Draw on your inner darkness and unlock the secrets of the Hidden Kingdom Whether your demons are ancient spirits or demons of your own making, you must confront them in order to reclaim the power they have stolen. Guiding you through enchantments, demonic rituals, divine possession, necromancy, and occultus maleficum, this book helps you

cultivate and explore your forsaken shadows. When you peer behind the veil of comfort and face your most powerful fears, you can truly begin to refine and strengthen your own magical will. In Forbidden Mysteries of Faery Witchcraft, you will learn how to: Summon primal underworld goddesses of the elemental powers Walk the bone road and help trapped spirits cross over Become a worthy vessel for divine possession Perform as an oracle, speaking the wisdom of the gods on earth Cast and break curses, the dark art of offensive

magic The powerful techniques of the Faery Tradition of Witchcraft await. Through these rituals, you will glimpse the secret inner workings of nature herself and open the doorway to unimagined sources of energy.

Beautiful Vengeance (previously published as Forbidden Promises)

Routledge

Three years before Serenity Adams was elected sheriff of Blood Rock, she worked the beat in Indianapolis. Among her many arrests, she was instrumental in putting a deranged, yet highly intelligent, child killer behind bars. Now that the murderer has escaped prison, he has only one thing on his mind-to find the woman who captured him, and make her pay. For the first time ever, Serenity is the one being hunted, and everyone

she holds dear is in grave danger in this heart pounding, latest installment of Serenity's Plain Secrets.

**J. Vernon McGee on Prayer** Springer Science & Business Media

Protecting her from the fallen was his duty.Falling in love was never part of his plan.Loving her was forbidden.Being with her was all that mattered, even if it meant he would be exiled for all eternity.Claudia Emerson's life is about to change when her good friend, who coincidentally shares the same first and last name, dies in a tragic accident. Distraught at the loss of her friend, Claudia's dreams become tumultuous, and through them she mysteriously travels to another world called Crossroads. There, she unexpectedly meets Michael, a nephilim--half angel,

half human. Now that she's been there, fallen and demons are after her, suspecting she must be special, and it is up to Michael and the other nephilim to protect her. Her dream becomes a nightmare as more secrets are revealed about who she really is, and the true identities of the people she loves most.

**Women at the Crossroads** Mittal Publications

Thirty years after the end of the civil war, Lebanese women are still struggling for gender equality. This study builds on recent scholarship on women's activism in the Arab world, in the context of the Arab Spring. It examines how discourses of secularism and equal civil rights have informed the contemporary Lebanese women's movement in their campaigns for a domestic violence law, women's

nationality rights, a women's quota in parliament, the reform of personal status law and the recognition of civil marriage. This book argues that women are caught between sect and nation, due to Lebanon's plural legal system, which makes a division between religious and civil law. While both jurisdictions allocate women relational rights, guided by the logic of patrilineal descent, women's inequality is central to the reproduction of sectarian difference and patriarchal control within the confessional political system, as a whole.

Massekhet Hullin Edinburgh University Press

Award-winning author Nancy Moser brings readers a fresh contemporary novel. Nancy's ability to create memorable characters whose lives are

seamlessly woven together shines in "Crossroads." Weaver, Kansas, is dying-- and Madeline Weaver is determined to do whatever it takes to save it. Her solution: buy up the entire town and hold a contest to give away the land piece by piece, giving Madeline full control of who lives there. But once these modern pioneers accept the offer and populate the town, their lives intersect in ways completely out of Madeline's control. Suddenly Madeline is faced with secrets she has kept buried for years. This story of guilt, redemption, and renewed hope is sure to grip readers' hearts and leave them changed. Note: This book carries on the stories of Kathy and Roy Bauer, who readers met in the Mustard Seed Series [When Your Way Gets Dark](#) Rowman & Littlefield

Explores ways in which fiction yields transformative insights for educational theory and practice.

