## DALE BRAYLON

Elements Of Pop Up Illumination Arts  
Pub. Co.

When hunters invade the jungle, all the animals try to hide—except the tiger. He is strong, proud, and powerful; why should he flee like a bird or a monkey? But the humans are even more fearless than the tiger is, and he soon finds himself in a cage in the city. Will he ever see his home again? Illustrated in glowing colors, *The Last Tiger* is a thoughtful fable about the dangers of pride and the value of freedom.

Three-Eyed Frog Twirl

Young explorers: grab your ticket to a world of fun! Featuring 12 fully illustrated maps, this atlas is jam-packed with information about the different continents and each region's wildlife, food, architecture, and culture. The journey continues with more than 250 reusable stickers, eight perforated postcards, and a pocket-size passport with quizzes and cool facts. Curious kids will dream about their adventures to come.

Nuestro Planeta, la Tierra Macmillan

At first glance, all is still and quiet in the woods. But look closely through three coloured glasses to discover hidden secrets. As if by magic, each glass shows animals and plants coming to life. This product complies with the essential requirements of the relevant European health, safety and environmental protection legislation.

E. Aster Bunnymund and the Warrior

Eggs at the Earth's Core! National  
Geographic Books

Pablo Picasso: Meet the Artist! takes young readers on an interactive journey through the remarkable life of the

legendary Spanish painter. This engaging book uses a multitude of lift-the-flaps, cutouts, and pull tabs to explain how his art evolved over his lifetime—from his earliest painting at age seven to the great masterworks of *Les Demoiselles d'Avignon* and *Guernica*. Readers are encouraged to make their own cubist collage using an enclosed sheet containing an eclectic collection of images.

The Wonderful Fluffy Little Squishy Little,  
Brown Books for Young Readers

"A charming, interactive tale that can help young readers engage with reading—probably one that will earn that simple command, 'Again!'" —Kirkus Reviews There's no place like home. But poor Florence Firefly is lost, and there are so many bright lights shining in the night sky that she doesn't know which way to go. She'll need some help to find her way back home. In this clever interactive picture book, readers can participate in Florence's journey by encouraging her to fly faster, suggesting which direction to take, and making a wish.

Pangolina Princeton Architectural Press

Una colección que presenta tres libros con un formato enciclopédico particularmente atractivo, entretenido y dinámico. Más de 170 páginas de conocimientos con ilustraciones realistas, cómics y fotografías sobre temáticas que apasionan a los más jóvenes: los animales, las civilizaciones antiguas y el planeta Tierra. Con esta colección, ¡aprender será un placer!

Egyptomania La Bonita Ediciones

Three-Eyed Frog grew up in a polluted place. She jumped up high to find out what was going on. She soon discovered she wanted to change THINGS... Will she manage on her own? A story that gives us hope that we can find solutions in

common.

*Why Should I Save Water?* Little Simon  
For millennia, war was viewed as a supreme test. In the period 1750-1850 war became much more than a test: it became a secular revelation. This new understanding of war as revelation completely transformed Western war culture, revolutionizing politics, the personal experience of war, the status of common soldiers, and the tenets of military theory.

**The Inhabited Woman** Simon and Schuster

A series with unlikely heroes: Monsters that read and Alex, a young boy discovering books and friendship.

**A Home for Bird** Big Picture Press

Todos nacemos exploradores. Nos gusta descubrir y conocer nuevas cosas desde que somos pequeños. ¡Grandes descubrimientos han sido gracias a nuestra innata curiosidad! Pero con el tiempo, a veces pareciera que esa curiosidad desaparece, como una llama que se va apagando lentamente gracias a distracciones que no son malas pero sí «peligrosas» si se usan en exceso: la tv, los celulares y las consolas, que te dicen que solo mires el mundo a través de pantallas. El mundo es mucho más que eso, ¡y no es virtual! Por eso te invitamos a que salgas a explorar con lupas, palas, snorkel y linternas lo alucinante que es nuestro planeta. Mientras más conozcas distintos aspectos de él y te enamores de sus paisajes, sus ciclos y transformaciones, más te preocuparás por no dañarlo. Hoy la Tierra está en peligro debido al calentamiento global y todos debemos ayudarla a sanar. ¡Tienes mucho por vivir, y hay otros que vendrán después de ti! En este libro encontrarás diferentes acciones que podrás realizar para cuidarlo y convertirte en un agente

de cambio que explora, respeta, protege y defiende el medioambiente.

