With the help of Simon the gooseboy and his flock, they escape. But how will they ever get Willoughby Chase free from the clutches of the evil Miss Slighcarp?

Mansfield Park Revisited Houghton Mifflin Harcourt

Jane Austen's *Mansfield Park* famously narrates the story of Fanny Price moving in with the Ward family. Written almost two centuries later, Joan Aiken's powerful sequel introduces us to The Youngest Miss Ward, Hatty. Although creative, charismatic and witty, Hatty Ward lacks the beauty that her older sisters inherited - leaving her to care for their ill mother and without a dowry once they are married off. Sent to Portsmouth to live with her

rumbustious uncle and cousins, Hatty turns her creative flair to poetry and believes she'll become a governess, that is until handsome Lord Camber passes through town... With imagination and authenticity Joan Aiken captures the customs and language of Austen's England in this one of a kind sequel, revealing a subversive and unique heroine. H

Lucas Bell is lonely and miserable at Midnight Court, a vast, brooding house owned by his intolerable guardian, Sir Randolph Grimsby. When a mysterious carriage brings a visitor to the house, Lucas hopes he's found a friend at last. But the newcomer, Anna Marie, is unfriendly and spoiled—and French. Just when Lucas thinks things can't get any worse, disastrous circumstances force him and Anna Marie, parentless and penniless, into the dark and unfriendly streets of Blastburn . . . Go Saddle the Sea Franklin Classics

As a result of an accident a young girl is faced with the responsibility of foiling a Hanoverian plot to put St. Paul's Cathedral on rollers and roll it into the River Thames during the coronation of James IV.

The Wolves of Willoughby Chase London ; New York : Macmillan In this fantasy adventure, a young girl visits a land where birds carry off men, fish eat human flesh, and she must rescue a pilfered lake. Readers who have followed Dido Twite's escapades in *Black Hearts in Battersea* and *Nightbirds on Nantucket* will welcome her return in her wildest escapade yet. Now back in print, *The Cuckoo Tree* and *The Stolen Lake* continue the *Wolves Chronicles*, the exhilarating and imaginative series that stemmed from Joan Aiken's classic *The Wolves of Willoughby Chase*. A dazzling piece of dramatic, snowballing adventure, *The Stolen Lake* is full of fantastical details: revolving palaces, witches who are also court dressmakers, an apocalyptic volcanic eruption, and an infernal country with a noticeable lack of female children. On her way back to London aboard the British man-of-war *Thrush*, twelve-year-old Dido Twite finds herself and the crew summoned

to the aid of the tyrannical queen of New Cumbria. A neighboring king has stolen the queen's lake and is holding it for ransom, and it's up to Dido and the crew to face fire, flood, execution, and wild beasts to get the lake back—or else. Perfect for fans of Lemony Snicket and Roald Dahl “Aiken lures us into historical fantasy . . . our interest never slows.” —School Library Journal “The adventure Miss Aiken has dished up . . . in *The Stolen Lake* is zanier and more devilishly fiendish than ever.” —New York Times

Half Magic St Martins Press

Doss's charming, touching, and at times hilarious chronicle tells how each of the children, representing white, Chinese, Japanese, Filipino, Korean, Mexican, and Native American backgrounds, came to her and husband Carl, a Methodist minister. She writes of the way the "unwanted" feeling was erased with devoted love and understanding and how the children united into one happy family. Her account reads like a novel, with scenes of hard times and triumphs described in vivid prose. *The Family Nobody Wanted*, which inspired two films, opened doors for other adoptive families and was a popular favorite among parents, young adults, and children for more than thirty years. Now this edition will introduce the classic to a new generation of readers. An epilogue by Helen Doss that updates the family's progress since 1954 will delight the book's loyal legion of fans around the

world.

The Youngest Miss Ward Prentice Hall

'Joan Aiken's invention seemed inexhaustible, her high spirits a blessing, her sheer storytelling zest a phenomenon' PHILLIP PULLMAN 'One of the most important and interesting children's fiction writers of the last fifty years' NEIL GAIMAN 'The Gift Giving is the perfect selection of stories to introduce readers to this precious and incredible author' KIRAN MILLWOOD HARGRAVE 'The voice that tells these stories is braver than us, unflappable; someone who knows the ways of the world and loves it anyway. She is one of the writers I admire most in the world' KATHERINE RUNDELL 'Favourite stories, like unexpected presents, are things that you can keep and cherish all your life, carry with you, in memory, in your mind's ear, and bring out, at any time, when you are feeling lonely, or need cheering up, or, like friends, just because you are fond of them' Joan Aiken is justly famous for her *Wolves of Willoughby Chase* series, but her greatest love was for short stories, which she wrote prolifically throughout her long career. From a princess turned into a pirate parrot to a procession of Father Christmases chased down Fifth Avenue by a rickety horse and cart; from the ghost of a crusader's dog, to a captured mermaid in a flying machine, there is something for everybody in this enthralling collection. These stories showcase Aiken's unique talents - the way she mixed magic and myth with humour to create a kind of modern fairytale. Her stories will appeal to readers of all ages for many years to come. WITH BEAUTIFUL ILLUSTRATIONS BY PETER BAILEY
