The Torah Revealed NYU Press

For too long, Jews have defined themselves in light of the bad things that have happened to them. And it is true that, many times in the course of history, they have been nearly decimated: when the First and Second Temples were destroyed, when the Jews were expelled from Spain, when Hitler proposed his Final Solution. Astoundingly, the Jewish people have survived catastrophe after catastrophe and remained a thriving and vibrant community. The question Rabbi Jonathan Sacks asks is, quite simply: How? How, in the face of such adversity, has

Judaism remained and flourished, making a mark on human history out of all proportion to its numbers? Written originally as a wedding gift to his son and daughter-in-law, *A Letter in the Scroll* is Rabbi Sacks's personal answer to that question, a testimony to the enduring strength of his religion. Tracing the revolutionary series of philosophical and theological ideas that Judaism created -- from covenant to sabbath to formal education -- and showing us how they remain compellingly relevant in our time, Sacks portrays Jewish identity as an honor as well as a duty. The Ba'al Shem Tov, an eighteenth-century rabbi and founder of the Hasidic movement, famously noted that the Jewish people are like a living Torah scroll, and every individual Jew is a letter within it. If a single letter is damaged or missing or incorrectly drawn, a Torah scroll is considered invalid. So too, in Judaism, each

individual is considered a crucial part of the people, without whom the entire religion would suffer. Rabbi Sacks uses this metaphor to make a passionate argument in favor of affiliation and practice in our secular times, and invites us to engage in our dynamic and inclusive tradition. Never has a book more eloquently expressed the joys of being a Jew. This is the story of one man's hope for the future -- a future in which the next generation, his children and ours, will happily embrace the beauty of the world's oldest religion.

Torah Anthology (Torah) - 20 Volume Set U of Nebraska Press
 Edited under the direction of Rabbi Nosson Scherman, Rabbi Moshe Lieber does for the Chumash what he has done so successfully for the Pirkei Avos. This is a work that will be an instant classic, that will grace your Shabbos table and reading d
Torah Studies Createspace Independent Publishing Platform
 The intent of this book is to serve as a general outline and summary of the topics discussed in each Parsha together with their crucial details. It is meant to be used for quick reference and as a review tool of the weekly Parsha. How many of us sit through the weekly Torah reading in Shul on Shabbos but have no knowledge of its content? How many of us have sat by our Shabbos table wanting to say something regarding the Parsha, but can't seem to remember its content? How many of us have children who need to study for a Parsha test but are too overwhelmed by the amount of material required to review. While many scholarly books of translations of the Chumash have been printed and made available to the English-speaking public, flipping through a Chumash with or without a translation, is a long and mentally tiring task. How great would it be to have a

general summary and outline with topics and subtopics available in front of us as a quick reference and reminder of what the Parsha speaks about? Well, it's finally here! An outline and summary of the entire Chumash, one Parsha at a time, split in accordance to Aliyos, with an enumeration of the Mitzvos found in each Parsha, the amount of verses it contains, and the weekly Haftorah. Last, but not least, this Sefer will help Jews world over to fulfill one of the basic Biblical commands of Torah learning which includes an obligation upon all males to study and become an expert in the content of all the Parshiyos in the Torah.

The Ultimate Parsha Parables Anthology - Shmos is a wonderful collection of homiletic thoughts on the Book of Genesis -- each with a great parable or anecdote! With an uncanny ability to elucidate deep and often complex concepts with clear and poignant everyday examples, humorous tales and historical anecdotes, Rabbi Kamenetzky has now collected, indexed and organized more than fifteen years? of Parsha Parables on the Torah and Holidays, one volume for each of the Five Books of the Pentateuch, and an additional volume on the Jewish holidays and special occasions. With More than 400 Pages on Genesis alone, it is a great resource for public speakers and laymen, for every occasion.

Morality KTAV Publishing House, Inc.

