A thought-provoking tale." - TIME magazine In The Fifth Mountain, Paulo Coelho takes us back to the ninth century, to the turbulent Middle East, where the prophet Elijah is struggling to keep his faith alive in a world of constant upheaval, tyrannical royalty, and pagan gods. Elijah's story is a lesson in persistence, an exercise in hope, and a journey you will never forget. Inspired by a circumstance that forever altered Coelho's own life, The Fifth Mountain is a testament to the truth that tragedy in life should not be considered a punishment, but a challenge of the spirit. Gripping in its narrative and graceful in its prose, The Fifth Mountain teaches and inspires like no other novel. This is a timeless story for the ages, a tale of the past that resonates powerfully today.

**Alchimistul** Harper San Francisco Paulo Coelho's astonishingly beautiful writing in Eleven Minutes virtually guarantees it the cult status that The Alchemist already enjoys. But what is the Paulo Coelho phenomenon? How can an author who (only a short time ago) was virtually unknown to most readers have taken the world of books by storm--and without the benefit of glitzy advertising? The answer is simple: quality. Such books as The Fifth Mountain and The Devil and Miss Prym are enough to explain a considerable following for the author, with their atmospheric prose and involving characters. Eleven Minutes tells the story of young Maria living an innocent life in a Brazilian village and is played out in a measured fashion, but with all the author's brilliant scene-setting (very lush here) fully in place. But then Maria experiences love and suffers great pain. From this point, Coelho has us inexorably in his grip. Maria's disillusionment with love leads her to Geneva where she finally ends up selling her body (Coelho may offer us the beauty of life, but never at the expense of its harshness). Maria's approach to sex is complex--this is no mere revulsion arising

from what she is now doing with her life. And then she meets a seductive young painter, who may or may not offer her a new path in life. But does she prefer to continue on the dark sexual odyssey she has embarked on, at the expense of real love? There are echoes of DH Lawrence in Coelho's exploration of the sacred and spiritual aspects of sex and it's a brave author who tackles a subject that can so easily slip into strained seriousness. That never happens here, and Maria's journey is one that the reader willingly undertakes; the lesson she learns are lessons for the reader. --Barry Forshaw

The Zahir LP Harper Collins

Transform your life. Rewrite your destiny. In his most personal novel to date, internationally bestselling author Paulo Coelho returns with a remarkable journey of self-discovery. Like the main character in his much-beloved *The Alchemist*, Paulo is facing a grave crisis of faith. As he seeks a path of spiritual renewal and growth, his only real option is to begin again—to travel, to experiment, to reconnect with

people and the landscapes around him. Setting off to Africa, and then to Europe and Asia via the Trans-Siberian railroad, he initiates a journey to revitalize his energy and passion. Even so, he never expects to meet Hilal. A gifted young violinist, she is the woman Paulo loved five hundred years before—and the woman he betrayed in an act of cowardice so far-reaching that it prevents him from finding real happiness in this life. Together they will initiate a mystical voyage through time and space, traveling a path that teaches love, forgiveness, and the courage to overcome life's inevitable challenges. Beautiful and inspiring, *Aleph* invites us to consider the meaning of our own personal journeys.

ALCHEMIST. Harper Collins

"A community devoured by greed, cowardice and fear. A man persecuted by the ghosts of his painful past. A young woman searching for happiness. In one eventful week, each of them will face questions of life, death and power, and each of them will have to choose their own path. Will they choose good or evil? Coelho dramatizes the struggle with every soul between light and darkness, and its relevance to our everyday struggles: to

dare to follow our dreams, to have the courage to be different and to master the fear that prevents us from truly living"-- Publisher description.

**The Alchemist** Harper Collins

"I thought that I had already thought about everything you could think about Love when Henry Drummond's sermon fell into my hands. My life changed a lot from the moment I read the words in this book and tried to put his teaching into practice." "Paulo Coelho" "If I speak in the tongues of men and of angels, but have not love, I am a noisy gong or a clanging cymbal." At some point, all of us have heard this passage from St. Paul's Letter to the Corinthians. But do we really understand his message? At the end of the 19th century, the young missionary Henry Drummond was asked to replace a famous preacher. Though at the beginning he did not convince the audience, they were soon captivated by his analysis of the words of the Apostle Paul. This sermon, *The Greatest Thing in the World*, has become a classic and is, without doubt, one of the most beautiful texts ever written on love. Drummond broke it down into the following nine elements: patience,

kindness, generosity, humility, gentleness, dedication, tolerance, sincerity and innocence. Contrary to what we are used to hearing, the greatest treasure in the spiritual life is not faith, but love. No matter what your religious beliefs are, this feeling is, without doubt, the most rewarding way to live. In *The Supreme Gift*, Paulo Coelho adapts Henry Drummond's text, offering a real and powerful message that will help us incorporate love into our daily life and experience all its transformational power in our lives.

A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune, yet ends up working as a prostitute. In Geneva, Maria's despairing view of love is put to the test when she meets a handsome young painter.
