Examiner Tip features most up-to-date expert advice and identifies common exam mistakes. Boost student confidence on all AQA GCSE Elizabethan question types with revision activities such as Interpretation Analysis and Historic Environment - Perfect for use alongside the Student Book or as a stand-alone resource for indepen

### **Early Elizabethan England, 1558-88**

Oxford University Press - Children

After the accession of Elizabeth I in 1558, Protestant England was beset by the hostile Catholic powers of Europe, including Spain. In October 1585, King Philip II of Spain declared his intention to destroy Protestant England and began preparing invasion plans, leading to an intense intelligence war between the two countries and culminating in the dramatic sea battles of 1588. Popular history dictates that the defeat of the Spanish

Armada was a David versus Goliath victory, snatched by plucky and outnumbered English forces. In this tightly written and fascinating new history, Robert Hutchinson explodes this myth, revealing the true destroyers of the Spanish Armada—inclement weather and bad luck. Of the 125 Spanish ships that set sail against England, only 60 limped home, the rest wrecked or sank with barely a shot fired from their main armament. In this dramatic hour-by-hour, blow-by-blow account of the Spanish Armada's attempt to destroy Elizabeth's England, Hutchinson spins a compelling and unbelievable narrative. Using everything from contemporary eyewitness accounts to papers held by the national archives in Spain and the United Kingdom, Robert Hutchinson re-creates one of history's most famous episodes in an entirely new way.
