Fratelli Tutti Hunter Publishing, Inc
 Tutto bene! is an entertaining and comprehensive multi-level Italian language course for beginners, uniquely designed for both the classroom and a high degree of independent learning. Based on the communicative approach, the course comprises a combination of components in a range of media. Book 2 is for learners who already have a basic knowledge of Italian or who have completed level 1. In this level you will extend your range of conversation topics. Arrange an outing, deal with transportation and timetables and find your way around an Italian city or town. Learn to talk in more detail about yourself and your extended family. If you're interested in Italian food, this level is for you. You will learn the important language of recipes and cooking, enough to follow a class in Italian. Choose and buy ingredients at the market. Know the difference between gelato alla nocciola and gelato al lampone. Tutto bene! Book 2 provides strong consolidation, further developing your conversational and writing skills as well as your knowledge of grammar. The key components for each level of Tutto bene! are as follows: Tutto bene! book The book presents the Tutto bene! course in a format designed primarily for the classroom but accessible to the independent learner and complementary to the app. Each level of the course comprises a book with ten self-contained yet progressively linked lessons. Each lesson is carefully structured to introduce new language via an episode of the sitcom series followed by graduated conversation practise, ranging from limited to more open-ended dialogues where students apply the language they've acquired. Listening and responding activities are integral to each lesson, as are the simple explanations and deductive activities enabling students to understand the grammar. Writing activities are given at the end of every lesson and may be completed in

class or later. Tutto bene! sitcom In the Tutto bene! sitcom series we follow an almost-normal group of friends through their quotidian ups and downs living and working in Rome and on holidays in other parts of Italy. The off-beat humour, original soundtrack and idiosyncrasies of the characters in these short episodes are both entertaining and a great stimulus for learning, while importantly also serving to make the language memorable. By viewing an episode multiple times at intervals and particularly before starting a new lesson, students will recognise their progress with the language and gain a sense of accomplishment. The sitcom series is the foundation of the course, with a short episode of under four minutes' duration introducing the new language and themes for each lesson in the book and on the app. All episodes of the series can be easily accessed in and out of the classroom: search for LingoPont Tutto bene! on YouTube or download the LingoPont Italian app. LingoPont Italian app: Tutto bene! The app delivers the Tutto bene! course in an interactive mobile format allowing maximum learning flexibility. It is both a vibrant alternative to the classroom for wholly independent learners as well as a rich resource for classroom students to further revise, consolidate and practise. The app offers an engaging and culturally-immersive learning experience with instant feedback for students to monitor their progress. With a transparent structure and supported step-by-step learning in all the skills, students have the choice of working progressively through the course or working selectively on a particular area. Each lesson comprises an episode of the Tutto bene! sitcom series followed by vocabulary building, speaking, listening, pronunciation and writing activities and culminates in a quiz. There is also a grammar reference for each lesson. Download the LingoPont Italian app from the app store.

While waiting for construction to finish on his restaurant A Voce, Andrew Carmellini faced an unusual challenge. After a brilliant career in professional kitchens (including a 6-year tour as chef de cuisine at Café Boulud), he was faced with the harsh reality of life as a civilian cook: no prep cooks, no saucier, no daily deliveries - just him and his wife in their tiny Manhattan-apartment kitchen. Urban Italian is made up of the recipes that result when a great chef has to use the same resources available to the rest of us. In these hundred recipes - covering five distinct courses, cocktails, and base recipes - Carmellini shows how to make stunning, soulful food with nothing more than the ingredients, techniques, and time available to the ordinary home cook. Recipes include crisped artichokes with yogurt, mint, and sauce picante; duck meatballs with cherry moustarda sauce; roast pork with Italian plums and grappa; spicy cod with rock shrimp; and marinated grapes with red-wine granita. Along with the recipes (beautifully photographed by Quentin Bacon), Carmellini and his wife, Gwen Hyman, have written a number of sections to help readers bring home more of a great chef's experience. These begin with a narrative that traces Andrew's culinary education, and continue with short pieces on places and ingredients, placed alongside recipes to shed light on the history and practice of simple, beautiful cooking.

How to be Good is Nick Hornby's hilarious bestselling novel on life, love and charity 'I am in a car park in Leeds when I tell my husband I don't want to be married to him any more. . . ' London GP Katie Carr always thought she was a good person. With her husband David making a living as 'The Angriest Man in Holloway', she figured she could put up with anything. Until, that is, David meets DJ Goodnews and becomes a good person too. A far-too-good person who starts committing crimes of charity like taking in the homeless and giving their kids' toys away. Suddenly Katie's feeling very bad about herself, and thinking that if charity begins at home, then maybe its time to move. . . This laugh-out-loud novel, from the bestselling author of *About a Boy* and *High Fidelity*, will have you gripped from start to finish and will appeal to fans of David Nicholls and Jonathan Coe, as well as readers in need of a moral compass everywhere. 'Pins you in your armchair and won't let go . . . How to be Good? How to be bloody marvellous, more like' Mail on Sunday 'It does exactly what it says on the cover. Hornby's prose is artful and effortless, his spiky wit as razored as a number-two cut' Independent 'The writing is so funny, and the set-pieces so brilliant...Hornby's best book since *Fever Pitch*' Lynn Truss, *The Times* [Italien LV2 4e cycle 4 Tutto bene!](#) MacMillan Publishing Company Un cahier d'activité pour accompagner l'élève tout au long de l'année.
