"Howard Pyle's Book of Pirates: Fiction, Fact & Fancy Concerning the Buccaneers & Marooners of the Spanish Main" by Howard Pyle is an illustrated romp of a history book that was written to teach children about the history of pirates. Pirates and high-seas adventures have always fascinated

readers and this book brings the history of the adventures of the Spanish buccaneers to readers all over the world.

Howard Pyle's Book of Pirates Fiction, Fact & Fancy Concerning the Buccaneers & Marooners of the Spanish Main Courier Dover Publications

"Howard Pyle's Book Of Pirates" is a collection of short stories recounting the rip-roaring adventures of swashbuckling pirates and buccaneers in the Spanish Main. Highly readable and magnificently illustrated by the author himself, this volume is highly recommended for those with an interest in pirates and related subjects.

Howard Pyle's Book of Pirates Good Press

This story is about pirates Buccaneers and Marooners, those cruel but picturesque sea wolves who once infested the Spanish Main.

Howard Pyle, the Artist, the Legacy CreateSpace

Pirates, Buccaneers, Marooners, those cruel but picturesque sea wolves who once infested the Spanish Main, all live in present-day conceptions in great degree as drawn by the pen and pencil of

Howard Pyle....It is improbable that anyone else will ever bring his combination of interest and talent to the depiction of these old-time Pirates, any more than there could be a second Remington to paint the now extinct Indians and gun-fighters of the Great West.

Howard Pyle's Book of Pirates Litres

Why is it that a little spice of devilry lends not an unpleasantly titillating twang to the great mass of respectable flour that goes to make up the pudding of our modern civilization? And pertinent to this question another—Why is it that the pirate has, and always has had, a certain lurid glamour of the heroic enveloping him round about? Is there, deep under the accumulated debris of culture, a hidden groundwork of the old-time savage? Is there even in these well-regulated times an unsubdued nature in the respectable mental household of every one of us that still kicks against the pricks of law and order? To make my meaning more clear, would not every boy, for instance—that is, every boy of any account—rather be a pirate captain than a Member of Parliament? And we ourselves—would we not rather read such a story as that of Captain Avery's capture of the East Indian treasure ship, with its beautiful princess and load of jewels (which gems

he sold by the handful, history sayeth, to a Bristol merchant), than, say, one of Bishop Atterbury's sermons, or the goodly Master Robert Boyle's religious romance of "Theodora and Didymus"? It is to be apprehended that to the unregenerate nature of most of us there can be but one answer to such a query. In the pleasurable warmth the heart feels in answer to tales of derring-do Nelson's battles are all mightily interesting, but, even in spite of their romance of splendid courage, I fancy that the majority of us would rather turn back over the leaves of history to read how Drake captured the Spanish treasure ship in the South Sea, and of how he divided such a quantity of booty in the Island of Plate (so named because of the tremendous dividend there declared) that it had to be measured in quart bowls, being too considerable to be counted. Courage and daring, no matter how mad and ungodly, have always a redundancy of vim and life to recommend them to the nether man that lies within us, and no doubt his desperate courage, his battle against the tremendous odds of all the civilized world of law and order, have had much to do in making a popular hero of our friend of the black flag. But it is not altogether courage and daring that endear him to our hearts. There is another and perhaps a greater kinship in that lust for wealth that makes one's fancy revel more pleasantly in the story of the division of treasure in the pirate's island retreat, the hiding of his godless gains somewhere in the sandy stretch of tropic beach, there to remain hidden until the time should come to rake the doubloons up again and to spend them like a lord in polite society, than in the most thrilling tales of his wonderful escapes from commissioned cruisers through tortuous channels between the coral reefs.

Howard Pyle (March 5, 1853 - November 9, 1911) was an American illustrator and author, primarily of books for young people. A native of Wilmington, Delaware, he spent the last year of his life in Florence, Italy. In 1894 he began teaching illustration at the Drexel Institute of Art, Science and Industry (now Drexel University). After 1900, he founded his own school of art and illustration, named the Howard Pyle School of Illustration Art. The scholar Henry C. Pitz later used the term Brandywine School for the illustration artists and Wyeth family artists of the Brandywine region, several of whom had studied with Pyle. Some of his more notable students were N. C. Wyeth, Frank Schoonover, Elenore Abbott, Ethel Franklin Betts, Anna Whelan Betts, Harvey Dunn, Clyde O. DeLand, Philip R. Goodwin, Thornton Oakley, Violet Oakley, Ellen Bernard Thompson Pyle, Olive Rush, Allen Tupper True, Elizabeth Shippen Green, Arthur E. Becher, William James Aylward, and Jessie Willcox Smith. Pyle's home and studio in Wilmington, where he taught his students, is still standing and is listed on the National Register of Historic Places.... His 1883 classic publication *The Merry Adventures of Robin Hood* remains in print, and his other books, frequently with medieval European settings, include a four-volume set on King Arthur. He is also well known for his illustrations of pirates, and is credited with creating what has become the modern stereotype of pirate dress.[2] He published his first novel, *Otto of the Silver Hand*, in 1888. He also illustrated historical and adventure stories for periodicals such as *Harper's Magazine* and *St. Nicholas Magazine*. His novel *Men of Iron* was adapted as the movie *The Black Shield of Falworth* (1954). Pyle travelled to Florence, Italy in 1910 to study mural painting. He died there in 1911 of a sudden kidney infection (Bright's Disease).

