**Everyday Slang from "What's Up?" to "F\*%# Off!"** Tuttle Publishing

Learn the slang words, modern phrases, and curses they definitely never taught you in French class with this super-handly and hilariously improper English-French phrasebook. You already know enough French to get by, but you want to be able to tell those inside jokes, greet your friends in a laid-back manner, and casually pick someone up at a bar. From "what's up?" to "Wanna go home with me?" Dirty French will teach you how to speak like you're a regular on the streets of Paris. But you'll also discover material that goes beyond a traditional phrasebook, including:

Hilarious insults Provocative facts Explicit swear words Themed French cocktails And more! Next time you're traveling or chatting with your friends in "the language of love," pick up this book, drop the textbook formality, and get dirty!

Dirty Korean Tuttle Publishing

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of

language learners as children.

*Engaging Japanese Philosophy* Simon and Schuster

Uses almost 1,400 photographs to present a comprehensive guide to the techniques, words, and phrases used in American Sign Language.

**Everyday Slang from "What's Up?" to "F\*%# Off!"** Tuttle Publishing

Japanese Slang is an urban dictionary for the digital generation! Although Japanese culture is best known for its sense of formality and politeness, the Japanese are particularly fond of playing with language, in large part thanks to the versatility and nuance that their writing systems provide. This results in playful combinations of kanji, kana, and English, where conventional phrases are twisted wryly or turned entirely on their heads to cleverly capture the social attitudes of the time. While most of the slang described here is a natural part of everyday speech, this dictionary doesn't shy away from pejorative terms that unfortunately lurk around many online (and offline) spaces. After all, learning a language takes more than knowing how to politely ask about the weather: the real world is a whole lot messier than a classroom, and Japanese Slang will help you make sense of this raw language that lives in the wild. Suggested for mature readers.

*The Books of Jeu and the Pistis Sophia as Handbooks to Eternity* Conway

Next time you're chattin' with your khaverim (friends) and mishpukkeh (family), bust out some Yiddish expressions that'll liven up the conversation. Nothing is censored in Dirty Yiddish. It includes phrases for any situation, so readers have enough chutzpah (balls) to tell the local deli that they've waited long

enough for their knish, and explicit swear words crude enough to shock Bubby and everyone else at the Passover seder. There's even vulgar sex terminology so graphic it puts the outspoken Lower East Side princesses to shame. Bust out with expressions they never teach you in school, including cool slang, funny insults, explicit sex terms, and raw swear words. Dirty Yiddish teaches the casual expressions heard every day on the streets of New York . . . What's up? Vos makhst du? Crazy bastard! Meshuggeneh momzer! I'm hammered. Ikh bin fershikkert. Don't fuck with me! Bareh mikh nit! I have the shits. Ikh hob a shittern mogn. Lick my pussy. Lekh meyn lokh. Was it good for you? Tsufreedn?

**Slang, Curses and Epithets (Japanese Phrasebook)** Simon and Schuster

Much more than a Japanese phrasebook, this entertaining guide to Japanese slang is full of interesting and hilarious anecdotes and advice. Japanese Slang Uncensored reveals in vivid detail the richness of Japanese slang in all its amusing, bizarre, and shocking forms. The book dives unblushingly into Japan's fascinating secret languages, the ingo (hidden words) used by thieves, prostitutes, sushi chefs, pickpockets, Buddhist monks, and other colorful characters. Author Peter Constantine skillfully traces the origins of these expressions, in the process painting a revealing picture of Japan's subcultures and the people who move in their shadows.

*Talking with Your Hands, Listening with Your Eyes* Penguin

Since writing the original edition of *You Lost Him at Hello*, Jess McCann has helped hundreds of wanna-be brides walk down the aisle using relationship building skills used in the sales world. By

practicing what she preached to her clients, Jess herself is now enjoying wedded bliss herself. In this newly revised book, she teaches daters even more ways to apply successful sales tools to their dating lives. She's proven over and over with hundreds of clients that simple sales tactics can and do work for winning relationships. Jess will teach you to what it means to "Fill Your Funnel" as well as: -- Know and love your product before you sell it (that's you!) -- Prospect for new "clients"—where to find them and how to catch their eye. -- Read his "buying signs" and gauge his interest. -- Use the KISS principle (Keep It Short and Simple) and keep him engaged in conversation. -- End your date at the Height of Impulse so he always makes plans to see you again Plus some NEW TRICKS and techniques that Jess has up her sleeve which weren't in the first book!