**Ten Thousand Crossroads** Xlibris Corporation

In this complete treasury of his best sermons on prayer, the world's most beloved Bible teacher--Dr. J. Vernon McGee--reveals the truth about communicating with God. In his own warm, inimitable style, Dr. McGee examines the role of prayer in the life of every believer. Dr. McGee uses biblical exposition to explore: why he considers prayer the Christian's "greatest neglected resource." the prayer styles of great men of faith including: Daniel, Abraham, Nehemiah. the "real" Lord's Prayer and its meaning for believers today. times when prayer does not seem

to have an effect. the secret to prayers of power. the proper posture of prayer. how Jesus intended that His followers pray.

Crossroads Thomas Nelson

Half-Seneca and half-white, Christian Hunter intends to prove himself by joining the Patriot cause. Liana Scott was raised to be a proper young lady, not a hooligan aroused by a dare-devil half-breed whose mother was once married to her father. Christian can't resist challenging Liana's high British opinions and when his taunts lure her into an affair, she loses everything. Disowned by her family, Liana must marry Christian who now faces an even greater challenge—proving to Liana how much he always loved her. Previously Titled: Forbidden Legacy REVIEWS: "...filled with

every nuance of growing love and trust." ~RT Magazine, TOP PICK THE HEARTS OF LIBERTY, in series order Savage Destiny Defiant Destiny Forbidden Destiny Wild Destiny Scarlet Destiny

How to Become a Modern Magus Good Press

An ordinary school day in Middlefield turns into a mystical tale filled with endless adventures of magic, fairies, flying horses, and danger. A modern-day saga of four young teens who find themselves trapped in another realm—"The Otherworld"—where they must abide by an evil druid's bidding or risk endangering the lives of their loved ones and the magical beings they have befriended.

The Forbidden Way John Wiley & Sons  
An array of leading Democrats,

Republicans, and independent thinkers provide a road map for America's political future. America is at a turning point. For the first time in history, the United States is the world's lone superpower—in Andrew Cuomo's words, "both the tamer and target of an unstable world." New technology and the omnipresent media have transformed the way we do everything, from amassing wealth to practicing politics. Simultaneously, the U.S. economy is in a shambles, with the largest federal budget deficit in our history. The coming octogenarian boom promises to put the greatest strain on federal government resources the United States has ever known, and America is faced with new security threats and diplomatic crises daily. The success of our nation in the

coming decades will depend on how our elected leaders respond to these challenges. Can the Democrats, divided and ineffectual since well before the crushing defeats of 2002, revitalize their agenda, forge a meaningful message, and end the Republican stranglehold on the federal government? Can Republicans, fresh from new victories, build on their successes? And how will a younger generation, largely alienated from both parties but often intensely political, articulate its desires in the years ahead? The writers invited by Andrew Cuomo to contribute to this landmark book, a who's who of American leadership, address these and other pressing questions of our political life. At once a diagnosis and a call to arms, *Crossroads* will set the terms of political

debate as America moves forward.

“Working with spirits can be some of the most dangerous yet some of the most gratifying work a magickal practitioner can engage in. With Jason as your guide in this book, you are in some of the best hands out there when it comes to approaching and working with spirits. This is a book I wish I had fifteen years ago when I began working closely with spirits.” —Mat Aurnyn, author of *Psychic Witch Throughout history, humans have sought power and knowledge from spirits. Learning how to conjure, communicate, and negotiate with these unseen powers is one of the keys to success in magic. Consorting with Spirits presents a detailed explanation of what*

spirits are, their different classifications, and how they exist in relation to the world we normally perceive. The reader will then learn a system of practices that will cultivate three main skills: The capacity to perceive spirits clearly, the ability to interact with them effectively, and the tools to deepen your relationships. It is this focus on deepening relationships and increasing clarity in communications that has been missing from much of the material about spirits. This book will teach you different ways of interacting with spirits, from offerings and invitations to forceful conjurations. With these tools in hand, you can work with your spirit allies to achieve any goal, from protection, to wealth, to vast knowledge. Consorting with Spirits shares: Proper training

necessary for calling and conversing with spirits. How to evaluate the messages you receive. A full view of different modes of contact and what situations each mode lends itself to Why the best sorcery is local. The tools to establish and maintain a long-term relationship with spirits (consorting). The 6 different manifestations of spirits and their corresponding magickal operations, qualities, benefits, and drawbacks. The 4 methods of interacting with spirits: prayer, conjuring, compelling, and evocation.

