The Spanish Verb

Workbook is a study aid for those teaching

themselves Spanish or for those taking Spanish

classes. The workbook

contains over 2,000

Spanish translation

sentences to help advanced beginners and intermediate Spanish learners become familiar with Spanish verb tenses. The workbook is divided

into eight chapters. Each chapter covers one verb tense. The learner has to translate English sentences into Spanish. The vocabulary and

answer key can be found in the back of the workbook. This

workbook has more Spanish translation sentences than any other

book on the market and was written by someone

that taught himself Spanish and a native Spanish speaker from

Guatemala. All of the sentences were proofread

by a native Spanish speaker from Argentina

that taught high school and middle school

Spanish in the United States for fifteen years.
