GRANT LEBLANC

Letter Ignatius Press

How can a church best respond when their priest tells them "I'm retiring," or "I've been called to another parish?" This book outlines to receiving a new ordained leader, recognizing that every parish is different. Discerning exactly what your parish needs can be both a challenge and a joy, and *On the Emmaus Road* affirms that you can listen to God's voice while attending to other day-to-day tasks. Based upon several years of doctoral research into the work of search committees in the Diocese of Virginia, this book has been refined through the experience of using its new methodologies in over seventy-five calls. With both traditional and creative

new approaches to the clergy search process, Thorpe gives a wealth of resources for your parish to not only survive the days to come, but thrive in the midst of them.

Letters to My Brother Priests Gracewing Publishing

Once nearly as ubiquitous as dictionaries and cookbooks are today, letter-writing manuals and their predecessors served to instruct individuals not only on the art of letter composition but also, in effect, on personal conduct. Poster and Mitchell contend that the study of letter-writing theory, which bridges rhetorical theory and grammatical studies, represents an emerging discipline in need of definition. In this volume, they gather the contributions of eleven experts to sketch the contours of epistolary theory and collect the historic and bibliographic

materials - from Isocrates to email - that form the basis for its study.

Dear Nicholas... University of Pennsylvania Press

Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, *The Accountant Beside You*, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced

bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. QuickBooks for Churches covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of experience as well as those just starting out. Let The Accountant Beside You take one more worry off your crowded to-do list.

Letters to a Young Catholic USCCB Publishing

Neither a how-to manual nor an academic treatise on pastoral ministry, this book of biblical exposition, pastoral confession, and gospel exultation directs pastors to their only justification: the finished work of Christ.

On the Emmaus Road Crossway

ONE OF THE NEW YORK TIMES BOOK REVIEW'S 10 BEST BOOKS OF THE YEAR NAMED ONE OF THE 50 BEST MEMOIRS OF THE PAST 50 YEARS BY THE NEW YORK TIMES SELECTED AS A BEST BOOK OF THE YEAR BY: The Washington Post * Elle * NPR * New York Magazine * Boston Globe * Nylon * Slate * The Cut * The New Yorker * Chicago Tribune WINNER OF THE THURBER PRIZE FOR AMERICAN HUMOR "Affectionate and very funny . . .

wonderfully grounded and authentic. This book proves Lockwood to be a formidably gifted writer who can do pretty much anything she pleases." - The New York Times Book Review From Booker Prize finalist Patricia Lockwood, author of the novel *No One Is Talking About This*, a vivid, heartbreakingly funny memoir about balancing identity with family and tradition. Father Greg Lockwood is unlike any Catholic priest you have ever met—a man who lounges in boxer shorts, loves action movies, and whose constant jamming on the guitar reverberates “like a whole band dying in a plane crash in 1972.” His daughter is an irreverent poet who long ago left the Church’s country. When an unexpected crisis leads her and her husband to move back into her parents’ rectory, their two worlds collide. In *Priestdaddy*, Lockwood interweaves emblematic moments from her childhood and adolescence—from an ill-fated family hunting trip and an abortion clinic sit-in where her father was arrested to her involvement in a cultlike Catholic youth group—with scenes that chronicle the eight-month adventure she and her

husband had in her parents’ household after a decade of living on their own. Lockwood details her education of a seminarian who is also living at the rectory, tries to explain Catholicism to her husband, who is mystified by its bloodthirstiness and arcane laws, and encounters a mysterious substance on a hotel bed with her mother. Lockwood pivots from the raunchy to the sublime, from the comic to the deeply serious, exploring issues of belief, belonging, and personhood. *Priestdaddy* is an entertaining, unforgettable portrait of a deeply odd religious upbringing, and how one balances a hard-won identity with the weight of family and tradition.

The End and the Beginning Church Publishing, Inc.

The Basics of Ministry series explores parish ministries that are vital to an active and meaningful eucharistic celebration. Each book provides useful material for the recruitment and training of new ministers, as well as insights to revitalize those who have been involved in ministry for years. The series includes introductions to specific ministries, brief histories, spirituality and instructions. You also will find a list of other resources, along with prayers and questions for discussion and reflection.