Believe in not just the ancient Word, but the Living Word. Reading a parasha--a weekly passage of scripture--will help you understand how God's words transcend time and speak to your life today down to exact details. Are you eager to hear God's prophetic voice through the scriptures? A parasha is a passage of scripture that is read every Sabbath day in every Jewish synagogue across the world according to the schedule provided for the year. By reading a weekly parasha, readers can know what is being pronounced prophetically on that very day. This book provides the full year of parasha readings--the complete scriptures from the Torah (the Pentateuch, of the first five books of the Bible)--the same passages read in synagogues according to Jewish tradition. Scriptures are provided in the Modern English Version (MEV) translation and David Morgan, one of the translators of the MEV, provides an introduction that will explain the significance of the parashas and how to get the most from reading them in this format.

The Ultimate Parsha Parables Anthology Shmos Mesorah Publications, Limited

For the believing Jew today, no less than for those in the past, the study of the weekly portion is a religious experience. For this reason it is customary to consider the section along with its traditional commentaries. It is important to know not only what the Torah meant when it was written, but also what it has meant within Judaism since then. It is also important for intellectual honesty to distinguish between the two. Moderns also have the advantage of using the results of linguistic studies and comparative studies of other ancient texts as well as

archaeological finds to help us understand the text. The Torah reflects an entire worldview concerning the nature of God and of human beings, the task of Israel and the way in which we are to live. Thus it is an ancient text that is ever new and always renewing itself. One studies it not only to learn what was, but also to discover what we are and how we are to live. These prefaces are meant to complement and enrich your study of the portion by pointing out important ideas found therein and raising problems and questions for consideration. Enter into the Torah text with this lively companion and experience the full impact of the age-old - and totally new - weekly portion.

Torah Portions - Noach (Paperback) Createspace Independent Publishing Platform

English literature available on Chassidus has increased tenfold throughout the years, having us witness a real breakthrough in this regard. Hundreds of classical Chassidic texts have been translated and annotated by renowned writers and publishers. The monumental work of Tanya has been translated, explained, and disseminated in English throughout all corners of the globe. Nonetheless, we find that one of the greatest works of Chassidic thought has not yet found its way onto the English bookshelf, the Mamarim of Torah Or and Likkutei Torah of the Alter Rebbe. These works are considered to be the Oral Torah of the Tanya and are hence complementary to it. The Mamarim of Torah Or and Likkutei Torah are the foundation of most of the Mamarim of Chassidus of all the later generations. One of the reasons for the lack of an English counterpart for this Sefer is because of its great depth and advanced Kabbalistic jargon. It is our great honor to offer the English-speaking public the first full English counterpart

for the great, illustrious works of Torah Or and Likkutei Torah. The Sefer includes a single Mamar per Parsha, which is summarized, explained, and brought into practical application for the reader. The Mamarim are not a direct translation of the Hebrew original, but rather a content summary of the Mamar. At times, due to the extended length of a certain Mamar, we may only summarize a certain section of the Mamar, and not the Mamar in its entirety. Each Parsha features a single selected Mamar from amongst the many Mamarim that are printed in the Hebrew original, giving our readers a taste and glimpse of the full content of this monumental work. Our main goal is for the reader to receive the content knowledge of the most fundamental Mamarim written by the Alter Rebbe, and for him to be given the tools for how to implement this knowledge within his daily life. Each Mamar concludes with a lessons box that summarizes the practical life lessons that we can derive from the Mamar. Also included are interesting parables that we find easy to relate to and help us to digest the content being studied, and internalize it. It is our heartfelt prayer that the Mamarim in this Sefer will uplift your spiritual experience and give you spiritual hope, faith, love, and trust in Hashem, being the light that illuminates your relationship with G-d.

Living with the Parshah Harper Collins

When Sefer Talelei Oros first appeared upon the horizon of Torah Jewry, it was met with instant appreciation and popularity. Now, for the first time, this masterwork has been adapted into the English language, making it even more accessible to the general public. A veritable galaxy of Torah giants appear on the pages of this extraordinary work. Among them are: Rabbi Yonasan

Eibeschutz, the Vilna Gaon, Rabbi Yisrael Salanter, Rabbi Yeshoshua Leib Diskin, and the Chafetz Chaim, just to name a few. This is a work that expands the mind and uplifts the soul.

