More than 10 years after Parenting Your Adult Child was published, much has changed - including young adults themselves, as well as their parents. Economic upheavals, challenges to traditional values and beliefs, the phenomenon of over-involved "helicopter parenting" - all make relating to grown children more difficult than ever. Yet at the same time, being a parent of an adult child can bring great rewards. This revised and updated version of Dr. Gary Chapman's and Dr. Ross Campbell's message will help today's parents explore how to really love their adult child in today's changing world. The book includes brief sidebars from parents of adult children and adult children themselves with their own stories. An online study guide will also be available.

How many Christian books about marriage would you say you have purchased and read? How many of them included solid biblical teaching, if any teaching, about the issue of in-law relationships? Over the years I have purchased and read hundreds of books on marriage and family issues. Surprisingly, a perusal of these books indicates that very little has been written on this subject. Its virtually an untouched area.

The book analyzes the place of religious difference in late modernity through a study of the role played by Jews and Muslims in the construction of contemporary Spanish national identity. The focus is on the transition from an exclusive, homogeneous sense of collective Self toward a more pluralistic, open and tolerant one in an European context. This process is approached from different dimensions. At the national level, it follows the changes in nationalist historiography, the education system and the public debates on national identity. At the international level, it tackles the problem from the perspective of Spanish foreign policy towards Israel and the Arab-Muslim states in a changing global context. From the social-communicational point of view, the emphasis is on the construction of the Self-Other dichotomy (with Jewish and Muslim others) as reflected in the three leading Spanish newspapers.

Faith's Checkbook, written by world-renowned British pastor Charles H. Spurgeon, provides daily deposits of God's promises into your personal bank of faith. Spurgeon urges you to view each Bible promise as a check written by God that can be cashed by personally endorsing it and receiving the gift it represents. Cash in on the bountiful store of blessings when you withdraw daily from the Bank of Faith. This captivating eBook devotional offers inspiration and delight in our Lord, and it encourages readers to take God's promises to heart in just a few minutes of reading each day. Each verse is followed by a brief thought or application, making this eBook ideal for personal or family devotions wherever you may go. The Table of Contents is linked so you can conveniently find your place where you left off. If you skip a day, no problem, you can easily begin on the next day's reading. "A promise from God may very instructively be compared to a check payable to order," wrote Spurgeon. "It is given to the believer with the view of bestowing upon him some good thing. It

is not meant that he should read it over comfortably, and then have done with it. No, he is to treat the promise as a reality, as a man treats a check."

Your life's calling is too important to let toxic people take it away. When to Walk Away draws from biblical and modern stories to equip you to handle toxic people and live true to your God-given purpose. As Christians, we often feel the guilt and responsibility of meeting the needs of unhealthy people in our lives. Whether a sibling, parent, spouse, coworker, or friend, toxic people frequently seek to frustrate our life's calling. While you're seeking first God's kingdom, they're seeking first to distract your focus and delay your work. Instead of attempting the impossible task of mollifying toxic people, it's time we dedicate our energy to a more worthwhile effort: completing the work God has given us by investing in reliable people. It's only when we learn to say no to bad patterns that we can say yes to the good work God has planned for us. Drawing from years serving as a pastor, Gary Thomas, bestselling author of Sacred Marriage, looks at biblical examples from the lives of Jesus, Paul, and Nehemiah to give you insightful, biblical takeaways that you can apply right away. You'll discover how to: Learn the difference between difficult people and toxic people Find refuge in God when you feel under attack Discern when to walk away from a toxic situation Keep a tender heart even in unhealthy relationships Grow your inner strength and invest in reliable people We can't let others steal our joy or our mission. It's time to strengthen our defense, learn to set healthy boundaries, and focus on our God-given purpose. It's time to know When to Walk Away.