Drawing from his 35 years of blues encounters, Carroll analyzes performers and nine historic blues performances-- including the blues of Charlie Patton,

Skip James, Memphis Minnie, Muddy Waters, B.B. King, Jimi Hendrix, Eric Clapton, and others. (Music)

### **Bulletin de L'A.I.P.C.R.** BRILL

This book offers an introduction to the language of law from the perspective of logical semantics. As a logical tool, Boguslaw Wolniewicz's formal ontology of situations is adapted. The central issue addressed is the meaning of normative statements, primarily legal norms. The main outcome of the book consists in explications of several legal notions (including legal events, legal acts and legal rules) in terms of the formal ontology of situations. In addition, the book concludes that legal norms are sentences in a logical sense, so some are true, while others are false, and that their logical value does not depend on

whether or not they were adopted in the law-making process. Lastly, the book contends that there are semantic relations between orders that are similar to entailment, contradiction, opposition, and sub-opposition, despite the fact that orders are not sentences in a logical sense, i.e., they are neither true nor false. The book also presents some original Wittgenstein-style deontic logics built on the first order logic. The formal results are applied to selected problems in the theory of law, including the problem of the possibility of algorithmic application of legal norms.

ABOUT BOOK ONE AND THE BOOK SERIES The Giant Slayers is a story about a little league baseball team from

a small community. The story addresses the challenges that face these young people as they become a team made up of both boys and girls from different cultural backgrounds. The Giant Slayers is the first book in the series The Village of Crossroads. This multicultural community provides a setting where youth experience growing up in today's world. In this exciting adventure series the Giant Slayers, with prayer, faith, and the word of God to guide them, confront and grow through the challenging situations and choices before them. *The Forbidden Way* Balboa Press  
When Katia enrolled at Crossroads Academy she knew things weren't exactly going to be easy. The sole heir to the world's most powerful vampire, her presence was bound to cause a stir. But

nothing could have prepared her for this. Whispers follow everywhere she goes. So does trouble. Bodies start turning up in nearby Rutland and Katia is sucked into a twisted web of danger and deceit. Haunted by nightmares she can't explain and a thirst for blood that is never sated, Katia will do whatever it takes to keep her past buried. Nothing at Crossroads is what it seems and Katia's secrets may be the darkest of them all.

### **Jewish Childhood in the Roman**

**World** World Scientific

The author of *The Cleaner of Chartres* “brings Sigmund Freud together with a vivid, loquacious Tiresias for an intriguing retelling of the Oedipus myth” (Publishers Weekly). In the latest retelling of the world’s greatest stories in the Myth series from Canongate, the

highly regarded novelist Salley Vickers brings to life the Western world’s most widely known myth, Oedipus, through a shrewdly told exploration of the seminal story in conversation between Freud and Tiresias. It is 1938 and Sigmund Freud, suffering from the debilitating effects of cancer, has been permitted by the Nazis to leave Vienna. He seeks refuge in England, taking up residence in the house in Hampstead in which he will die fifteen months later. But his last months are made vivid by the arrival of a stranger who comes and goes according to Freud’s state of health. Who is the mysterious visitor and why has he come to tell the famed proponent of the Oedipus complex his strangely familiar story? Set partly in prewar London and partly in ancient Greece, *Where Three*

Roads Meet is as brilliantly compelling as it is thoughtful. Former psychoanalyst and acclaimed novelist Salley Vickers “draws suspense and even new meaning from a foundational Western myth” (Publishers Weekly) and revisits a crime committed long ago that still has disturbing reverberations for us all today. “Full of insight and humor, offering a glimpse into the workings of a great mind faced with the conundrum of human suffering.”—The Times “A novelist in the great English tradition of moral seriousness.”—The Washington Post

#### Crossroads in Literature and Culture

AuthorHouse

At first glance, Jake, Shayna, Seneca, and Conner seem like average teens. Maybe even like some kids you know.

