NEW YORK TIMES BESTSELLER Featured as One of Summer's most anticipated reads by the Los Angeles Times, Vogue, Vulture, Entertainment Weekly, ELLE, Buzzfeed, and Bitch Media. From the author of *I Don't Want to Die Poor* and in the style of New York Times bestsellers *You Can't Touch My Hair*, *Bad Feminist*, and *I'm Judging You*, a timely collection of alternately hysterical and soul-searching essays about what it is like to grow up as a creative, sensitive black man in a world that constantly tries to deride and diminish your humanity. It hasn't been easy being Michael Arceneaux. Equality for LGBTQ people has come a long way and all, but voices of persons of color within the community are still often silenced, and being Black in America is...well, have you watched the news? With the characteristic wit and candor that have made him one of today's boldest writers on social issues, *I Can't Date Jesus* is Michael Arceneaux's impassioned, forthright, and refreshing look at minority life in today's America. Leaving no bigoted or ignorant stone unturned, he describes his journey in learning to embrace his identity when the world told him to do the opposite. He eloquently writes about coming out to his mother; growing up in Houston, Texas; being approached for the priesthood; his obstacles in embracing intimacy that occasionally led to unfortunate fights with fire ants and maybe fleas; and the persistent challenges of young people who feel marginalized and denied the chance to pursue their dreams. Perfect for fans of David Sedaris, Samantha Irby, and Phoebe Robinson, *I Can't Date Jesus* tells us—without apologies—what it's like to be outspoken and brave in a divisive world.

"I'm pretty sure I'm the only guy in my school who can replace a faulty kick-down switch and also create the perfect smoky eye." The Weyward family has been haunted by a curse for generations—if a Weyward falls in love before their seventeenth birthday, the person they love dies. Sam doesn't plan to fall for anyone in the weeks before his birthday. He'll spend his time working at the Eezy-Freeze with his dad; cooking up some midsummer magic with his grandmother, great-grandmother, and great-great-grandmother (the Grands); and experimenting with drag with the help of the queens at the Shangri-La, the local gay club. But when a new guy comes to town, Sam finds himself in trouble when they strike up a friendship that might be way more than that. As Sam's birthday approaches and he still hasn't quite fallen in love, the curse seems to get more powerful and less specific about who it targets. A mysterious girl Sam talks to on the phone late at night and a woman he's only seen in a dream might have the answers he's been looking for—but time is running out to save the people he cares about.

Are you ready to make your dreams come true? Michael Neill is widely recognized as one of the world's leading life coaches, and his teachings have impacted everyone from housewives to CEOs and from gang members in prison to leaders at the United Nations. For the last decade, he has been sharing the principles that will allow you to create far more than you ever thought possible with far less struggle than you expected. Thousands of people from all over the world have already used the principles behind this 90-day program to reconnect with their creative spark and get their most important ideas and projects out of their head and into the world. Now it's your turn... What if you could accomplish more than you ever imagined without the constant stress and pressure associated

with "high achievement?" What if creating what you want to see in the world isn't dependent on believing in yourself, or even believing that it's possible? Whether you want breakthrough results for your business, yourself, or your life, this book will change the way you see yourself as you learn to make the impossible possible!

The Handbook for Great Camps and Retreats Tibet House

Theology of the Body Institute Press releases the first-ever English language edition of a long-lost treasure from the St. John Paul II (Karol Wojtyla) archives. Originally delivered in 1962 for artists, "God Is Beauty" features Karol Wojtyla's penetrating spiritual exercises on divine beauty and its reflection in our humanity (and in the art we produce). The retreat itself, of course, forms the heart of this attractive volume. To aid you in mining its many riches, it is followed by an extensive commentary by Dr. Christopher West and various shorter reflections from authors who are distinguished in the fields of theology and art and whose hearts and works have been transformed by the themes in this retreat. In this book, you will be shown:* The interior journey of "the ache" an artist must take to produce transcendent art.* How artists should process the tensions in life that can inform their work.* The one thing necessary to make everyone's life a reflection of divine beauty. Reflections from artists and theologians who are living out the themes of this retreat. * A road map for the Church to reclaim its role as the world's Patron of the Arts. Saint John Paul II (born Karol Jozef Wojtyla in 1920) was an actor, poet, and playwright before being ordained to the priesthood in Communist-occupied Poland in 1946. Ordained a bishop in 1958, he contributed significantly to the Second Vatican Council (1962-1965) and was made a cardinal by Saint Paul VI in 1967. After the second papal conclave of 1978, Wojtyla became the first non-Italian pope in over 400 years. Having successfully fulfilled what he considered to be his mission to lead the Church into the third millennium, he died as one of the longest reigning popes in history on April 2, 2005. He was beatified by his immediate successor Pope Benedict XVI on May 1, 2011, and canonized by Pope Francis on April 27, 2014.