Ministers and Ministries in the Local Church Church Publishing

The world is full of interesting people, and it has been George Weigel's good fortune to have known many such personalities in a variety of fields: politics, religion, the arts and sciences, journalism, the academy, entertainment, and sports. In this collection of reminiscences and elegies, the best-selling author of the definitive biography of Pope Saint John Paul II remembers these men and women from inside the convictions that formed them. Whether he is sketching the lives of Nobel Prize-winning scientists, major league baseball managers, princes of the Church, television personalities, or history-making political leaders, Weigel tries to understand, and help readers understand, the deep truths of the human condition illuminated by each of these not-forgotten lives. Written with verve, insight, and an appreciation for the consequential lives that have touched his own, *Not Forgotten* fills out the autobiographical portrait that George Weigel began painting in *Lessons in Hope: My Unexpected Life with Saint John Paul II*, while offering a backstage view of some of the men and women who have shaped the turbulent history of our times. The 60 intriguing lives that he writes about are a wide diversity of unique characters and personalities, including

Albert Einstein, William F. Buckley, Flannery O'Connor, Franz Jägerstätter, John Paul II, Jackie Robinson, Charles Krauthammer, Sophie Scholl, Henry Hyde, James Schall, S.J., Dietrich Von Hildebrand, Charles Colson, Fr Richard J. Neuhaus and many more.

Celebraciones Dominicales en Ausencia de Presbítero Doubleday Religion

This single-volume collector's edition contains the complete collection of Pope John Paul II's Holy Thursday letters to priests. "On this holy day, the liturgy takes us inside the Upper Room." Thus wrote Pope John Paul II in 1979 in his first Holy Thursday letter, a tradition he continued until his passing in 2005. The Upper Room is the essence of his annual letters: coming to a deeper understanding of the theology of the priesthood, instituted that first Holy Thursday almost two millennia ago. *Letters to My Brother Priests* will help every priest understand the theology behind his ministry. This book will help every seminarian understand the august status he pursues. This book will help every one understand why priests are so essential to every Christian's faith and vocation within the Church.

Calling Clergy Hachette UK

These papers are personal letters addressed to a parish priest of the Church of Borne, Father A. M. S.--, whose acquaintance I made on a railway journey, and with this cultured gentleman it was a pleasure to converse. When we parted, he accepted from me a little volume dealing with a portion of Holy Scripture, concerning which he afterwards wrote me a very appreciative letter. Our correspondence was interrupted by illness on my part, which for a long time hindered my again writing him. Of the earlier letters I kept no copies; but the latter ones were written in duplicate, and are now published with the hope that they may prove helpful to the reader.

To the Tin Man Midwest Theological Forum This clear, beautifully written tool for congregations engaged in the discernment and search process is a balanced combination of spiritual reflection and practical advice, born of the author's extensive experience as deployment officer in the Episcopal Diocese of New Jersey. The bonus of additional Appendix material, including a sample congregational questionnaire and other invaluable resources, available for free download below, make *Calling Clergy* a must-read book for parish search committees, vestry members, and other parish leaders.

The Pastor's Justification Abingdon Press

Lenny Duncan is the unlikeliest of pastors. Formerly incarcerated, he is now a black preacher in the whitest denomination in the United States: the Evangelical Lutheran Church in America (ELCA). Shifting demographics and shrinking congregations make all the headlines, but Duncan sees something else at work--drawing a direct line between the church's lack of diversity and the church's lack of vitality. The problems the ELCA faces are theological, not sociological. But so are the answers. Part manifesto, part confession, and all love letter, *Dear Church* offers a bold new vision for the future of Duncan's denomination and the broader mainline Christian community of faith. *Dear Church* rejects the narrative of church decline and calls everyone--leaders and laity alike--to the front lines of the church's renewal through racial equality and justice. It is time for the church to rise up, dust itself off, and take on forces of this world that act against God: whiteness, misogyny, nationalism, homophobia, and economic injustice. Duncan gives a blueprint for the way forward and urges us to follow in the revolutionary path of Jesus.

