*A Letter to Three Witches* Createspace Independent Publishing Platform

Master storyteller Alice Hoffman brings us the conclusion of the Practical Magic series in a spellbinding and enchanting final Owens novel brimming with lyric beauty and vivid characters. The Owens family has been cursed in matters of love for over three-hundred years but all of that is about to change. The novel begins in a library, the best place for a story to be conjured, when beloved aunt Jet Owens hears the deathwatch beetle and knows she has only seven days to live. Jet is not the only one in danger—the curse is already at work. A frantic attempt to save a young man's life spurs three generations of the Owens women, and one long-lost brother, to use their unusual gifts to break the curse as they travel from Paris to London to the English countryside where their ancestor Maria Owens first practiced the Unnamed Art. The younger generation discovers secrets that have been hidden from them in matters of both magic and love by Sally, their fiercely protective mother. As Kylie Owens uncovers the truth about who she is and what her own dark powers are, her aunt Franny comes to understand that she is ready to sacrifice everything for her family, and Sally Owens realizes that she is willing to give up everything for love. The Book of Magic is a breathtaking conclusion that celebrates mothers and daughters, sisters and brothers, and anyone who has ever been in love.

**Three Magic Words** Penn State Press

This trade paperback volume contains both The Key of Solomon the King (The Greater Key) and The Lesser Key of Solomon, including all of the original illustrations, diagrams and annotations to aid the reader in their understanding of the Solomon Key. The Key of Solomon the King was originally researched and translated by S.L. MacGregor Mathers from ancient manuscripts in the British museums. Included by Mathers is the Order of the Pentacles of Solomon, the Ancient Fragment of the Key of Solomon, The Qabalistic Invocation of Solomon, and 15 plates full of figures, seals and charts, as well as the original text giving detailed instruction for spells and invocations. The work is traditionally divided into two books detailing the Key of King Solomon. Book One explains the operation of conjurations, curses, spells and other magical works. Book Two instructs the practitioner on the proper attire, purification rituals and other means of obtaining the goals of the Goetia. Between these two books is the list of plates that contain numerous illustrations and secret seals of Solomon, including the Mystical Seal of Solomon, the Pentacles of Solomon, and the Mystical Alphabet, which impart the mechanisms and requirements for the invocation of spirits and demons. The Lesser Key of Solomon, or the Clavicula Salomonis Regis, or Lemegeton, is a compilation of materials and writings from ancient sources making up a text book of magic or "grimoire." Portions of this book can be traced back to the mid-16th to 17th centuries, when occult researchers such as Cornelius Agrippa and Johannes Trithemius assembled what they discovered during their investigations into their own great works. As a modern grimoire, the Lesser Key of Solomon has seen several editions with various authors and editors taking liberty to edit and translate the ancient writings and source material. In 1898, Arthur Edward Waite

published his *The Book of Black Magic and of Pacts*, which contained large portions of the Lemegeton. He was followed by Mathers and Crowley in 1904 who published *The Goetia: The Lesser Key of Solomon*. Many others have assembled their own version of this ancient material since, and it is important to realize that it is the contents rather than the book itself that make up the Lesser Key. Traditionally, the source material is divided into five books: *Ars Goetia*, *Ars Theurgia Goetia*, *Ars Paulina*, *Ars Almadel*, and *Ars Notoria*. Mathers and Crowley indicate their edition is a translation of the first. In the preface to this edition, it is explained that a "Secret Chief" of the Rosicrucian Order directed the completion of the book. The original editor was a G. H. Fra. D.D.C.F. who translated ancient texts from French, Hebrew, and Latin, but was unable to complete his labors because of the martial assaults of the Four Great Princes. Crowley was then asked to step in and finish what the previous author had begun. Traditionally, S. L. MacGregor Mathers is credited as the translator of this edition, and Crowley is given the title of editor. Scholars believe these books of Solomon and their many iterations derive from the ancient practices of Jewish Kabbalah and Arab Alchemy. After time, it is thought Greek and Roman influences were added until, finally, the work was used and molded by high Renaissance magicians. This book, as well as other King Solomon books, such as the *Magical Treatise of King Solomon and the Testament of Solomon*, were brought back to modern times through the labors of occult practitioners such as S. L. MacGregor Mathers, Aleister Crowley and others around the turn of the last century.

