Benefits of reading Durga Saptashati: It gives you strength, great mental balance, bliss and success. It keep bad energies away It helps to fulfill your desires It destroys evil powers around you The most popular work describing the supernatural elemental powers of the Universal Mother (Durga) is "Durga Saptashati" a collection of 700 verses singing Her glory and how to take Her refuge? Discover the secrets to finding inner peace and happiness through ancient spiritual practices and wisdom. Gain a deeper understanding of yourself and the world around you, unlocking a path to true fulfillment and purpose. Learn powerful techniques for cultivating mindfulness, gratitude, and compassion in your daily life. Explore the transformative power of meditation, prayer, and other spiritual practices to achieve a higher level of consciousness. Expand your spiritual knowledge and deepen your connection with the divine through insightful teachings and guidance. Gain clarity and insight into life's most profound questions, including the nature of existence, purpose, and the afterlife. Experience profound personal growth and transformation through the profound wisdom and insights contained in this powerful spiritual guide. Join a community of like-minded individuals committed to spiritual growth and transformation, sharing in the journey together.

AKASHVANI Geeta Sureshkumar Bhatt (Surgeet)

India traces its roots to sages, rishis, and seers of truth. It is proud to trace its ancestry to the half-clad sages who had nothing in this world and yet ruled the hearts of millions, sages to whom the even mighty emperors bowed down and sought counsel from. It is pride in our glorious past and ancestors that inspire us to strive to create a better country for the future generations. This book published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math presents short lives of thirty-four of our ancient sages and seers. A detailed Glossary and Genealogy enhance the value of the book.

Chandī-Di-Vaar: Punjabi with English Translation Chandra Shekhar Kumar

Devi Mahatmayam, also known as Durga Saptashati, Sri Chandī or Saptashati, is from the Markandeya Mahapurana. Devi Mahatmayamm literally means 'Glory of the Goddess'. Here the seven hundred mantra story describes the victory of the Goddess over the Asuras (Madhu-Kaitabha, Mahishasura and Shambha-Nishumbha) - representing the conquest and freedom from the tamsik Mahakali (Chapter 1), rajsik Mahalakshmi (Chapters 2-4) and satvik Mahasaraswati (Chapters 5-13) forces. Her adversaries represent the all-too-human impulses arising from the pursuit of power, possessions, pleasure and from the illusions of self-importance. The Devi, personified as one supreme Goddess and many goddesses, confronts the demons within us - representing the field of human consciousness within each person.

Chandī Homa Devi Stuti Publications Division (India), New Delhi

The entire Chandī Pāṭhaḥ purports to be a bridge or commentary on the two Rig Vedic hymns included at its beginning and end: the Rātri Sūktam, Praise to the Night of Duality, and the Devi Sūktam, Praise to the Goddess who is Unity. The 700 verses of DurgāSaptaśatī, or Chandī Pāṭhaḥ, tell us how to make the journey from duality to unity, by calling upon the Divine Mother to withdraw Her energy from negativity and give it unequivocally to positivity. Contained within are the Bija mantras which represent the 700 verses. The text is presented in Devanagari, Roman transliteration, and English translation

In Praise of the Goddess Penguin Books India

Hinduism has two major roots. The more familiar is the religion brought to South Asia in the second millennium BCE by speakers of Aryan or Indo-Iranian languages, a branch of the Indo-European language family. Another, more enigmatic, root is the Indus civilization of the third millennium BCE,

which left behind exquisitely carved seals and thousands of short inscriptions in a long-forgotten pictographic script. Discovered in the valley of the Indus River in the early 1920s, the Indus civilization had a population estimated at one million people, in more than 1000 settlements, several of which were cities of some 50,000 inhabitants. With an area of nearly a million square kilometers, the Indus civilization was more extensive than the contemporaneous urban cultures of Mesopotamia and Egypt. Yet, after almost a century of excavation and research the Indus civilization remains little understood. How might we decipher the Indus inscriptions? What language did the Indus people speak? What deities did they worship? Asko Parpola has spent fifty years researching the roots of Hinduism to answer these fundamental questions, which have been debated with increasing animosity since the rise of Hindu nationalist politics in the 1980s. In this pioneering book, he traces the archaeological route of the Indo-Iranian languages from the Aryan homeland north of the Black Sea to Central, West, and South Asia. His new ideas on the formation of the Vedic literature and rites and the great Hindu epics hinge on the profound impact that the invention of the horse-drawn chariot had on Indo-Aryan religion. Parpola's comprehensive assessment of the Indus language and religion is based on all available textual, linguistic and archaeological evidence, including West Asian sources and the Indus script. The results affirm cultural and religious continuity to the present day and, among many other things, shed new light on the prehistory of the key Hindu goddess Durga and her Tantric cult.

Widely read, The Bhagavad Gita is a classic of world spirituality while The essential companion to The Bhagavad Gita, The Uddhava Gita has remained overlooked. This new accessible and only English translation in print of The Uddhava Gita offers a previously unexplored path to understanding Hinduism and Krishna's wisdom. Written centuries apart, the ideas of the two dialogues are similar although their approach and contexts differ. The Bhagavad Gita is filled with the urgency of battle while The Uddhava Gita takes place on the eve of Krishna's departure from the world. The Uddhava Gita offers the reader philosophy, sublime poetry, practical guidance, and, ultimately, hope for a more complete consciousness in which the life of the body better reflects the life of the spirit.