Going a day retreat or quiet day is a regular activity for many local churches. During the preparatory seasons of Advent and Lent, they are especially popular. While many retreat houses and religious communities offer a program for such days, many groups prefer a do-it yourself approach. This resource contains twelve complete day-long programs that are focused around different themes and are appropriate for use at varying times of the Christian year. It is suitable for all ages and assorted pastoral contexts. It also gives step-by-step instructions on creating your own program from scratch. Each session includes: opening worship, short talk 1, reflection exercise, short talk 2, second reflection exercise, prayers and blessings. Additionally there are leaders' notes on all practical aspects of planning and conducting such a day, from booking the venue to handout templates. This new edition comes with download able worship and reflection materials to enrich your program.

At the moment of crisis in 1941 on the Eastern front, with the forces of Hitler massing on the outskirts of Moscow, the miraculous occurred: Moscow was saved. Yet this turning point was followed by a long retreat, in which Russian forces, inspired by old beliefs in the sacred motherland, pushed back German forces steeled by the vision of the ubermensch, the iron-willed fighter. Many of Russia's 27 million military and civilian deaths occurred in this desperate struggle. In *THE RETREAT*, Michael Jones, acclaimed author of *LENINGRAD*, draws upon a mass of new eye-witness testimony

from both sides of the conflict to tell, with matchless vividness and comprehensiveness, of the crucial turning point of the Second World War - the moment when the armies of Hitler could go no further - and of the titanic and cruel struggle of two mighty empires.

OneCry: A Call to Spiritual Awakening is a challenge, a plea for readers to shake off spiritual apathy and wake up to the hope of God moving with extraordinary power in our day. It paints a picture of both desperation and hope; without spiritual revival our country has no hope, but when it comes we will need no other hope. Drawing on an abundance of stories from ordinary people who have experienced the power of life-changing revival in their own lives, this book provides a contemporary roadmap for spiritual awakening and real revival. Passionate and story-rich, OneCry engages readers to seek God urgently at this moment in history, it inspires them with hope for what God can do, and it invites them to join a growing movement of believers who are uniting in one cry for revival and spiritual awakening. It is a summons to join together in a single focus: passionate prayer for revival in our nation like hasn't been seen in nearly two hundred years.

This beautiful trade-paper graphic novel tells the story of one man taking on an empire, calling for truth, peace, and justice for his Tibetan people. Here, in full color for the first time, people can come to know the whole drama of his lifelong struggle. Since the age of 15, the Dalai Lama has defended his people against one of the last great empires, the People's Republic of China. Under its "dictatorship of the proletariat," China began to invade Tibet in 1950, decimating and then continually oppressing its people. Since colonialism cannot be practiced in our era of self-determined nations, China always maintains that the Tibetans are a type of Chinese, using propaganda and military power to crush Tibet's unique culture and identity. Yet the Dalai Lama resists by using only the weapon of truth—along with resolute nonviolence—even worrying some of his own people by seeking dialogue and reconciliation based on his more realistic vision. The great 14th Dalai Lama of Tibet has become the first global Dalai Lama, a prominent transnational leader of all who want to make the dramatic changes actually necessary for life on earth to thrive for centuries to come. Considered the incarnation of the Buddhist savior Chenrezig or Avalokiteshvara—archangel of universal compassion—he is believed to appear in many forms, at many different times, whenever and wherever beings suffer. Representing the plight of his beloved Tibetan people to the world, he has also engaged with all people who suffer oppression and injustice, as recognized in 1989 by his being awarded the Nobel Peace Prize. Most importantly, the Dalai Lama walks his talk throughout these pages, as he has throughout his life, and he radiates a powerful hope that we can and will prevail. Man of Peace presents the inside story of his amazing life and vision, in the high tension of the military occupation of Tibet and the ongoing genocide of its people—a moving work of political and historical nonfiction brought to life in the graphic novel form—here for all to see.

Camps and retreats are an essential part of every youth ministry. But could your camping ministry use a new perspective, a fresh sense of creativity, and practical ideas that will help your kids see that God is relevant to their lives today? In 'The Youth Specialties Handbook for Great Camps and Retreats', veteran youth minister and camp director Chap Clark opens his comprehensive tool kit of camp and retreat concepts and ideas as he shows you how to build an effective, exciting camping program from the ground up. First, Clark calls for a rethinking of camping ministry that puts the needs of kids first. He then offers seasoned advice on how to use the basic tools of camping ministry - group-building activities, music, speaking, small groups, and more - in relevant new ways. He covers topics such as developing a camping strategy, how to train your camp staff, taking a fresh look at music, and the strengths and dangers of humor. You'll find everything you need in 'The Youth Specialties Handbook for Great Camps and Retreats' - how to plan a budget, how to deal with problem kids, how to work with property managers, and much more. Clark also includes complete plans for specialized camps such as discipleship camping, service retreats, outreach camping, planning retreats, and recreation retreats.