*The Lesser Key of Solomon* Greenwillow Books

An instant New York Times bestseller and Reese Witherspoon Book Club pick from beloved author Alice Hoffman—the spellbinding prequel to *Practical Magic*. Find your magic. For the Owens family, love is a curse that began in 1620, when Maria Owens was charged with witchery for loving the wrong man. Hundreds of years later, in New York City at the cusp of the sixties, when the whole world is about to change, Susanna Owens knows that her three children are dangerously unique. Difficult Franny, with skin as pale as milk and blood red hair, shy and beautiful Jet, who can read other people's thoughts, and charismatic Vincent, who began looking for trouble on the day he could walk. From the start Susanna sets down rules for her children: No walking in the moonlight, no red shoes, no wearing black, no cats, no crows, no candles, no books about magic. And most importantly, never, ever, fall in love. But when her children visit their Aunt Isabelle, in the small Massachusetts town where the Owens family has been blamed for everything that has ever gone wrong, they uncover family secrets and begin to understand the truth of who they are. Yet, the children cannot escape love even if they try, just as they cannot escape the pains of the human heart. The two beautiful sisters will grow up to be the memorable aunts in *Practical Magic*, while Vincent, their beloved brother, will leave an unexpected legacy. Alice Hoffman delivers “fairy-tale promise with real-life struggle” (*The New York Times Book Review*) in a story how the only remedy for being human is to be true to yourself. Thrilling and exquisite, real and fantastical, *The Rules of Magic* is “irresistible...the kind of book you race through, then pause at the last forty pages, savoring your final moments with the characters” (*USA TODAY*, 4/4 stars).

**Three Magic Words** Library of Alexandria

A Newbery Honor Book Winner of the Sydney Taylor Book Award An exciting and hilarious medieval adventure from the bestselling author of *A Tale Dark and Grimm*. Beautifully illustrated throughout by Hatem Aly! ★ A New York Times Bestseller ★ A New York Times Editor's Choice ★ A New York Times Notable Children's Book ★ A People Magazine Kid Pick ★ A Washington Post Best Children's Book ★ A Wall Street Journal Best Children's Book ★ An Entertainment Weekly Best Middle Grade Book ★ A Booklist Best Book ★ A Horn Book Fanfare Best Book ★ A Kirkus Reviews Best Book ★ A Publishers Weekly Best Book ★ A School Library Journal Best Book ★ An ALA Notable Children's Book “A profound and ambitious tour de force. Gidwitz is a masterful storyteller.” —Matt de la Peña, Newbery Medalist and New York Times bestselling author “What Gidwitz accomplishes here is staggering.” —New York Times Book Review Includes a detailed historical note and bibliography 1242. On a dark night, travelers from across France cross paths at an inn and begin to tell stories of three children. Their adventures take them on a chase through France: they are taken captive by knights, sit alongside a king, and save the land from a farting dragon. On the run to escape prejudice and persecution and save precious and holy texts from being burned, their quest drives them forward to a final showdown at Mont Saint-Michel, where all will come to question if these children can perform the miracles of saints. Join William, an oblate on a mission from his monastery; Jacob, a Jewish boy who has fled his burning village; and Jeanne, a peasant girl who hides her prophetic visions. They are accompanied by Jeanne's loyal greyhound, Gwenforte . . . recently brought back from the dead. Told in multiple voices, in a style reminiscent of *The Canterbury Tales*, our narrator collects their stories and the saga of these three unlikely allies begins to come together. Beloved bestselling author Adam Gidwitz makes his long awaited return with his first new world since his hilarious and critically acclaimed *Grimm* series. Featuring manuscript illuminations throughout by illustrator Hatem Aly and filled with Adam's trademark style and humor, *The Inquisitor's Tale* is bold storytelling that's richly researched and adventure-packed. “It's no surprise that Gidwitz's latest book has been likened to *The Canterbury Tales*, considering its central story is told by multiple storytellers. As each narrator fills in what happens next in the story of the three children and their potentially holy dog, their tales get not only more fantastical but also more puzzling and addictive. However, the gradual intricacy of the story that is not Gidwitz's big accomplishment. Rather it is the complex themes (xenophobia, zealotry, censorship etc.) he is able to bring up while still maintaining a light tone, thus giving readers a chance to come to conclusions themselves. (Also, there is a farting dragon.)” —Entertainment Weekly, “Best MG Books of 2016” Puckish, learned, serendipitous . . . Sparkling medieval adventure.” —Wall Street Journal ★ “Gidwitz strikes literary gold with this mirthful and compulsively readable adventure story. . . . A masterpiece of storytelling that is addictive and engrossing.” —Kirkus, starred review ★ “A well-researched and rambunctiously entertaining story that has as much to say about the present as it does the past.” —Publishers Weekly, starred review ★ “Gidwitz proves himself a nimble storyteller as he weaves history, excitement, and multiple narrative threads into a taut, inspired adventure.” —Booklist, starred review ★ “Scatological humor, serious matter, colloquial present-day language, the ideal of diversity and mutual understanding—this has it all.” —The Horn Book, starred review ★ “I have never read a book like this. It's weird, and unfamiliar, and religious, and irreligious, and more fun than it has any right to be. . . . Gidwitz is on fire here, making medieval history feel fresh and current.” —School Library Journal, starred review