Making Out in Japanese is a fun, accessible and thorough Japanese phrase book and guide to the Japanese language as it's really spoken. Sugoku suki! Mata aeru?—(I'm crazy about you! Shall we meet again?) Answer this correctly in Japanese, and you may be going on a hot date. Incorrectly, and you could be hurting someone's feelings or getting a slap! Japanese classes and textbooks tend to spend a lot of time rehearsing for the same fictitious scenarios, but chances are while in Japan you will spend a lot more time trying to make new friends or start new romances—something you may not be prepared for. If you are a student, businessman or tourist traveling to Japan and would like to have an authentic and meaningful experience, the key is being able to speak like a local. This friendly and easy-to-use Japanese phrasebook makes this possible. Making Out in Japanese has been updated and expanded to be even more helpful as a guide

to modern colloquial Japanese for use in everyday informal interactions—giving access to the sort of catchy Japanese expressions that aren't covered in traditional language materials. As well as the Romanized forms (romanji), each expression is now given in authentic Japanese script (kanji and kana with furigana pronunciation clues), so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. This Japanese phrasebook includes: A guide to pronouncing Japanese words correctly. Explanations of basic Japanese grammar, such as intonation, word stress, and particles. A guide to male and female usage. Romanized forms of words and phrases (romanji). Complete Japanese translations including Japanese characters (kanji) and the Japanese alphabet (kana). Useful and interesting notes on Japanese language and culture. Lots of colorful, fun and useful expressions not covered in other phrasebooks. Titles in this unique series of bestselling phrase books include: Making Out in Chinese, Making Out in Indonesian, Making Out in Thai, Making Out in Korean, Making Out in Hindi, Making Out in Japanese, Making Out in Vietnamese, Making Out in Burmese, Making Out in Tagalog, Making Out in Hindi, Making Out in Arabic, Making Out in English, More Making Out in Korean, and More Making Out in Japanese.

*Everyday Slang from "what's Up?" to "F\*%# Off!"* Oxford University Press

How to Talk Dirty in Japanese and English the result of years of scholarly research in which the two academic investigators interviewed the most foul-mouthed and mean spirited persons they could find in order to collect the most obscene commonly used expressions in either language. This book is must reading

for anybody who wants to cuss-out somebody in either language. More importantly, it is required reading for any student of either language, because the expressions used in this book are not to be found in any other book. This is a bi-lingual book. Every word and phrase in either language is converted into an equivalent term in the other language. Anybody not prepared to be offended should not read this book. This book goes as far as it gets. Topics include not only the most familiar obscenities, but many others. There are special sections dealing with Niggers, Coons, Queers, Dykes and Japs. The authors also dispense advice concerning sexual techniques and the dangers facing Japanese who visit America. The authors are Eli Eshoh and Fukuyama Hiroaki. Eli Eshoh is a Ugandan academic residing in Japan and known for his contributions to number theory. His works have been translated into Russian and other languages. Fukuyama Hiroaki is a retired doctor who learned English while attending the University of California at Berkeley. Because of its offensive, racist and sexist language, this book will cause great outrage, but is destined to become regarded as one of the greatest contributions ever to the deep understanding of American English and Japanese.

*Uncensored* Harper Collins

Boko Haram's appetite for violence and kidnapping women has thrust them to the top of the global news agenda. In a few years they all but severed parts of Nigeria-Africa's most populous state and largest economy-from the hands of the government. When Boko Haram speaks, the world sees a grimacing ranting demagogue who taunts viewers claiming he will 'eat the heart of the infidels' and calling on Nigerians to reject their corrupt democracy and return to a 'pure' form of Islam. Thousands have

been slaughtered in their campaign of purification which has evolved through a five-year bloody civil war. Civilians are trapped between the militants and the military and feel preyed upon by both. Boko Haram did not emerge fully formed. In Northern Nigeria, which has witnessed many caliphates in the past, radical ideas flourish and strange sects are common. For decades, Nigeria's politicians and oligarchs fed on the resources of a state buoyed by oil and turned public institutions into spoons for the pot. When the going was good it didn't matter. But now a new ravenous force threatens Nigeria.

Dirty Spanish: Third Edition Simon and Schuster

Learn cool slang, funny insults and all the words they didn't teach you in class with this comprehensive guide to dirty Japanese. You've taken Japanese lessons and learned all kinds of useful phrases. You know how to order dinner, get directions, and ask for the bathroom. Learn to sound like a native speaker with phrases like: What's up? — Co je? I adore your small titties — Zboznuju tvoje kuzlatka. I gotta take a leak. — Musim se vymocit. Your team sucks ass! — Tvuj tym je na hovno! Drop Dead you freak! — Chcipni, ty zrudo! I'm faded. — Jsem namazenej. Are you as horny as I am? — Jsi taky tak nadrzenej

Everyday Slang from "What's Up?" to "F\*%# Off!" Simon and Schuster

This is a user-friendly and concise Japanese phrase book and guide to Japanese slang and Japanese curses. The Japanese are extraordinarily polite and soft-spoken people who are always indirect and evasive in their dealings with each other. Right? Well, not really. They can be just as explicit, vicious, vile and downright vulgar as anyone else when they want to be. This little gem of a book teaches you hundreds and hundreds of Japanese taunts, threats, curses and expletives that you'll never find in any dictionary-showing you how the Japanese really talk to one another when they are angry or emotional. Fun and entertaining, it will help you to read Japanese, write Japanese, and speak Japanese. It leaves no taboo untouched and sets the record

straight. Learn how to call somebody a lecher, a deadbeat, a tub of lard, (and much worse than we can show here)—and arm yourself with phrases such as "Drop dead" or "what sewer did you crawl out of jackass? Fun and instructive, it is the perfect antidote for those boring language classes you have been taking, and your Japanese friends will die when they hear you trying out new expressions like tonji (pig-child) and dauma-geisha (fat-bottomed geisha).
