This book describes results of different experiments and clinical trials exploring the effects of Reconnective Healing. Experiments during three years demonstrated that sessions of Reconnection Healing had statistically significant positive influence on the functional state, humoral activity, physical condition and reaction to loading for the group of people both immediately and in 10 days after the influence. This signifies long-lasting effect of Reconnection Healing and its significance for people's health and well-being. Reconnective Healing does not invoke a relaxation response in the person, but decreases both sympathetic and parasympathetic stimulation of the autonomic nervous system, as observed when a person is in a state of emotional detachment, inner quiet and heightened

awareness of the flow of subtle energy. These physiological responses are compatible with the Reconnective Healing principle of sensing and kinesthetically interacting with energy fields, as well as passively allowing the energy to flow through the body. One special effect of Reconnective Healing is structurization of Space in the auditorium, which affects all people present.

This volume represents the wisdom of the ascended masters condensed into concise keys that serve as a spiritual guide. There are 420 golden keys that present the multitude of methods, techniques, affirmations, prayers, and insights Dr. Stone has gleaned from his own background in psychology and life conditions and his thorough research of all the ancient and contemporary classics that speak of the path to God realization. The teachings of Sai Baba and other ascended masters are at the core of these keys, and the author has also drawn up on various spiritual scriptures such as the Bhagavad-Gita and the Bible. Especially valuable are practical methods to support the ascension process, such as journal writing and spiritual logs, as well as meditations and prayers.

Barbara Hand Clow channels the voice of Satya, a Pleiadian goddess. Satya describes the huge cosmic drama taking place simultaneously in nine dimensions, with Earth as the chosen theater. The Pleiadians are a group of enlightened beings who believe that the end of the Mayan Calendar will signal a critical leap in human evolution; the Pleiadians will be there to guide us for that leap. This shift is the coming Age of Light, and the entry of our solar system into the Photon Band and the Age of Aquarius.

Initiation in the Great Pyramid Granite Publishing

The Pleiadian Workbook is a direct transmission from the Pleiadian Emissaries of Light--Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amora Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

"This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them. It contains revolutionary new information on how to anchor and open our thirty-six chakras and how to build our light quotient at a rate of speed never dreamed possible. The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension. The map also charts the course for full cosmic ascension through the seven cosmic planes and forty-eight

dimensions of reality back to the Godhead and undifferentiated Source."

In this volume, which includes a faithful reproduction of Dewanchand Varma's original book on Pranotherapy, the reader can trace one of the early developmental branches of modern manual therapy and learn something of the eccentric life of one its early pioneers in the West. Phil Young has drawn the threads of this development together with the inclusion of the previously unpublished notebooks of another such pioneer, Dr Randolph Stone, a contemporary of Varma who, like Stanley Lief the founder of modern European Neuromuscular Technique, was influenced by Varma's work. Stone was the founder of his own system of manual therapy, which he called Polarity Therapy, and although it is similar to Varma's work, it has maintained to this day more of the original vitalistic, energy approach.

The fundamental cause of all human suffering is our existential state separated from our Monad. Many people think that success, happiness and wealth, depend on a lot of work and a lot of effort. It is part of the widespread belief that our life and destiny depend on divine or external factors that are beyond our control, such as God, luck, the country we were born in, the colour of our skin, our social status etc., But this is not true. There is no gods or demons planning or drawing our destiny or life. Our success, happiness and destiny do not depend on any external factor. We are the only builders and masters of our own destiny and life. This

is our divine inheritance: the power to choose, manifest and materialize our dreams. Our success and happiness only depends on our divine inheritance memory recovery. Our divine heritage is the connection to our Monad.

Reconnection to your Monad will activate your mastery over matter and the memory of your mission here on planet Earth. All kind of human suffering, of whatever nature or origin, such as loneliness, inability to find the ideal partner, sadness, depression, anxiety, stress, frustration, conflict in relationships, failure, unemployment and poverty are the different faces, expressions and manifestations of a single fundamental problem: The existential state separated from our Monad. Read this book, put the teachings into practice and regain your connection to your Monad. You will discover with great joy that God created you to be happy and that the universe was created to serve you and make your dreams come true. In this spiritual journey, you will receive as a prize from God your father-mother, the ability to attract into your life, your twin flame. Your twin flame is that part of you that completes and complements you. She is your ideal partner and your true Love that will support you in every moment of your life and she has been waiting for you since the beginning of time. Together with your twin flame, you will perform the journey back to your multidimensional origins. The key to the eradication of every form of suffering is the connection to your Monad, who in truth is the Mother of all your group Souls. That is why we call Her the Monadic Mother Soul.

*The Secrets of Amenti* Granite Publishing  
An attunement to connect you to your axiatonal lines, enabling more of your

Higher Self to flow through you and merging the personality and Higher Self into One. This releases the veils which have prevented you from manifesting your Higher Self on Earth. The intent is that whoever reads the words is connected to their axial lines. It is recommended this be received at least twice on separate days to strengthen the connection. You may call in the energy again when you are ready to receive again. Please remember to drink water and rest following each attunement. There may be a temporary purging process such as buzzing in the head, disorientation, slight dizziness and then sudden feelings of joy following each attunement. This is the release of veils and the merging with your Higher Self. Understand this purging process is only temporary and your great spirit will manifest more and more bringing you great moments and self-realization full of joy and love. Please read Usui Reiki Attunements by Chris Comish before receiving this attunement. Reviews "Chris is an amazing person with a strong will and unlimited talent. He can do anything that he puts his mind to." - Neal Parks, founder, Parks Paranormal Research and Investigation, host of the show Paranormally Speaking "I have no reservations in highly recommending this groundbreaking work from a spiritual pioneer who has made it his life's mission to bring the Light to all mankind." -Mary Keating, Reiki master, owner and founder of Ai Kansha cat sanctuary "Chris is an amazing man and a greatly gifted healer. A nationally known astrologer explores the connection between spiritual emergencies at age 30, 40, and 50 and key astrological passages of Saturn, Uranus, and Chiron. • Provides techniques for directing the kundalini energy released during planetary passages for optimal personal and psychic development. • Includes charts for birth years starting in 1930 so that readers can determine the timing of their planetary passages. • By Barbara Hand Clow, author of the bestselling Pleiadian Agenda (60,000 copies sold). Kundalini--the energy of eros that lies at

the base of the spine--can be overwhelming once activated. Times of activation coincide with the key astrological passages of Saturn, Uranus, and Chiron in one's birth chart and are often experienced as periods of spiritual emergency, confusion, and imbalance. In *Liquid Light of Sex*, Barbara Hand Clow opens up new dimensions for understanding what occurs during these key life passages, which most of us experience three times in our lives. In the author's words, "we form at age 30, we transform at age 40, and we transmute at age 50." Focusing on the transformation at age 40--the time of imbalance and spiritual confusion often referred to as the "midlife crisis"--she explores how kundalini energy, the liquid light of sex, can be creatively channeled by unblocking the chakras. Offering effective methods for achieving physical, emotional, and spiritual growth during this important life passage, *Liquid Light of Sex* presents a roadmap for using

celestial cycles to navigate positively and productively in times of great life change.