*The Key of Solomon the King* Simon and Schuster

The Book of the Sacred Magic of Abramelin the Mage—originally published in 1900, translated by Samuel Mathers from a 15th-century French document—was purportedly written by Abraham for his son Lamech. Within this volume are three books. The first book is Abraham's autobiography in

which he speaks to his son. The second book is an explanation of the purification rituals necessary to bring the magician's personal demon under his control. And the third book details what feats can be accomplished once the practitioner is able to use a form of magic controlled and directed through sigils of magic words written on a grid. Anyone with an interest in the occult will find this an interesting, though perhaps impractical, guide for exploring mystic arts.

**The Greater Key of Solomon** Little, Brown Books for Young Readers

"Bewitched meets *Practical Magic* in this bubbly, quirky romantic comedy with an enchanted twist from acclaimed author Elizabeth Bass. When romance problems cause their powers to go berserk, a trio of witches whose family was banned from practicing magic risk getting in serious trouble with the Grand Council of Witches. Can they get their magic—and their love lives—in order before it's too late?!"--

**The Greater and Lesser Keys of Solomon the King** Lulu.com

For the first time, the three great magical works of King Solomon are together in one volume. The Greater and Lesser Keys give a practical guide to the operation of his magic. The testament gives a historical account of its use by Solomon himself. The Greater Key of Solomon was researched and translated from ancient manuscripts in British libraries by S.L. MacGregor Mathers in 1889. Traditionally, the work is divided into two books. Book One explains the operation of conjurations, spells and other magical works found in its pages. Book Two instructs the practitioner on the proper attire, purification and rituals needed for obtaining results. The Lesser Key, is a compilation of ancient writings making up a text book of magick. Portions of the book are traced to the mid-16th to 17th centuries, when occult researchers such as Cornelius Agrippa and Johannes Trithemius assembled discoveries made during their own investigations into the occult. The original editor was a G. H. Fra. D.D.C.F. He translated the text from French, Hebrew, and Latin, but was unable to complete his labors because of martial assaults from the Four Great Princes. Crowley was asked to step in and finish the work in progress. The Testament is a pseudepigraphical work attributed to King Solomon. Written in the first-person narrative, the book tells how Solomon created his magic ring and used it to bind and control demons, including Beelzebub. Discourses between Solomon and various spirits are recorded, and King Solomon details how he withstood their tricks and guile and even enlisted their aid to build his famous temple.