Why is revenge such a pervasive and destructive problem? How can we create a future in which revenge is less common and forgiveness is more common? Psychologist Michael McCullough argues that the key to a more forgiving, less vengeful world is to understand the evolutionary forces that gave rise to these intimately human instincts and the social forces that activate them in human

minds today. Drawing on exciting breakthroughs from the social and biological sciences, McCullough dispenses surprising and practical advice for making the world a more forgiving place. Michael E. McCullough (Miami, Florida), an internationally recognized expert on forgiveness and revenge, is a professor of psychology at the University of Miami in Coral Gables, Florida, where he directs the Laboratory for Social and Clinical Psychology.

Business retention and expansion (BRE) is regarded as the most practical and accessible method for economic development at the city, town, or neighborhood scale. This comprehensive volume centers on the belief that BRE is the top responsibility for a community economic development official. BRE is an asset-based approach designed to systematically strengthen the connection between businesses and the community while encouraging each business to continue operations and expand in the community. It focuses on the community's existing businesses instead of those it doesn't have. This book illustrates many different facets of BRE, from big-picture and theory to lessons learned about BRE from practitioners and academics with diverse perspectives and backgrounds.

The authors demonstrate diverse ways of reaching out and responding to existing businesses. They explore several topics related to or at the very heart of BRE including: business clusters, entrepreneurship, community outcomes, business assistance, transportation systems, energy efficiency, business succession, and defining BRE success. These include research, program evaluation, and case studies. This book offers both theoretical and applied points of views, and will be of great interest to local practitioners, state/provincial officials, and students of economic development. It was originally published as a special issue of the journal Community Development.

Grieving Hearts in Worship offers an in-depth opportunity to answer challenging questions concerning a growing disconnect between how we grieve and how we worship God. Through the use of stories, poetry, creative worship services and thought-provoking discussions, Landon shares his unique understanding of the nature of our need for rituals in worship as a beneficial part of our journey towards healing. By exploring major thoughts and writings on grief, he identifies common threads, weaving together a living tapestry that expresses the depth of personal and communal experiences of grief. Reading this contemplative approach to discussing grief and its place in worship will open your eyes to a new way of seeing God's love for the grieving. The book's practical suggestions offer church leaders and members a blend of topics, worship services, and reflection questions that include: ? Attitudes About Death and Grief ? Annual Remembrance Services ? Finding Hope in Brokenness ? Anger and Vulnerability in Worship ? Rediscovering Joy ? Walking the Labyrinth ? When A Church Dies

From a Pulitzer Prize and National Book Award finalist, a ferociously intimate story of a family facing the ultimate question: how far will we go to save the people we love the most? When Margaret's fiancée, John, is hospitalized for depression in 1960s London, she faces a choice: carry on with their plans despite what she now knows of his condition, or back away from the suffering it may bring her. She decides to marry him. *Imagine Me Gone* is the unforgettable story of what unfolds from this act of love and faith. At the heart of it is their eldest son, Michael, a brilliant, anxious music fanatic who makes sense of the world through parody. Over the span of decades, his younger siblings -- the savvy and responsible Celia and the ambitious and tightly controlled Alec -- struggle along with their mother to care for Michael's increasingly troubled and precarious existence. Told in alternating points of view by all five members of the family, this searing, gut-wrenching, and yet frequently hilarious novel brings alive with remarkable depth and poignancy the love of a mother for her children, the often inescapable devotion siblings feel toward one another, and the legacy of a father's pain in the life of a family. With his striking emotional precision and lively, inventive language, Adam Haslett has given us something rare: a novel with the power to change how we see the most important people in our lives. "Haslett is one of the country's most talented writers, equipped with a sixth sense for characterization"-Wall Street Journal "Ambitious and stirring . . . With *Imagine Me Gone*, Haslett has reached another level."-New York Times Book Review

Finalist for the 2022 Minnesota Book Award in Poetry "Sometimes," Michael Kleber-Diggs writes in this winner of the Max Ritvo Poetry Prize, "everything reduces to circles and lines." In these poems, Kleber-Diggs names delight in the same breath as loss. Moments suffused with love—teaching his daughter how to drive; watching his grandmother bake a cake; waking beside his beloved to ponder trumpet mechanics—couple with moments of wrenching grief—a father's life ended by a gun; mourning children draped around their mother's waist; Freddie Gray's death in police custody. Even in the refuge-space of dreams, a man calls the police on his Black neighbor. But *Worldly Things* refuses to "offer allegiance" to this centuries-old status quo. With uncompromising candor, Kleber-Diggs documents the many ways America systemically fails those who call it home while also calling upon our collective potential for something better. "Let's create folklore side-by-side," he urges, asking us to aspire to a form of nurturing defined by tenderness, to a kind of community devoted to mutual prosperity. "All of us want," after all, "our share of light, and just enough rainfall." Sonorous and measured, the poems of *Worldly Things* offer needed guidance on ways forward—toward radical kindness and a socially responsible poetics.
