More Than Two: A  
practical guide to  
ethical polyamory to  
help you find your own  
way.

**How to Talk to Your**

**Kids about Your Divorce** Moody Publishers  
Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for

yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life. *Aggression in Man and Animals* Createspace Independent Publishing Platform  
Society tells us that sex is an act of self-expression, a personal choice for physical pleasure that can be summed up in the ubiquitous phrase: "hooking up". Millions of American teenagers and young adults are finding that the psychological baggage of such behavior is having a real and lasting impact on their lives. They are discovering that "hooking up" is the easy part, but

“unhooking” from the bonds of a sexual relationship can have serious consequences. A practical look into new scientific research showing how sexual activity causes the release of brain chemicals, which then result in emotional bonding and a powerful desire to repeat the activity. This book will help parents and singles understand that “safe sex” isn't safe at all; that even if they are protected against STDs and pregnancy, they are still hurting themselves and their partner.

Press “send” for amazing results! With 52 E-mails to Transform Your Marriage, you'll find a year's worth of e-mails

to help you reconnect with your spouse, reignite intimacy, and keep your love alive. There's no doubt marriage can be a challenge—we've all heard that half of marriages end in divorce. A common problem you may face as a couple is feeling stuck or disconnected—lonely within the marriage—as if you and your spouse were worlds apart, even as you present a united front. Attempts to discuss the problem may lead to painful arguments, and even couples therapy may prove more expensive and time-consuming than effective, putting each of you on the spot and moving so quickly that you may leave, session after session, without feeling closer.

E-mail, however, can be a much less threatening way to communicate your true thoughts and feelings. Based on the author's popular online relationship coaching sessions, each chapter of this book provides an e-mail writing assignment focused on a different topic, such as sex, intimacy, communication, trust, and the future. These weekly assignments will grant you both the time to write—which can be extremely therapeutic in itself—and read what the other has to say without the need for an immediate response. With 52 E-mails to Transform Your Marriage, you'll discover useful tips for good communication, learn how to respond to messages with

empathy and validation, and be well on your way to rediscovering and sustaining the love that brought you together in the first place. Since You Asked Harper Collins Can an alien with no knowledge of humans or concept of sex find lasting love with a human man? Zak, an alien from the planet Trimmeron, is a member of a race of beings who transform into other species during their years of puberty. It's customary for the youngsters to be fostered to the worlds native to their new forms, to study and learn about the races who will play an important part in their lives. When Zak turns into a human it comes as a surprise to everyone, for only one

other before him has ever done so. Nevertheless he is sent to Earth, a world he views as primitive and barbaric. He arrives with a chip on his shoulder and attitude to spare. He does not believe anyone on Earth can have anything to teach him. When Zak meets college student Sam he soon discovers he has a lot to learn, not only about humans, but also about himself. Trapped on an unfamiliar world and in a strange body that seems to have a mind of its own, Zak has no idea what is happening to him, only that Sam seems to be the key to the strange afflictions he is suffering from. But can an alien find love with a human being?

**More Than Two**  
Simon and Schuster

Georgia Nicolson has started dating the Sex God (aka Robbie). So life should be perfect . . . except in Georgia's life, nothing is ever perfect. Her cat, Angus (the size of a small Labrador), is terrorizing the neighborhood. Her sister, Libby (who is slightly mad), hides her poeey knickers at the bottom of Georgia's bed. Then the Sex God breaks it off because she's too young. It's time for a plan. It's time for a Red Herring. It's time for Georgia to become a "heartless boy magnet!"

**My Boyfriend Wrote a Book about Me**  
Xlibris Corporation  
#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through

the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F\*\*k positivity," Mark Manson says. "Let's be honest, shit is f\*\*ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The *Subtle Art of Not Giving a F\*\*k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up.

Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility,

curiosity, and forgiveness we seek. There are only so many things we can give a f\*\*k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F\*\*k* is a refreshing slap for a generation to help them lead contented, grounded lives.

### For Goodness Sex

Crossway

A disarmingly honest memoir about giving advice when you're not

sure what you're doing yourself, by the woman behind *The Boston Globe's Love Letters* column. Every day, *Boston Globe* advice columnist Meredith Goldstein takes on the relationship problems of thousands of dedicated readers. They look to her for wisdom on all matters of the heart- how to cope with dating fatigue and infidelity, work romances, tired marriages, true love, and true loss. In her column, she has it all figured out, but in her real life she is a lot less certain. Whether it's her own reservations about the traditional path of marriage and family, her difficulty finding someone she truly connects with, or the evolution of her friendships as her friends start to have

their own families, Meredith finds herself looking for insight, just like her readers. As she searches for responses to their concerns, she's surprised to discover answers to her own. But it's after her mother is diagnosed with cancer that she truly realizes how special her Love Letters community is, how this column has enriched her life as much, if not more than, it has for its readers. CAN'T HELP MYSELF is the extraordinary (and often hilarious) story of a single woman navigating her mercurial love life, and a moving and poignant portrait of an amazing community of big-hearted, love-seeking allies.