**Tap the Magic Tree Board Book** Macmillan

The *Magical Treatise of Solomon*, or *Hygromanteia* is the ultimate grimoire—the absolute foundation of ceremonial magic. The true source of the Key of Solomon, it is arguably the most significant magical text in the world. For the first time ever, this extraordinary work has been translated from the original Greek into English, allowing magic scholars worldwide to finally access its treasures. The translator, Ioannis Marathakis, is a native born Greek academic with an extensive knowledge of ceremonial magic. Unlike the abridged Latin translation, this groundbreaking work is the complete text, now arranged in its proper order.

**The Goetia the Lesser Key of Solomon the King** A Cupcake Coven Romance

The Grand Grimoire, Kabbalah, Witchcraft, Old Magic - all share a common inspiration: The Wise King Solomon. Writer of three books in the Bible; Book of Proverbs, Ecclesiastes & Song of Songs (and possibly Psalms) - he also possessed a magic ring, with which he could control and befriend daemons - giving him Ultimate Power. This is his testament. (Please note: this is not a book of negativity or the black arts, this is a historical account, an amendment if you will). Herein is the complete original article from JQR (1898) Republished with Permission. Revised forward by author, Guinness record holding performance artist, and radio personality Mikhail Tank. Original artwork by Seth Ahonen.

**The Three Magical Books of Solomon. Illustrated** Notion Press

The Book of Ceremonial Magic - Arthur Edward Waite - The Book of Ceremonial Magic by Arthur Edward Waite was originally called *The Book of Black Magic and of Pacts*. It was first published in a limited run in 1898, and distributed more widely under the title *The Book of Ceremonial Magic* in 1910. Writing in the late 19th century, Waite had studiously researched many obscure tenets of magic. Much of this book concerns the obscure occult tomes, which the author condenses and presents to readers in this single volume. Waite's studies uncover a variety of knowledge; there are thousands of spells and rituals that date back to Medieval times and have a theological basis. Many exist to ward off devils, witches or other evil phenomena, while others seek to conjure beneficent spirits. Another intriguing aspect of ceremonial magic is the ability to form pacts with supernatural beings. These rituals in themselves act to compel supernatural entities to assist a human being; none of them involve offering one's soul. However, many require one or more materials and ingredients to begin - grave dust or a certain plant for instance. Waite disapproves of those who reprint and sell the older magical grimoires for two principle reasons. Firstly the quality of the English translations is low, often proscribing completely different instructions and requisites for a given ritual than was given in the original source text. Secondly these books make no distinction between 'white' or 'black' magic; such lack of organization makes it difficult for the modern reader to distinguish the practices. Over 150 symbols, seals, insignia, charts and other illustrations populate this text, each offering insight into how the magician correctly undertakes his tasks. Waite includes many scripts that the performer of magic must read out loud as he attempts to conjure, summon or communicate with forces from other planes of existence.

**The Book of the Sacred Magic of Abramelin the Mage** Hubble Bubble Series

The Greater Key of Solomon is a 14th century Grimoire written by an anonymous author and is divided in three parts called Books. It contains invocations, conjurations and ways to summon Spirits from the spirit realm as well as the Spirits of Demons and punished souls from Hell. The Grimoire gives theoretical information and step by step practical guidance on an array of topics such as planetary hours, celestial bodies, prayers, ritual preparation, communication with Angels and Spirits, exorcisms, magickal amulets, the preparation and use of ritual equipment and more. Note from the Publisher: The illustrations in this book come from enhanced scans of the original seals. The scans have been painted over by hand using black ink and then re-scanned in order to improve the texture and make the lines and letters more legible, as some of the pages and illustrations of the book have deteriorated due to the manuscript's age, and they appear faded or broken. The original manuscript can be found in the British Museum.