Torah Studies Quid Pro Books

A distinguished religious leader's stirring case for reconstructing a shared framework of virtues and values. With liberal democracy embattled, public discourse grown toxic, family life breaking down, and drug abuse and depression on the rise, many fear what the future holds. In *Morality*, respected faith leader and public intellectual Jonathan Sacks traces today's crisis to our loss of a strong, shared moral code and our elevation of self-interest over the common good. We have outsourced morality to the market and the state, but neither is capable of showing us how to live. Sacks leads readers from ancient Greece to the Enlightenment to the present day to show that there is no liberty without morality and no freedom without responsibility, arguing that we all must play our part in rebuilding a common moral foundation. A major work of moral philosophy, *Morality* is an inspiring vision of a world in which we can all find our place and face the future without fear.

Torah Studies Basic Books

A Torah discourse of the Lubavitcher Rebbe usually revolves around a question, sometimes seemingly microscopic in tension serving as a point of departure for the Rebbes discussion. To hear or read such a discussion is to embark on a journey in which we are challenged and forced to move, and at the end stand far from where we began. Here, Rabbi Jonathan Sacks, Chief Rabbi of Great Britain, serves as guide to that journey, elucidating the question in each discourse and explaining its context. In this

collection of lucid adaptations of the Rebbes talks on the weekly Torah readings and Jewish holidays, each question is not only resolved but also revealed to be the starting point of a major spiritual search, a journey to the inner sanctum of Torah. With descriptive introductions to each chapter and extensive indexes, Torah Studies is an important gateway to the Rebbes teaching and legacy.

Parsha Potpourri Lulu.com

“Torah, as both book and process, is the taproot that penetrates to the heart of Jewish meaning, understanding, and expression. Torah study is how we mine not just meaning from the text, but our awareness of God’s will,” writes Rabbi Daniel Pressman in the introduction to Torah Encounters: Genesis. This book series invites readers into the richness of the Torah, sharing context and information for each parasha, as well as commentary from generations of Biblical interpreters—historical and modern, and Rabbi Pressman’s own insights. The third in the five-volume Torah Encounters series, Torah Encounters: Leviticus makes the weekly Torah portion approachable and applicable. It is a wonderful resource for clergy, adult or high school Hebrew education, or personal study.

Torah Studies Simon and Schuster

The classic collection of Torah commentaries on the weekly Torah portion, famous for its ability to offer its readers a quick "vort" -- a sharp and pertinent insight that is always thought-provoking and inspiring. Includes a bibliography of the numerous sources and brief biographies of the many Torah personalities from whom Rabbi Friedman quotes. Beautifully slipcased 2-volume set.

The Weekly Torah Portion Independently Published

The Ultimate Parsha Parables Anthology - Breishis is a wonderful collection of homiletic thoughts on the Book of Genesis -- each with a great parable or anecdote! With an uncanny ability to elucidate deep and often complex concepts with clear and poignant everyday examples, humorous tales and historical anecdotes, Rabbi Kamenetzky has now collected, indexed and organized more than fifteen years' of Parsha Parables on the Torah and Holidays, one volume for each of the Five Books of the Pentateuch, and an additional volume on the Jewish holidays and special occasions. With More than 400 Pages on Genesis alone, it is a great resource for public speakers and laymen, for every occasion.

Torah Studies Charisma House

Torah Portions are designed to help you read and learn the Word of God in a systematic manner. With scheduled reading times, Torah Portions will help you feel closer to the Land of Israel. All over the world, people are reading Torah Portions in a variety of ways. It is believed that at least 80%% of the New Testament is based upon the Old Testament. The harmony of the two testaments is incredibly accurate. These individual Torah Portions include... 1)The Modeh Ani - Which is "I give thanks," the first words of the prayer Jewish prayer that observant Jews recite daily upon waking, while still in bed. 2)The Shemoneh Esrei Amidah also called the Standing Prayer recited 3 times per day in most Jewish Synagogues. It includes 18/19 Blessings that you CAN apply to your personal prayer life. 3)Torah Portions Reading List. This paperback option gives you the ability to make notations that can be reviewed from year to year.

