Littlefield
There are lots
of athletic

events. They
include
running,
throwing
different
objects and
jumping in
different
ways. Are you
ready to learn
all about
science
behind

athletics?
**New
Rational
Athletics for
Boys and
Girls** Trafford
Publishing
Sports law is
an ever-
growing field
that requires
constant
updates,

analyses, and research. Rules of the Game: Sports Law provides the most up-to-date information on hot-button issues such as crime in sports—including sexual harassment and assault both on college campuses and in private homes—sports litigation—especially pertaining to concussions—and publicity, privacy, and defamation rights of the athlete in today’s social media-crazed

world where reputations can be destroyed in an instant. Rules of the Game is an engaging and informative book written by one of the leading authorities in the field. Michael E. Jones offers readers the basics—such as how contracts are formed, the rights of athletes, labor laws, the NCAA, and copyright and trademark laws—but also covers much more. Jones discusses such essential

topics as gender equity in sports, performance enhancing drugs and testing, international competition, and sports liability. The growth of multi-million and even billion dollar sports franchises requires enhanced professionalism in the area of negotiating sports and endorsement contracts, and the major players in the sports agency field are covered in full. Rules of the Game

contains appendixes that offer valuable resources, including a sample drug testing consent form, a standard player contract from the NFL, and a National Football League Players Association (NFLPA) representation contract. With key words and discussion questions at the end of each chapter, this book is a comprehensive yet highly readable text for both undergraduat

e and graduate students.
Sticker Dressing Extreme Sports Look Inside From a festival in ancient Greece to a worldwide event today, the Olympics have inspired athletes and supporters alike. Find out how the biggest sports event in the world was born and discover the amazing heroes who made Olympic history.
World Religions
 Usborne

Books
 A fun flap book that shows young children what goes on at major sporting events and introduces them to a range of different sports Look Inside Sports features scenes that include an Olympic style swimming pool, an athletics stadium, a ski slope, and a cycling velodrome. With over 100 flaps to lift, there's lots to discover on each brightly coloured page and plenty to

<p>keep curious minds occupied. <u>Sticker Dolly Dressing Sportsgirls</u> That's A Job From a festival in ancient Greece to a worldwide event today, the Olympics have inspired athletes and supporters alike. Find out how the biggest sports event in the world was born and discover the amazing heroes who made Olympic history.</p> <p>Track and Field Athletics First Sticker</p>	<p>Books An introduction to extreme sports including extreme cycling (BMX and mountain biking), air extremes such as skydiving and BASE jumping (including the highest ever skydive from space), urban sports skateboarding and parkour, high-risk free and solo rock climbing, and watery extremes such as surfing and whitewater kayaking. Small chunks of text combined with</p>	<p>lots of detailed pictures and thrilling subject matter make this an inspiring and informative book - suitable for all ages, including reluctant readers. Internet links allow readers to access more information online via carefully selected and monitored websites. Part of the Beginners Plus series which is designed to inspire boys to read by introducing a wide range of non-fiction</p>

Books

An essential

and concise

introduction to

eight of the

world's major

religions. For

the Christian,

there's value

in learning

about

different

religions and

unfamiliar

expressions of

belief. First of

all, it gives us

a greater

understanding

of the world

we live in. But

a study of

other faiths

can also

deepen our

own while

making us

more effective

witnesses to

those who

don't share a

belief in

Christ. In

World

Religions,

Gerald R.

McDermott

explains what

you need to

understand

about major

world religions

so that you

can be equipped to engage people of other faiths. McDermott offers an overview of the central beliefs of Christianity, Judaism, Islam, Hinduism, Buddhism, Confucianism, Daoism, and Shinto. Features include: Insights from members of each religious community. Discussions of each religion's major traditions, rituals, and leaders. A glossary of important

terms. *Sticker Dolly Dressing: Sports and Dancers* Usborne Books When did the Olympic Games begin? Who are the greatest athletes? With dramatic photos of Usain Bolt, Jessica Ennis-Hill and more, this is the story of the world's biggest multi-sport event, from Ancient Greece to present times. With internet links to selected websites, and index and contents

pages. Produced with the International Olympic Committee (IOC). Sports Wordsearches Usborne Books A newly revamped and updated sticker book displaying the energetic world of sports girls and dancers, packed with a variety of outfits from jodhpurs and leotards to tutus and ballroom dresses. With over 550 stickers to help the girls get ready for

a huge variety of sporting events and dances, including figure skating, surfing, ice hockey, belly dancing, samba, flamenco and many more. A great way for little children to find out about the many different types of sports and dancing that they may enjoy. This book contains the following titles, which are also published as separate Sticker Dolly Dressing books: Sports Girls and Dancers.

The Science of Athletics
Campbell
Books
For children who want to lose themselves in a world of football, this book covers football clubs, stadiums and even basic soccer skills. It is a fun-filled celebration of the world's most popular sport played by women, men, boys and girls all over the world. Learn about the history of the game, how footballs are made, and how YOU can become a top professional

player. Find out how your local club is run, visit a team's training ground, and pick up tips to sharpen your football skills.
Football Things to Make and Do
Usborne
Books
Demonstrates the game-changing power of perseverance. Through action-filled stories, captivating spreads, and a character-building quiz, readers will consider their own character and be encouraged to

take it to the next level.

The College Year-book and Athletic Record

Usborne Two books in one, this bumper activity book contains over 480 stickers with which to dress a range of sports people in the right kit for their chosen event. Includes rugby players, tennis players, footballers, Grand Prix drivers, free climbers, kite surfer, skateboarder, ice racers and lots more more. Part of

a collectible series. Not suitable for children under 36 months because of small parts.

Sticker Dolly Dressing

Look Inside Covers the various track and field events included in major competitions, and explains how they are organized, judged, and scored.

Look Inside Sports Sticker Dolly Dressing A handy pack of cards that makes a great gift Sports Snap is a classic 52-

card matching game with a sporting theme. Brightly illustrated with athletes taking part in a range of sporting events. Can also be used to play other memory, matching and sorting games.