A Letter to a Priest of the Roman Church
LiturgyTrainingPublications

A powerful new interpretation of Catholicism's dramatic encounter with modernity, by one of America's leading intellectuals Throughout much of the nineteenth century, both secular and Catholic leaders assumed that the Church and the modern world were locked in a battle to the death. The triumph of modernity would not only finish the Church as a consequential player in world history; it would also lead to the death of religious conviction. But today, the Catholic Church is far more vital and consequential than it was 150 years ago. Ironically, in confronting modernity, the Catholic Church rediscovered its evangelical essence. In the process, Catholicism developed intellectual tools capable of rescuing the imperiled modern project. A richly rendered, deeply learned, and powerfully argued account of two centuries of profound change in the church and the world, *The Irony of Modern Catholic History* reveals how Catholicism offers twenty-first century essential truths for our survival and flourishing.

On the Way to Jesus Christ Sacristy Press

A letter from a bishop to his newly-ordained son, revised for today's audience and with an epilogue by the original recipient (who is now Dean of Chelmsford) reflecting on ministry today.

Letters to a Roman Catholic Priest
Createspace Independent Publishing

Platform

Jesus Christ is as popular as ever. Films, books, and news articles ask, "Who was Jesus Christ?" Even outside of Christianity he continues to appeal to people. And yet for so many, the popular Jesus is not the Jesus of Christianity. The popular Jesus makes no demands and never challenges people. He accepts everyone and everything under all circumstances. On the Way to Jesus Christ is a series of meditations that Pope Benedict XVI wrote while he was Prefect for the Congregation of the Doctrine of the Faith. The true Jesus he writes, is the Jesus of the Gospels who "is quite different, demanding and bold. The Jesus who makes everything okay for everyone is a phantom, a dream, not a real figure. The Jesus of the Gospels is certainly not convenient for us. But it is precisely in this way that he answers the deepest question of our existence, which--whether we want to or not--keeps us on the lookout for God, for a gratification that is limitless, for the infinite. We must again set out on the way to this real Jesus." This book also examines whether Jesus Christ is the only savior, and the Church's responsibility to evangelize. It concludes with reflections on Jesus' Presence in the Holy Eucharist, and the Catechism of the Catholic Church's presentation of the Christian mystery as seen through the Catechism's dynamic view of Sacred Scripture. On the Way to Jesus Christ is for anyone--believer or nonbeliever-who wants better to understand the true Jesus, the Jesus of the Gospels, the Christ of Christianity.

Letters to a Theological Student Ignatius Press

Everyday life in early thirteenth-century England is revealed in vivid detail in this riveting collection of correspondence of people from all classes, from peasants and shopkeepers to bishops and earls. The documents presented here include letters between masters and servants, husbands and wives, neighbors and enemies, and cover a wide range of topics: politics and war, going to fairs and going to law, attending tournaments and stocking a game park, borrowing cash and doing favors for friends, investigating adultery and building a windmill. While letters by celebrated people have long been known, the correspondence of ordinary people has not survived and has generally been assumed never to have existed in the first place. Martha Carlin and David Crouch, however, have discovered numerous examples of such correspondence hiding in plain sight. The letters can be found in manuscripts called formularies--the collections of form letters and other model

documents that for centuries were used to teach the arts of letter-writing and keeping accounts. The writing-masters and their students who produced these books compiled examples of all the kinds of correspondence that people of means, members of the clergy, and those who handled their affairs might expect to encounter in their business and personal lives. Tucked among the sample letters from popes to bishops and from kings to sheriffs are examples of a much more casual, ephemeral kind of correspondence. These are the low-level letters that evidently were widely exchanged, but were often discarded because they were not considered to be of lasting importance. Two manuscripts, one in the British Library and the other in the Bodleian Library, are especially rich in such documents, and it is from these collections that Carlin and Crouch have drawn the documents in this volume. They are presented here in their first printed edition, both in the original Latin and in English translation, each document splendidly contextualized in an accompanying essay.

Letter from Birmingham Jail HarperOne

A sequel to *Witness to Hope* assesses the final years of Pope John Paul II, offering insight into his deteriorating health and devastating scandals within the Church while revealing a secret war between the Vatican and the Soviet Union.

