Expanding ESL, Civics, and Citizenship Education in Your Community: A Start-Up Guide Silver Lake Publishing

Your total guide to putting a powerful management tool to work in your organization Why strategic planning? Because a well wrought strategic plan helps you set priorities and acquire and

allocate the resources needed to achieve your goals. It provides a framework for analyzing and quickly adapting to future challenges. And it helps all board and staff members focus more clearly on your organization's priorities, while building commitment and promoting cooperation and innovation But to be effective, your plan will need to address the special needs of the nonprofit sector. And for more than a decade, Strategic Planning for Nonprofit Organizations has been the number-one source of guidance on all facets of strategic planning for managers at nonprofits of every size and budget. This thoroughly revised, updated, and expanded edition arms you with the expert knowledge and tools you need to develop and implement surefire strategic plans, including tested-in-the-trenches worksheets, checklists, and tables--in print and on the companion website--

along with a book-length case study that lets you observe strategic planning in action. Packed with real-world insights and practical pointers, it shows you how to: Develop a clear mission, vision, and set of values Conduct SWOT analyses and program evaluations Assess client needs and determine stakeholder concerns Set priorities and develop core strategies, goals, and objectives Balance the dual bottom lines of mission and money Write and implement a solid strategic plan Develop a user-friendly annual work plan Establish planning cycles, gauge progress, and update strategies

Events Feasibility and Development: From Strategy to Operations answers two fundamental questions faced by all events planners and organizers: how do I justify this event to the client? and why are we spending money on this event?. With a user-friendly learning structure containing bullet points, questions and exercises and international case studies (Australian Taxation Office, Saudi Arabian events returns, Fuji-Xerox events), *Events Feasibility and Development: From Strategy to Operations* looks at issues such as: the process of creating a feasibility study events forecasting models and cost/benefit analysis types of events (exhibitions, sports, festivals) and their benefits and returns project management tools for measuring return on investment. Companion website: www.eventsfd.com -- contains

videos, colour photos and a list of related resources.

Humor That Works Government Printing Office

Few needs are more important to a nonprofit organization than funding for operating costs. In this new directory, nonprofits and other organizations seeking grants and funding opportunities to support general operating expenses will find over 1,300 current operating grants—organized by state—with contact and requirement information for each. Three user-friendly indexes (subject, sponsor, and geographic restriction) help grantseekers quickly find the ideal funding opportunity.