Alarm Press  
Allan and Barbara Pease, the international bestselling authors of *Why Men Don't Listen & Women Can't Read Maps*, deliver their most exciting book yet. Will men and women ever see eye-to-eye about love and sex? How will relationships ever be rewarding if men only want to rush into bed and women want to rush to the altar? In this practical, witty and down-to-earth guide, couples experts Allan and Barbara Pease reveal the truth about how men and women can really get along. By

translating science and cutting edge research into a powerful yet highly entertaining read, you'll learn how to find true happiness and compatibility with the opposite sex.

REVEALED IN THIS BOOK: \* The seven types of love \* The top five things women want from men \* What to do when the chemistry is wrong \* What turns men and women on - and off! \* The most common "New Relationship" mistakes and how to avoid them \* How to decode "manspeak" If you want to get the most satisfaction from your relationship, or are single and looking for the right person, then you must read this book for the answer to *Why Men Want Sex and Women Need Love*.

To Love, Honor, and Vacuum Simon and Schuster

For over a decade Rekindling Desire has helped to restore and restructure sexuality in thousands of lives. This expanded edition continues the exploration of inhibited sexual desire and no-sex relationships by the author, who brings decades of knowledge and the expertise that comes from having treated almost 3,000 couples for sexual problems. Contained within are suggested strategies and exercises that help develop communication and sexual skills, as well as interesting case studies that open the doors to couples' sexual frustrations. The shame, embarrassment, and

hesitancy that individuals feel with themselves, and the resentment and blame they can feel towards their sexual partners, are explored and put into context. Whether you are married, cohabitating, or dating, or if you are 25, 45, or 75, reading this book will help renew your sexual desire and put you on the path towards healthy, pleasure-oriented sexuality.

The Sexually Healthy Man Harper Collins

"An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar."  
—Bart Ehrman, author of Misquoting Jesus  
Boston University's cutting-edge religion scholar Jennifer Wright

Knust reveals the Bible's contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Erhman's *Jesus Interrupted* and John Shelby Spong's *Sins of Scripture*, Knust's *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don'ts—so often dictated by religious demagogues. Knust's powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

Figure out how your dating personality is

sabotaging your relationships—and become the type of woman you were meant to be! Are you one of the many confident, attractive, and successful women who often end up in unsuccessful relationships? Do you find yourself behaving in your relationships in ways that don't accurately reflect who you really are? Do any of these women sound like you?:

- Ms. Second Place: She allows herself to be a low priority in a man's life.
- Ms. Sex Machine: She settles for physical intimacy when she really wants an emotional connection.
- Ms. Soul Mate: She so wants to be in love that she mistakes every date for "the one."
- Ms. Drama Queen: She only dates bad boys

and unavailable men. • Ms. Mom: She makes it a priority to fix her man's life instead of her own. • Ms.

Anaconda: She's so needy, she suffocates every man she dates. • Ms.

Ms. Independent: She's been hurt before and won't let her guard down. If you recognize yourself in any of these types, don't be discouraged. In Ms.

Typed, you'll learn how to be the woman and partner you're meant to be—through uplifting stories from other women, and a “Ms.

Typed Makeover” that leads you step-by-step through the process.

Dr. Michelle's smart advice is sure to give you a fresh outlook on dating and guide you toward loving, fulfilling relationships. From the Hardcover edition.

The delightful story of Nora who, after a succession of terrible boyfriends, finds a much happier relationship with a 500-pound American black bear. Bear meets girl. Nora has bad luck with men. When she meets an (actual) bear on a hike in the Los Angeles hills, he turns out to be the best romantic partner she's ever had! He's considerate, he's sweet, he takes care of her. But he's a bear, and winning over her friends and family is difficult. Not to mention he has to hibernate all winter. Can true love conquer all?

On the Bright Side, I'm Now the Girlfriend of a Sex God Totally Entwined Group (USA+CAD)

In a Culture of

Distortions, Discover God-Defined Womanhood and Beauty In a culture where airbrushed models and career-driven women define beauty and success, it's no wonder we have a distorted view of femininity. Our impossible standards place an incredible burden of stress on the backs of women and girls of all ages, resulting in anxiety, eating disorders, and depression. One question we often forget to ask is this: What is God's design for womanhood? In *Girl Defined*, sisters and popular bloggers Kristen Clark and Bethany Beal offer women a countercultural view of beauty, femininity, and self-worth. Based firmly in God's design

for their lives, this book helps women rethink what true success and beauty look like. It invites them on a liberating journey toward a radically better vision for femininity that ends with the discovery of the kind of hope, purpose, and fulfillment they've been yearning for. *Girl Defined* helps readers discover God's design for femininity and his definition of a successful woman uncover the secrets of lasting worth, purpose, and fulfillment be equipped and empowered to live out a radically better vision for womanhood gain personal insight through the chapter-by-chapter study guide *The Financial Diet* Thorntree Press, LLC There comes a time in

every girl's life, when she has to choose good or choose bad. Amy Asbury chose bad, hands down. Good meant wallflowers, secretaries and subservient wives. Bad meant power- and a possible escape from a life of secrets. At twelve years old she was trying to make sense of a drug-addicted father and his disturbing behavior. By fifteen she was dealing with horrendous depression, blackouts and rape. At sixteen she was in a mental institution for suicidal tendencies and violent behavior. She knew she could never be normal. The only place for a girl like her was Hollywood. Read the true story of the social ascent (and eventual decline) of a girl in the Sunset Strip music

scene of the early 1990's. From crazy parties to glittered junkies and man-eating strippers, Amy has chronicled what life was like back in the days of excess and debauchery. It is not just a fascinating look into an amusing time in pop culture, but also details the mindset of a young woman trying to find confidence and self-worth in a life full of pain and chaos. The party came screeching to a halt when the Grunge movement took over and heroin became more prominent. How far off track can a person go before it's too late?

