting with historians, witnesses, and relatives of those first deportees to create an important addition to Holocaust literature and women's history.