We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Howard Pyle's Book of Pirates (1903). By: *Howard Pyle* Independently Published

The Book of Pirates Highly readable, magnificently illustrated tales recount the rip-roaring adventures of swashbuckling pirates and buccaneers of the Spanish Main. Includes "The Ghost of Captain Brand," "Tom Chist and the Treasure Box," "Jack Ballister's Fortunes," "The Ruby of Kishmoor," and other tales. Enhanced with 63 of the author's own illustrations. *Otto of the Silver Hand* is a children's novel about the Dark Ages written and illustrated by Howard Pyle. It was first published in 1888 by Charles Scribner's Sons. The novel was one of the first written for young readers that went beyond the chivalric ideals of the time period, and showed how cruel the time period could really be. The book centers around the life of Otto, the son of German warlord Baron Conrad. Otto's mother, Baroness Matilda, has died in premature labour, brought on by the sight of the Baron's battle wounds, prompting Conrad to take his newborn son to be raised in a nearby monastery

[Howard Pyle's Book of Pirates](#) Cosimo Classics

Howard Pyle's Book of Pirates Pirates, Buccaneers, Marooners, those cruel but picturesque sea wolves who once infested the Spanish Main, all live in present-day conceptions in great degree as drawn by the pen and pencil of Howard Pyle. Pyle, artist-author, living in the latter half of the nineteenth century and the first decade of the twentieth, had the fine faculty of transposing himself into any chosen period of history and making its people flesh and blood again—not just historical puppets. His characters were sketched with both words and picture; with both words and picture he ranks as a master, with a rich personality which makes his work individual and attractive in either medium. He was one of the founders of present-day American illustration, and his pupils and grand-pupils pervade that field to-day. While he bore no such important part in the world of letters, his stories are modern in treatment, and yet widely read. His range included historical treatises concerning his favorite Pirates (Quaker though he was); fiction, with the same Pirates as principals; Americanized version of Old World fairy tales; boy stories of the Middle Ages, still best sellers to growing lads; stories of the occult, such as *In Tenebras* and *To the Soil of the Earth*, which, if newly published, would be hailed as contributions to our latest cult. In all these fields Pyle's work may be equaled, surpassed, save in one. It is improbable that anyone else will ever bring his combination of interest and talent to the depiction of these old-time Pirates, any more than there could be a second Remington to paint the now extinct Indians and gun-fighters of the Great West. Important and interesting to the student of history, the adventure-lover, and the artist, as they are, these Pirate stories and pictures have been scattered through many magazines and books. Here, in this volume, they are gathered together for the first time, perhaps not just as Mr. Pyle would have done, but with a completeness and appreciation of the real value of the material which the author's modesty might not have permitted. Merle Johnson.

Howard Pyle's Book of Pirates / Fiction, Fact Fancy Courier Dover Publications

"Important and interesting to the student of history, the adventure-lover, and the artist, as they are, these Pirate stories and pictures have been scattered through many magazines and books. Here, in this volume, they are gathered together for the first time, perhaps not just as Mr. Pyle would have done, but with a completeness and appreciation of the real value of the material which the author's modesty might not have permitted." --Merle Johnson, Foreword, 1921 *Howard Pyle's Book of Pirates--Fiction, Fact & Fancy* concerning the Buccaneers & Marooners of the Spanish Main (1921) is a beautifully illustrated book about pirates and buccaneers of the Spanish Main written by Howard Pyle, with his own 62 illustrations, including 13 color illustrations. It includes *The Ghost of Captain Brand*, *Tom Chist and the Treasure Box*, *Jack Ballister's Fortunes*, *The Ruby of Kishmoor*, and other tales. Although this is a 100-year-old book, the short stories remain an enjoyable read about the world of pirates.

Book of Pirates: Large Print By Howard Pyle For a time they had an easy thing of it, for each French

hunter roamed the woods by himself, with no better company than his half-wild dogs, so that when two or three Spaniards would meet such a one, he seldom if ever came out of the woods again, for even his resting place was lost. But the very success of the Spaniards brought their ruin along with it, for the buccaneers began to combine together for self-protection, and out of that combination arose a strange union of lawless man with lawless man, so near, so close, that it can scarce be compared to any other than that of husband and wife.
