Expo

Avoiding the excessive rigor of most intermediate texts, "A votre tour!" immerses students in authentic cultural contexts and language to achieve three key objectives: to build and reinforce oral and written communicative skills, to develop reading skills and cultural awareness, and to forge a strong linguistic base. "Reprise," the preliminary unit, engages students at their level. The ten "Unites" that follow each have a clearly defined three-part organization in which student-centered, collaborative activities promote effective self-

expression and foster critical thinking skills.
