**Suresh Joshi** Popular Prakashan Pvt Limited Jaishankar Prasad's epic poem Kamayani (1936) is a feast for intellectuals. It operates at three different levels: the gross or mythological, the emotional and the spiritual. Prasad infused

the vision of a rishi, a sage, into this work. The reader experiences poetic currents of human emotions - anxiety, hope, desire, love, shyness, sorrow, conflict - and finally emerges at an elevated level of consciousness.

*In the Dark* NYU Press This work has been selected by scholars as being culturally important, and is part of the knowledge base of

civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations.  As a story-writer Premchand had become a legend in his own lifetime. The firmament of Premchand's stories is vast. In view of variety of topics, he, as though, had encompassed the entire sky of humane world into

his fold. Each of Premchandji's stories unravels many sides of human mind, many streaks of man's conscience, the evils in some societal practices and heterogeneous angles of economic tortures. All this is done with complete artistry. His stories stir the readers' mind even today by means of their variegated layers of thoughts and feelings. They are all the heralds of human glories coming from the pen of a time-tested author. The very intrinsic nature of his

stories, their external formats unfold their entire uniqueness and appeal to the reader's mind. Owing to such special features Premchandji's stories are still relevant today, as much as they were five decades ago. The chief themes of his stories are rooted to the rural life with city social life appearing as the contrast to illustrate the complete picture of contemporary Indian life. The stories of Munshi Premchand, fighting on behalf of the downtrodden of the society, who are suffering

from the social and economic agonies, are the strongest assets of our Literature.

*Rasagaṅgādhara* Oxford University Press

Riches and knowledge of India have attracted many foreign invasions. Each time Indian culture has emerged stronger. Like a great melting pot, India has assimilated invading cultures and yet maintained its glorious core. What are the strengths of Indian culture that have enabled it to survive for thousands of years? Is it merely the

learning from mistakes of previous generations that shaped Indian culture or were there persistent scientific endeavors that shaped Indian society?

What kind of discoveries were Indians trying to make when three thousand years ago they were dealing with such large numbers as "1,971,956,574 years"? How did ancient Indians figure out that if you pierced the globe and emerged on the opposite side of globe from India, you will find an advanced culture (Americas)? What

is the driving force behind the predominance of vegetarianism in India? What enabled them to perform plastic surgery more than two thousand years ago? Did they know the role of the spleen in driving the characteristic red pigmentation of blood? This book tries to answer these questions. The intent of this book is to inspire the readers to explore further and understand deeply the undercurrents of science, arts, philosophy and spirituality that have shaped the Indian culture.

Vitthal, also called

Vithoba, is the most popular Hindu god in the western Indian state of Maharashtra, and the best-known god of that region outside India. His temple at Pandharpur is the goal of an annual pilgrimage that is one of the largest and most elaborate in the world. This book is the foremost study of the history of Vitthal, his worship, and his worshippers.

The first reader and introductory guide to literary theory—includes close readings and a full glossary and bibliography. Literary Theories is the

first reader and introductory guide in one volume. Divided into 12 sections covering structuralism, feminism, marxism, reader-response theory, psychoanalysis, deconstruction, post-structuralism, postmodernism, new historicism, postcolonialism, gay studies and queer theory, and cultural studies, Literary Theories introduces the reader to the most challenging and engaging aspects of critical studies in the humanities today. Classic

essays representing the different theoretical positions and offering striking examples of close readings of literature are preceded by new introductions which present the theory in question and discuss its main currents. With a full glossary and detailed bibliography, *Literary Theories* is the perfect introductory guide and reader in one volume. Included are essays by Roland Barthes, Jean Baudrillard, Homi K. Bhabha, Judith Butler, Terry Castle, Iain

Chambers, Rey Chow, Paul de Man, Jacques Derrida, Jonathan Dollimore, Terry Eagleton, Catherine Gallagher, Stephen Heath, Wolfgang Iser, Fredric Jameson, Hans Robert Jauss, Claire Kahane, Gail Ching Liang Low, Mary Lydon, Jean-François Lyotard, James M. Mellard, D.A. Miller, J. Hillis Miller, Louis Adrian Montrose, Michael Riffaterre, Avital Ronell, Nicholas Royle, Eve Kosofsky Sedgwick, Alan Sinfield, and Raymond Williams.

'Sevasadan' is one of the most representative novels of Munshi Premchand. Soon after it was published, the novel kicked up national debates on such pertinent social issues as prostitution and the place of women in the Indian society. Social taboos dominated the scenario as much as reformers' zeal to tight the rot in the social value system. The story oscillates round a glamour-struck young girl's life. who was brought up with utmost love and care but whose

father had to suffer ignominy at the hands of his adversaries for taking a once-in-lifetime bribe and being jailed for that. Her prospective engagement was broken because her mother, now made a destitute with her daughters, failed to meet the demand of dowry from the bridegroom's family. Hapless and stranded, she, along with her mother and sibling sister, was under care of her maternal-uncle. gets married to a middle-aged pauper and pushed to life-long poverty. She failed to

get what she had been dreaming for since her childhood. She fought continual battles between aspiration for a respected prosperous lifestyle, and the existing value system which forced her to live with poverty. By the turns of events she ends up into a life of a tawaif, hatefully tries to come out of the nuisance but the irony of fate makes her the centre-point of all debates on how prostitutes could be rescued and rehabilitated. 'Sevasadan' exposes the time Premchand lived in. It also

reflects how seriously the author had waged a battle, which is being fought in the Indian society even today.

In the grip of lust, Raja Karan Vaghela abducts the beautiful Roopsundari, his prime minister Madhav's wife. Fuelled by a desire for revenge, Madhav escapes to Delhi and persuades Sultan Alauddin Khilji to invade Gujarat and destroy Patan fort. This unleashes a

dramatic chain of events that forever ends Rajput rule in Gujarat, heralding the dawn of a new age. Rich in psychological insight and imbued with a poetic vision, Karan Ghelo tells the spellbinding tale of a man who tragically failed his land and its people.