### **Sex-Interrupted**

Saunders Limited. "It's a fun, frothy quintessentially British romcom about a certified chaos demon and a stern brunch

daddy with a heart of gold faking a relationship."—New York Times bestselling author Talia Hibbert  
**AMAZON BEST BOOK OF THE MONTH** Named a best book of the year by Oprah Magazine, Entertainment Weekly, Goodreads, The Washington Post, and more! **WANTED: One (fake) boyfriend** Practically perfect in every way Luc O'Donnell is tangentially—and reluctantly—famous. His rock star parents split when he was young, and the father he's never met spent the next twenty years cruising in and out of rehab. Now that his dad's making a comeback, Luc's back in the public eye, and one compromising photo is enough to ruin everything. To clean up

his image, Luc has to find a nice, normal relationship...and Oliver Blackwood is as nice and normal as they come. He's a barrister, an ethical vegetarian, and he's never inspired a moment of scandal in his life. In other words: perfect boyfriend material.

Unfortunately, apart from being gay, single, and really, really in need of a date for a big event, Luc and Oliver have nothing in common. So they strike a deal to be publicity-friendly (fake) boyfriends until the dust has settled. Then they can go their separate ways and pretend it never happened. But the thing about fake-dating is that it can feel a lot like real-dating. And that's when you get

used to someone. Start falling for them. Don't ever want to let them go. Discover the LGBT romance about exact opposites falling in perfectly imperfect love that New York Times and USA Today bestselling author CHRISTINA LAUREN calls "hilarious, witty, tender, and stunning."

### **Shameless**

HarperCollins  
By the year 2030, as many as 171 million people in the U.S.- more than half of all Americans-will be living with at least one chronic medical condition (data from The Robert Wood Johnson Foundation). Illness or disability can easily derail a person's sex life-but it doesn't have to be that way. Using kindness, honesty, and humor, Iris Zink, BSN, MSN,

ANP, RN-BC, explores the ways illness or disability can affect a sexual relationship and offers suggestions on how to regain intimacy. She also describes existing myths about sex and debunks them with real-life examples. Most importantly, you'll learn that, no matter how a person's body changes, no-one should have to give up sex. Ms. Zink has 20 years of experience in treating sexual health complications related to chronic illness, and in writing and lecturing to healthcare providers on sexual health subjects. She has enabled thousands of people to experience fulfilling sex and meaningful intimacy-she can help you, too!  
**The Lipstick Gospel**  
Convergent Books  
Winner of four national

book awards! Revised First Edition, 2022 *Is It You, Me, or Adult ADHD?* has helped thousands of readers worldwide to understand how this highly variable syndrome affects them. Professionals and couples who have elevated their lives with its wisdom recommend it to others. In this highly endorsed, clearly written, and comprehensive guide, Gina Pera guides you in making sense of your own Adult ADHD Roller Coaster. She helps you to: —View ADHD as a variable syndrome affecting individuals, not clones —Realize how a later-in-life ADHD diagnosis creates additional issues —Revise misinterpretations of symptoms, forged long

ago, that can thwart progress now —Heal poor coping responses and dysfunctional interaction cycles, as individuals and couples —Implement practical supports to completing routine tasks and reaching long-term goals, with teamwork! —Appreciate how poorly managed ADHD can also negatively affect the spouses and other loved ones. —Delve into "denial's" dual nature — physiological and psychological — and reach through it —Adopt proven approaches that remain extremely rare in clinical settings The science has been clear since 1994, when Adult ADHD was declared a medical diagnosis. Still, the public harbors misconceptions, and that means millions

suffer needlessly. That includes millions of couples who can't understand why their lives together are so hard—often despite many attempts at therapy. The simple truth is: Everyone knows someone with adult ADHD. Yet we often misattribute the symptoms to anxiety, depression, or even laziness, selfishness, “addictive personality,” or moodiness. Some assume that ADHD means “little boys with ants in their pants.” In fact, childhood hyperactivity goes “underground” as the person matures, resulting in a mentally restless state.

Meticulously researched and written by Gina Pera, *Is It You, Me, or Adult ADHD?* helps you recognizing the behaviors where you least expect them and developing compassion for everyone wrestling with unrecognized ADHD symptoms. It also offers:

- Explanations from preeminent experts
- Plenty of real-life details
- Easy-to-understand, detailed advice on the best treatment options and practical solutions.

The revolutionary message is one of hope for millions of people—and a joyous opportunity for a better life.