Priestdaddy Univ of South Carolina Press

Sending a personal note, email, or letter means that you took time to care. It can be a grace-filled symbol of your ministry outreach and an effective way to offer pastoral concern. The book offers more than 90 carefully written, thoughtful sample letters and emails that can be easily adapted for any particular situation. Contents include letters relating to church leadership; preaching and worship; pastoral care; stewardship and finance; administration; community outreach; membership and visitors. There is also helpful information and etiquette regarding email, Facebook, and Twitter. *Letter-writing Manuals and Instruction from Antiquity to the Present* Christian Faith Publishing, Inc.

Learn to initiate the integration of your clients' spirituality as an effective practical intervention. A client's spiritual and religious beliefs can be an effective springboard for productive therapy. How can a therapist sensitively prepare for the task? *The Therapist's Notebook for Integrating Spirituality in Counseling* is the first volume of a comprehensive two-volume resource that provides practical interventions from a wide range of backgrounds and theoretical perspectives.

This volume helps prepare clinicians to undertake and initiate the integration of spirituality in therapy with clients and provides easy-to-follow examples. The book provides a helpful starting point to address a broad range of topics and problems. The chapters of *The Therapist's Notebook for Integrating Spirituality in Counseling* are grouped into five sections: Therapist Preparation and Professional Development; Assessment of Spirituality; Integrating Spirituality in Couples Therapy; Specific Techniques and/or Topics Used in Integrating Spirituality; and Use of Scripture, Prayer, and Other Spiritual Practices. Designed to be clinician-friendly, each chapter also includes sections on resources where counselors can learn more about the topic or technique used in the chapter—as well as suggested books, articles, chapters, videos, and Web sites to recommend to clients. Each chapter utilizes similar formatting to remain clear and easy-to-follow that includes objectives, rationale for use, instructions, brief vignette, suggestions for follow-up, contraindications, references, professional readings and resources, and bibliotherapy sources for the client. The first volume of *The Therapist's Notebook for Integrating Spirituality in Counseling* helps set a solid foundation and provides comprehensive instruction on: ethically incorporating spirituality into the therapeutic setting professional disclosure building a spiritual

referral source through local clergy assessment of spirituality the spirituality-focused genogram using spirituality in couples therapy helping couples face career transitions dealing with shame addiction recovery the use of scripture and prayer overcoming trauma in Christian clients and much more! *The Therapist's Notebook for Integrating Spirituality in Counseling* is a stimulating, creative resource appropriate for any clinician or counselor, from novices to experienced mental health professionals. This first volume is perfect for pastoral counselors, clergy, social workers, marriage and family therapists, counselors, psychologists, Christian counselors, educators who teach professional issues, ethics, counseling, and multicultural issues, and students. [The Letters of John Hus](#) Fortress Press
"I can't imagine a college student—skeptical, doubter, Christian, struggler—who wouldn't benefit from this book." —Kevin DeYoung For many young adults, the college years are an exciting period of selfdiscovery full of new relationships, new independence, and new experiences. Yet college can also be a time of personal testing and intense questioning— especially for Christian students confronted with various challenges to Christianity and the Bible for the first time. Drawing on years of experience as a biblical scholar, Michael

Kruger addresses common objections to the Christian faith—the exclusivity of Christianity, Christian intolerance, homosexuality, hell, the problem of evil, science, miracles, and the reliability of the Bible. If you're a student dealing with doubt or wrestling with objections to Christianity from fellow students and professors alike, this book will equip you to engage secular challenges with intellectual honesty, compassion, and confidence—and ultimately graduate college with your faith intact.

Lost Letters of Medieval Life

Psychology Press

As the number of available priests has declined, the Sunday Mass is becoming less and less available in some parishes and dioceses. *Sunday Celebrations in the Absence of a Priest* addresses this growing reality by providing the appropriate ritual to be used in the celebrating community. This revised ritual edition of *Sunday Celebrations in the Absence of a Priest* is fully bilingual, with Spanish and English printed side by side. It includes Morning Prayer, Evening Prayer, and two appendices, Directory for Sunday Celebrations in the Absence of a Priest and *Gathered in Steadfast Faith*. This beautifully bound ritual book includes three ribbons and is printed in two colors. It will be a welcome addition to the sacristy or library of every parish, school, convent, and religious house.
