Superman: The Man of Steel Vol. 3 DC

The Man of Steel's mettle is tested! Renowned writer and artist John Byrne's bold reimagining of Superman is regarded as one of the greatest comics runs in history. Joined by lauded industry talents such as Jerry Ordway, Karl Kesel, and John Beatty, Byrne pitted the Last Son of Krypton against a variety of strange foes that evoked the nostalgia of many of Superman's early adventures. In these continuing tales, Superman aids a mysterious young woman who holds a dark secret, fights a gargantuan primate across Metropolis, deals with superhero possessing a supersize ego, and meets one of his most lethal foes yet—the Silver Banshee. Even the hamlet of Smallville isn't safe from danger when the intergalactic war between the Manhunters and the Guardians of the Universe comes to town during the Millennium crossover event. This third volume collects Superman #12-15, Superman Annual #1, Action Comics #594-597, Action Comics Annual #1, Adventures of Superman #436-438, Adventures of Superman Annual #1, Booster Gold #23, and Superman: The Earth Stealers #1—plus character profiles from Who's Who Update '87 and Who's Who Update '88.

Superman: The Man of Steel (1991-) #33 DC Comics

Since Superman first appeared on the cover of Action Comics #1 in 1938, the superhero has changed with the times to remain a relevant icon of American popular culture. This collection explores the evolution of the Superman character and demonstrates how his alterations mirror historical changes in American society. Beginning with the original comic book and ending with the 2011 Grounded storyline, these essays examine Superman's patriotic heroism during World War II, his increase in power in the early years of the Cold War, his death and resurrection at the end of the Cold War, and his recent dramatic reimagining. By looking at the many changes the Man of Steel has undergone to remain pertinent, this volume reveals as much about America as it does about the champion of Truth, Justice, and the American Way.

Superman: The Man of Steel (1991-) #14 DC

This final volume of John Byrne's classic reinvention of Superman chronicles more of the Man of Steel's greatest adventures, featuring favorites like Wonder Woman, Batman, Supergirl, and the Doom Patrol!