But they're special. They know that magic, spells, and prophecies are real. In Crossroads and the Dominion of Four, author C. Toni Graham continues the tale introduced in Crossroads and the Himalayan Crystals. The teens have accepted their fate as defenders of the Otherworld. The realms mythical beings have chosen sides in a deadly magical war, but its not always clear to whom they pledge their allegiance. Jake, Shayna, Conner and Seneca must use their new magical abilities to battle treacherous creatures and face life-altering crossroads. Only a powerful druid and her loyal minions stand in their way to fulfilling their destiny of becoming the prophesized Dominion of Four. The Crossroads series brings together creatures and humans as they

fight for the common goal of returning harmony to the Otherworld and rid the realm of evil forever. Teen readers and fans of action-packed fantasy genres will enjoy this thrilling saga.

*Living By Faith* Chana Bracha Siegelbaum

NATIONAL BESTSELLER \* NEW YORK TIMES BESTSELLER \* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY, KIRKUS REVIEWS, AND THE GUARDIAN Jonathan Franzen's gift for wedding depth and vividness of character with breadth of social vision has never been more dazzlingly evident than in *Crossroads*. It's December 23, 1971, and the Hildebrandt family is at a crossroads. The patriarch, Russ, the associate pastor of a suburban Chicago church, is poised to break free of a

marriage he finds joyless—unless his brilliant and unstable wife, Marion, breaks free of it first. Their eldest child, Clem, is coming home from college afire with moral absolutism, having taken an action that will shatter his father. Clem's sister, Becky, long the social queen of her high school class, has veered into the era's counterculture, while their younger brother Perry, fed up with selling pot to support his drug habit, has firmly resolved to be a better person. Each of the Hildebrandts seeks a freedom that each of the others threaten to complicate. By turns comic and harrowing, a tour-de-force of interwoven perspectives and sustained suspense, *Crossroads* is the first volume of a trilogy, *A Key to All Mythologies*, that will span three generations and trace the

inner life of our culture through the present day. Set in a historical moment of moral crisis and reaching back to the early twentieth century, *Crossroads* is a sweeping investigation of human mythologies as the Hildebrandt family navigates the political, intellectual, and social crosscurrents of the past fifty years.

Where Three Roads Meet Cambridge University Press

The Babylonian Talmud's Tractate Hullin is the longest in the Order of Qodashim with twelve chapters and over 140 pages. The Order of Qodashim ("holy things") in general deals with the Temple. The word hullin, however, means "profane things" and actually describes the kosher slaughter of beasts for human consumption outside the

temple. Even though this topic is not overtly gendered, and neither does it pertain specifically to women, Tal Ilan discusses over 100 traditions that touch on women and gender. She shows that "women" forever served as good "tools" with which to discuss various topics such as halakhic reliability, or the use of magic, but more specifically that while the tractate is intensely interested in beasts and beast anatomy, women most often serve as points of comparison with beasts for authors of the Talmud. In this way, the rabbinic world view of the intermediate position of women between human and beast is repeatedly demonstrated throughout the tractate.

*At the Crossroads* Mohr Siebeck

Kate Elliott's *The Crossroads* series discounted ebundle includes: *Spirit Gate*,

Shadow Gate, Traitors' Gate In the land of the Hundred, peace has been hardwon--but a new army, led by a mysterious band of armed and soul-bonded corps that swoop across the skies, slowly casting a shadow over the world. Realizing they must avert the coming invasion, a large cast of engaging characters rise up to defend their people and regions against an epic landscape. With masterful storytelling, uniquely mythic characters and a compelling plot, Elliott captivates readers in The Crossroads series. Spirit Gate is the saga of a young woman, Mai, who, when she marries the mysterious Captain Anji, begins an adventure that will take her across distant lands, risking life and limb for a justice she can only imagine, fighting a fanatical army that is

determined to destroy all who stand in the way of a brutal campaign of conquest. Shadow Gate: The source of corruption of the Guardians is still a mystery to the mortals who fight to withstand the forces that have turned against them. And when three new Guardians emerge, a struggle begins among the immortals, with nothing less at stake than the future of the land and its gods. Traitors' Gate: The tumultuous conclusion of the epic fantasy Crossroads trilogy: A rich brew of politics, warfare, and social upheaval in a sweeping tapestry of a world in crisis, peopled with memorable characters and told with the power and pathos of a brilliant storyteller.
