Living Beyond "What If?" Rhonda Hicks

The stories in the Thousand and One Nights, or the Arabian Nights, are familiar to many of us: from the tales of Aladdin, Sinbad the Sailor, Ali Baba and his forty thieves, to the framing story of Scheherazade telling these stories to her homicidal husband, Shahrayar. This book offers a rich and wide-ranging analysis of the power of this collection of tales that penetrates so many cultures and appeals to such a variety of predilections and tastes. It also explores areas that were left untouched, like the decolonization of the Arabian Nights, and its archaeologies.

Unique in its excavation into inroads of perception and reception, Muhsin J. al-Musawi's book unearths means of connection with common publics and learned societies. Al-Musawi shows, as never before, how the Arabian Nights has been translated, appropriated, and authenticated or abused over time, and how its reach is so expansive as to draw the attention of poets, painters, illustrators, translators, editors, musicians, political scientists like Leo Strauss, and novelists like Michel Butor, James Joyce and Marcel Proust amongst others. Making use of documentaries, films, paintings, novels and novellas, poetry, digital forums and political jargon, this book offers nuanced understanding of the perennial charm and power of this collection.

The Complete Master Key System builds on the classic work of Charles Haanel to teach contemporary audiences how to tap into their personal potential and manifest harmony, abundance, and fulfillment. Published in 1912, The Master Key System went on to influence Ernest Holmes, Napoleon Hill, and many others who sought to use mental power as a means of attaining success. In The Complete Master Key System, William Gladstone, Richard Greninger, and John Selby hark back to Charles Haanel's original text, and develop exercises that heighten readers' ability to implement Haanel's core principles. Their Daily Manifestation Sessions incorporate the most effective focusing methods used today and integrate ancient meditative techniques with new insights in cognitive psychology. The Complete Master Key System is packaged with Haanel's original Master Key System in the appendix and includes a foreword by Mark Victor Hansen and an afterword by Jack Canfield.

Bestselling author, entrepreneur, speaker, and life and business coach Romi Neustadt has a message for women: You CAN have it all--just not at the same damn time. Romi Neustadt is a mom of two, a wife, a daughter, bestselling author, speaker, entrepreneur, and coach. What's more, she's achieved these things without a staff of 10, the ability to sleep two hours a night or driving herself batsh*t crazy. She's figured out the key to having it all: Priorities, babe. In her second book, Romi provides a no-BS blueprint for women to figure out what to focus on and what not to. She explains why saying YES to everything and everyone really means saying NO to the things that matter -- to your goals, your dreams, and your true self. The key to achieving your wildest dreams isn't to downsize them. It's to embrace them more fully, and discard everything that isn't serving them. This book will teach you how to: Zone in on what really matters to you, so you can ditch everything that isn't serving your dreams. Recognize and embrace your true worth as a provider, partner, and all-around kickass human. Say no to the millionth request from your kid's school for home-baked goods--without experiencing mom guilt. Establish boundaries that stick with coworkers, friends, and family. Ditch toxic relationships and the soul-sucking drama that accompanies them. Stop feeling like an imposter in your own life. Create habits that protect your time and energy. Kick fear (of not being lovable, pretty, or good enough) to the curb once and for all. Written in the same down-to-earth, accessible style that made her first book, *Get Over Your Damn Self*, a beloved bestseller, this book is for every woman who wants to live a fulfilled, authentic life without feeling stressed and exhausted. Romi is living proof that it's possible,

and you will be too.

Because so few believe in the old tales anymore, and with so many evil men no one will miss, the modern city of Seoul is the perfect place to hide and hunt. But after feeding one full moon, Miyoung crosses paths with Jihoon, a human boy, being attacked by a goblin deep in the forest. Against her better judgment, she

violates the rules of survival to rescue the boy, losing her fox bead--her gumiho soul--in the process. Jihoon knows Miyoung is more than just a beautiful girl--he saw her nine tails the night she saved his life. His grandmother used to tell him stories of the gumiho, of their power and the danger they pose to men. He's drawn to her anyway. When he finds her fox bead, he does not realize he holds her life in his hands. With murderous forces lurking in the background, Miyoung and Jihoon develop a tenuous friendship that blossoms into something more. But when a young shaman tries to reunite Miyoung with her bead, the consequences are disastrous and reignite a generations-old feud . . . forcing Miyoung to choose between her immortal life and Jihoon's.