**The Book of Magic** Random House Books for Young Readers

The Key of Solomon the King is the most famous and most significant of all known grimoires, or ancient spellbooks. Much of Western magical tradition

rests on the book's charts of planetary alignments, doctrines about angels and spirits, and information on talismans endowed with magic properties. The grimoire of ceremonial magic recounts how King Solomon bested some demons using a magic ring that had been given to him by the Archangel Raphael. Contents: The Lesser Key of Solomon The Greater Key of Solomon the King The Testament of Solomon

**Prayer, Magic, and the Stars in the Ancient and Late Antique World** BookRix

This volume contains three books of Franz Bardon 1. Initiation into Hermeticism 2. The Practice of Magical Evocation 3. The True Key to the Quabalah In reality, magic is a sacred science, it is, in the very true sense the sum of all knowledge because it teaches how to know and utilize the sovereign rules. There is no difference between magic and mysticism or any other conception of the name. Wherever authentic initiation is at stake, one has to proceed on the same basis, according to the same rules, irrespective of the name given by this or that creed. Considering the universal polarity rules of good and evil, active and passive, light and shadow, each science can serve good as well as bad purposes. Let us take the example of a knife, an object that virtually ought to be used for cutting bread only, which, however, can become a dangerous weapon in the hands of a murderer. All depends on the character of the individual. This principle goes just as well for all the spheres of the occult sciences. In my book I have chosen the term of "magician" for all of my disciples, it being a symbol of the deepest initiation and the highest wisdom.

*Now You Are Three* Strelbytskyy Multimedia Publishing

The acclaimed interactive picture book about the changing seasons. "Like Hervé Tullet's Press Here, Matheson's Tap the Magic Tree proves you don't need apps for interactivity," praised the New York Times. This board book edition is perfect for little hands. Every book needs you to turn the pages. But not every book needs you to tap it, shake it, jiggle it, or even blow it a kiss. Innovative and timeless, Tap the Magic Tree asks you to help one lonely tree change with the seasons. Now that's interactive—and magical! It begins with a bare brown tree. But tap that tree, turn the page, and one bright green leaf has sprouted! Tap again—one, two, three, four—and four more leaves have grown on the next page. Pat, clap, wiggle, jiggle, and see blossoms bloom, apples grow, and the leaves swirl away with the autumn breeze. The collage-and-watercolor art evokes the bright simplicity of Lois Ehlert and Eric Carle and the interactive concept will delight fans of Pat the Bunny. Combining a playful spirit and a sense of wonder about nature, Christie Matheson has created a new modern classic that is a winner in every season—and every story time! And don't miss the follow-up, Touch the Brightest Star!

**The Magical Treatise of Solomon, Or Hygromanteia** Penguin

This #1 New York Times bestseller is the first book in a new series set in Chris Colfer's Land of Stories universe, perfect for both new and longtime fans! When Brystal Evergreen stumbles across a secret section of the library, she discovers a book that introduces her to a world beyond her imagination and learns the impossible: She is a fairy capable of magic! But in the oppressive Southern Kingdom, women are forbidden from reading and magic is outlawed, so Brystal is swiftly convicted of her crimes and sent to the miserable Bootstrap Correctional Facility. But with the help of the mysterious Madame Weatherberry, Brystal is whisked away and enrolled in an academy of magic! Adventure comes with a price, however, and when Madame Weatherberry is called away to attend to an important problem she doesn't return. Do Brystal and her classmates have what it takes to stop a sinister plot that risks the fate of the world, and magic, forever? Fall in love with an all-new series from Chris Colfer, the #1 New York Times bestselling author of the Land of Stories, filled with adventure, imagination, and wonderfully memorable characters both familiar and new. A #1 New York Times bestsellerAn IndieBound bestseller A USA Today bestseller A Wall Street Journal bestseller Don't miss: A TALE OF WITCHCRAFT...