Torah Studies CreateSpace

A Year with the Sages uniquely relates the Sages' understanding of each Torah portion to everyday life. The importance of these teachings cannot be overstated. The Sages, who lived during the period from the fifth century BCE to the fifth century CE, considered themselves to have inherited the oral teachings God transmitted to Moses, along with the mandate to interpret them to each subsequent generation. Just as the Torah and the entire Hebrew Bible are the foundations of Judaism, the Sages' teachings form the structures of Jewish belief and practice built on that foundation. Many of these teachings revolve around core concepts such as God's justice, God's love, Torah, Israel, humility, honesty, loving-kindness, reverence, prayer, and repentance. You are invited to spend a year with the inspiring ideas of the Sages through their reflections on the fifty-four weekly Torah portions and the eleven Jewish holidays. Quoting from the week's Torah portion, Rabbi Reuven Hammer presents a Torah commentary, selections from the Sages that chronicle their process of interpreting the text, a commentary that elucidates these concepts and their consequences, and a personal reflection that illumines the Sages' enduring wisdom for our era.

A Letter in the Scroll Feldheim Publishers

The drasha, or traditional sermon delivered during services, is a rabbi's primary means of conveying Torah ideology and inspiration to his congregants. Many a shulgoer has recounted how, in trying moments of life, the refrain of a rabbi's drasha echoing in his or her head has provided the fortitude and clarity to rise to life's challenges. An engaging and thought-provoking speaker, Rabbi Avraham Steinberg now turns his talents to the art of written sermonics. Rabbi Steinberg gleans nuggets from

the classic commentators of old, the greats of the yeshiva world today, the illustrious Chassidic rebbes, and the giants of the Mussar movement, and then adds his own insights and modern-day applications, to fashion drashos that are at once rich in tradition as well as contemporary and pertinent. The weekly Torah portion has always been the lens through which believing Jews have viewed and understood the events of their lives. Whether you're a rabbi or a layperson, you'll appreciate traveling through the year, parsha by parsha, enjoying the warmth and wisdom of this timeless collection.

The Year in Drashos Merkos L'Inyonei Chinuch

In the spirit of Nechama Leibowitz's classic, "New Studies in the Weekly Parsha," Rabbi David Kasher offers 54 essays exploring the vast but understudied genre of Jewish literature known as parshanut, or Torah commentary. From the masters of midrash who began the tradition, to the medieval commentators who defined the style, on down to the scholars of the modern age, Kasher leads an impassioned and engaging tour through the history of Jewish Biblical interpretation. "With engaging clarity and vivacity, Kasher presents a wide range of traditional commentaries on the biblical text. In each chapter, he poses a central question which then becomes a field for vigorous discussion, pursued in a contemporary conversational tone. Kasher arrives at sometimes provocative resolutions and the reader is drawn into the work of parshanut, of biblical interpretation, which is clearly a passion for him, and irresistibly becomes a passion for the reader too." - Dr. Avivah Gottlieb Zornberg, Author of "Genesis: The Beginning of Desire" "Rabbi David Kasher has written a magnificent commentary on the

Torah. With echoes of Nechama Leibowitz, the work beautifully synthesizes traditional commentaries with creative insights. Intellectually deep and yet accessible to all. A masterful book.” – Rabbi Avi Weiss, Founder of the Hebrew Institute of Riverdale, Yeshivat Chovevei Torah & Yeshivat Maharat “To read this book is to get a front row seat in the classroom of a master teacher. Rabbi Kasher’s voice is as accessible as his insights are profound. From the most learned reader to the true beginner, Rabbi Kasher leaves us enriched and wiser, granting us access to our own sacred inheritance.” – Rabbi Sharon Brous, Founder and Senior Rabbi, IKAR “If a student approached me and said: “I will read

one book, but only one book, on the Torah. If I fall in love, I’ll stay. If it falls flat for me, I’m out” – this is the book I would tell them to read.” – Rabbi Benay Lappe, President and Rosh Yeshiva, SVARA

The Torah Anthology Rowman & Littlefield

Deftly weaving literary analysis of the biblical text with selected teachings of classical Jewish commentary, Passages is a thought-provoking study of the weekly parasha. Revealing the intricacies of the Torah portion and offering innovative readings, the book applies the Torah's message to the complexities of modern living. This journey into the landscape of biblical study will both challenge and refresh readers.
