A Long Walk to Water Twinkl

Ocean Country is an adventure story, a call to action, and a poetic meditation on the state of the seas. But most importantly it is the story of finding true hope in the midst of one of the greatest crises to face humankind, the rapidly degrading state of our environment. After a near-drowning accident in which she was temporarily paralyzed, Liz Cunningham crisscrosses the globe in an effort to understand the threats to our dazzling but endangered oceans. This intimate account charts her thrilling journey through unexpected encounters with conservationists, fishermen, sea nomads, and scientists in the Mediterranean, Sulawesi, the Turks and Caicos Islands, and Papua, New Guinea.

Talk for Writing in the Early Years: How to Teach Story and Rhyme Involving Families 2-5 (Revised Edition)

Candlewick Press

A boy befriends a young caveman in this modern children's classic of friendship and adventure. Barney isn't supposed to go near the chalk pit. His grandmother and sister both told him the edge could give way and he could fall in—but what else is he supposed to do on a miserable gray day? It's not long before Barney falls into the pit and bumps his head. But where he lands is more than an old garbage dump: It's a home. There's a little hut built out of discarded junk, and more surprisingly, there's a boy, about Barney's age, inside. He speaks in grunts instead of English, wears a rabbit-skin loincloth, has shaggy black hair, and might be named something that sounds like "Stig." Barney befriends him immediately. Together, Barney and Stig go on all sorts of adventures, building a chimney for Stig's hut, joining a foxhunt, stopping robbers, and catching a leopard escaped from the circus! Barney and Stig's escapades have been delighting children for more than fifty years, while addressing important topics such as bullying, recycling, and language barriers. This timeless classic is sure to captivate readers young and old with its wit, imagination, and sense of adventure.

Pie Corbett's ground-breaking Talk for Writing approach has been successfully used by thousands of schools to teach writing creatively in an engaging way that motivates children. Now Pie and Julia take this multi-sensory approach to Early Years settings introducing a simple way to inspire young children's language development through storytelling. Children learn language through memorable, meaningful repetition. The Talk for Writing approach enables children to internalise the language of story so that they can imitate it, innovate on it and create their own effective stories independently. Talk for Writing in the Early Years will show you how to put rhyme and story at the heart of your work with children and parents so that young learners language development and creativity flourishes. This multimedia resource shows you how to:

- Select a story or rhyme the children will enjoy and tell it engagingly, encouraging the children to join in
- Use a story map so they can picture what happens
- Use actions to reinforce meaning and emphasise key language patterns
- Help children build a bank of tales, developing their linguistic repertoire

The 2 OLCs contain:

- 1 Footage of Pie Corbett conferences with EY teachers showing Talk for Writing in action
- 2 Clips of nursery children engaged in the Talk for Writing approach
- 3 Advice on how to use the OLC and handouts to train all staff in the approach
- 4 Interviews with parents and nursery school teachers on the impact of Talk for Writing
- 5 21 stories with story maps

The National Curriculum in England - Handbook for Primary Teachers Crocodile Books

A STUNNING PICTURE BOOK ABOUT ONE LITTLE GIRL AND HER ORANGUTAN FRIEND, BASED ON THE GREENPEACE FILM THAT BECAME A VIRAL SENSATION When a little girl discovers a mischievous orangutan on the loose in her bedroom, she can't understand why it keeps shouting OOO! at her shampoo and her chocolate. But when Rang-tan explains that there are humans running wild in her rainforest, burning down trees so they can grow palm oil to put in products, the little girl knows what she has to do: help save the orangutans! Published in collaboration with Greenpeace, featuring a foreword from Emma Thompson and

brought to life by award-winning illustrator Frann Preston-Gannon, this is a very special picture book with a vital message to share. This timely picture book focusing on the environmental crisis we all face includes information about orangutans and palm oil plus exciting ideas about how young readers can make a difference.

"My brother stood up so quickly he almost knocked Mama over. 'Why aren't you doing something? Do you know what the British are calling us? Hitler's canary! I've heard it on the radio, on the BBC. They say he has us in a cage and we just sit and sing any tune he wants.'" Bamse's family are theater people. They don't get involved in politics. "it had nothing to do with us," Bamse tells us. Yet now he must decide: should he take his father's advice and not stir up trouble? Or should he follow his brother into the Resistance and take part in the most demanding role of his life?

Dragons in the City Roaring Brook Press

Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.