*The Two Magical Books of Solomon* e-artnow

A revised and updated edition of a groundbreaking self-help classic, with a foreword by Eckhart Tolle, bestselling author of *The Power of Now* and *A New Earth* *Three Magic Words* presents a simple but profound truth: we can shape the outer world by shaping our inner thoughts. Instead of being controlled by circumstances, we can become architects of our reality by harnessing the power of consciousness itself. Throughout the book, U. S. Andersen illustrates this principle with meditations to help you reframe difficult situations and cultivate liberating thoughts. He also empowers you to:

- understand the true relationship between mind and matter
- free yourself from limiting beliefs
- program your thoughts for success
- tap the power of the subconscious mind
- develop your innate intuitive abilities

As Andersen puts it, this book is "aimed at revealing to you your power over all things. You will learn that there is only one mover in all creation, and that mover is thought."

**The Three Magical Books of Solomon** Cosimo, Inc.

A Darker Shade of Magic, from #1 New York Times bestselling author V.E. Schwab Kell is one of the last Antari—magicians with a rare, coveted ability to travel between parallel Londons; Red, Grey, White, and, once upon a time, Black. Kell was raised in Arnes—Red London—and officially serves the Maresh Empire as an ambassador, traveling between the frequent bloody regime changes in White London and the court of George III in the duller of Londons, the one without any magic left to see. Unofficially, Kell is a smuggler, servicing people willing to pay for even the smallest glimpses of a world they'll never see. It's a defiant hobby with dangerous consequences, which Kell is now seeing firsthand. After an exchange goes awry, Kell escapes to Grey London and runs into Delilah Bard, a cut-purse with lofty aspirations. She first robs him, then saves him from a deadly enemy, and finally forces Kell to spirit her to another world for a proper adventure. Now perilous magic is afoot, and treachery lurks at every turn. To save all of the worlds, they'll first need to stay alive. "A Darker Shade of Magic has all the hallmarks of a classic work of fantasy. Schwab has given us a gem of a tale...This is a book to treasure."—Deborah Harkness, New York Times bestselling author of the All Souls trilogy *Shades of Magic* series 1. A Darker Shade of Magic 2. A Gathering of Shadows 3. A Conjuring of Light At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*A Tale of Magic...* Houghton Mifflin Harcourt

The story of King Solomon has fascinated spiritual and religious writers for millennia - this book advances a theory that Solomon was in fact a Magi who created many of the rituals, spells and symbols important to occultists. Although the idea that Solomon carried some sort of mystical powers is not new, this book purports to be written in the ancient king of the Jews' own hand. The magical symbols and diagrams which are situated alongside the various rituals and incantations are intricate, containing pentacles and other shapes. Towards the end of the book a large table is appended, detailing a selection of mystical alphabets and their English. For his investigation, Mathers delved deep into the archives of the British Museum, unearthing an old French manuscript of the text which he duly translated into English. He also replicated the diagrams and symbols; these efforts resulted in this modern English version of the old Solomon manuscripts, and an increase in interest toward writings hitherto obscure.

*The Writings of Aleister Crowley 2* Courier Corporation

"A strong . . . trilogy, invoking just a little Harry Potter and Series of Unfortunate Events along the way."—Realms of Fantasy Siblings Kate, Michael, and Emma have been in one orphanage after another for the last ten years, passed along like lost baggage. Yet these unwanted children are more remarkable than they could possibly imagine. Ripped from their parents as babies, they are being protected from a horrible evil of devastating power, an evil they know nothing about. Until now. Before long, Kate, Michael, and Emma are on a journey through time to dangerous and secret corners of the world . . . a journey of allies and enemies, of magic and mayhem. And—if an ancient prophesy is true—what they do can change history, and it's up to them to set things right. "A new Narnia for the tween set."—The New York Times "[A] fast-paced, fully imagined fantasy."—Publishers Weekly "Echoes of other popular fantasy series, from "Harry Potter" to the "Narnia" books, are easily found, but debut author Stephens has created a new and appealing read . . ."—School Library Journal, Starred Review