Everything I Know about Poop Pop-Up series

One morning, Eddie wakes up and hears her little sister say these words: birthday--mama--present--fluffy--little--squishy. Worried that her sister will find one before she does, Eddie runs off on a hunt. But where should she begin? At the neighborhood shops, maybe? Eddie's search, magical and entirely her own, leads her just where she needs to go.  
1001 Things to Spot in the Sea Firefly Books

Vernon the toad takes the silent Bird on a journey in hopes of finding Bird'shome. Full color.

*What's Hidden in the Woods?* Eerdmans Young Readers

A very funny story by Paula Merlán and Gómez about nose picking.

Fungarium Candlewick Press

The internationally successful Ultimate Book series expands its scope to embrace—very appropriately—the whole world! The Ultimate Book of Planet Earth offers lots of opportunity for hands-on interaction using flaps, pop-ups, and more! Pull a tab to see how magma erupts from a volcano, turn a page for a pop-up of a mountain range, or rotate a wheel to move the blades of a wind turbine! Planet Earth explores not only the geology of the Earth—oceans, continents, and the formation of mountains and volcanoes—but also its geography, atmosphere, and weather. A valuable reference book for any child!

*Yo exploro y cuido mi planeta* Monstruo Rosa

Lavinia is The Inhabited Woman: accomplished, independent, and fiercely modern. She is sheltered and self-involved, until the spirit of an Indian woman warrior enters her being, then

she dares to join a revolutionary movement against a violent dictator and—through the power of love—finds the courage to act. The Wisconsin edition is for sale only in North America.

**The Big Book of the Blue** Univ of Wisconsin Press

Brimming with things to find, count and talk about, this charming picture book provides hours of puzzle-solving fun. Spot crabs in a rock pool, whales on the horizon, shoals of fish in a coral reef and sunken treasure on a deep-sea dive. Excellent for encouraging concentration and attention to detail, as well as reinforcing counting skills - all in a playful, informative way.

If You Want to See a Whale Simon and Schuster

Find out all about Ancient Egypt in this beautifully illustrated and innovative Lift The Flap book. Learn what Ancient Egyptians wore, what's inside a pyramid, how a mummy is made and much much more by lifting the flaps and discovering the secrets hiding underneath!

**My First Book of Relativity** Chronicle Books LLC

Here at last is the definitive book on how to make a pop-up. Every aspect of the creation of a pop-up, known as paper engineering, is clearly and thoroughly covered. All types of parallel folds, angle folds, wheels, and pull tabs are accurately detailed verbally and visually, flat and in dimension. Also included is a history of pop-ups and a step-by-step

photographic essay on how a pop-up is made from start to finish. This guided tour is perfect for aspiring pop-up creators, paper engineers, students, and appreciators of this unique art form.

**The Night Eater** Nubeocho

Is it a book...or an electronic tablet? From bestselling author and Caldecott honoree Patrick McDonnell comes a timely tale in a tablet-shaped package that's perfect for today's legions of device-obsessed, digital-savvy children. Here is a hilarious (and heartfelt) reminder of how technology can take us backward...all the way to the times of prehistoric man! Tek is a cave boy in love with tech: his tablet, videogames, phone, and TV keep him deep in his cave, glued to his devices, day in and day out. He never sees his friends or family anymore--and his ability to communicate has devolved to just one word: "UGH!" Can anyone in the village convince Tek to unplug and come outside into the big, beautiful world? A distinctive, digitally-inspired package and design cleverly evokes the experience of using an electronic device that eventually shuts down...and after a magic page turn, Tek reconnects with the real world.

*The Last Tiger* Crackboom! Books

Come face-to-face with some of the most villainous and scurrilous rogues ever to sail the seven seas in these stories about pirates from all around the world.
