Serving Well Piatkus Books

"This dark, pitch-perfect novel about our dependence on technology for validation and human connection is as addictive as social media itself." —People Magazine Orla Cadden is stuck in a dead-end job, writing clickbait about movie-star hookups and influencer yoga moves. Then Orla meets Floss, who has a plan for launching them both into the high-profile lives they dream about. So what if Orla and Floss's methods are shady—and sometimes people get hurt? Their legions of followers can't be wrong. Thirty-five years later, in a closed California village where government-appointed celebrities live every moment of the day on camera, a woman named Marlow dreams of fleeing the corporate sponsors who would do anything to keep her on-screen. Despite her massive popularity—twelve million loyal followers—when Marlow discovers that her whole family history is based on a lie, she summons the courage to run in search of the truth. Followers traces the paths of Orla, Floss and Marlow as they wind through time toward a cataclysmic event that sends America into upheaval. This darkly funny story reminds us that even if we obsess over famous people we'll never meet, what we really crave is genuine human connection. "Terrific writing about terrifying ideas." —Washington Post "An engaging confection wrapped around a thoughtful critique." —USA Today "Dazzling." —Time "Razor-sharp." —Entertainment Weekly "Big Brother meets Ingrid Goes West." —theSkimm "[An] intelligent page-turner." —Wall Street Journal "Dark, witty, astute." —Slate "Black Mirror fans are going to love Megan Angelo's Followers." —PopSugar "Engrossing." —NPR "Fascinating." —Publishers Weekly (starred review) "Intricate and brave." —Booklist (starred review) "Addictive." —KirkusReviews (starred review)

Until It Hurts to Stop Comma Press

A wild ride inside the glowing head of Dennis Rodman—the NBA's greatest rebounder and America's most outspoken and outrageous athlete. When Sports Illustrated put the man they call

"America's most provocative athlete" on their cover, they sold more copies than any other issue they had sold in a decade (except the swimsuit issue). Why? Because Dennis Rodman has more in common with Mick Jagger than with his teammate Michael Jordan. With his body-covering tattoos and ever-changing fluorescent hair, Rodman's sideline antics and celebrated benchings captivated sports fans as much as his record-breaking on-court performances and earned him a reputation as a rebel with the same penchant for shocking behavior as his on-again off-again squeeze, Madonna. In *Bad as I Wanna Be* he shares his surprising and candid opinions on: • Mortality: "If I die young, everybody's going to say they saw it coming." • His game: "I never want to score. Never. I want to rebound." • Having it all: "From the outside I had everything I could want. From the inside I had nothing but an empty soul and a gun in my lap." . . . And so much more, including his life, from going to prison for stealing watches to his daughter, the light of his life. At a time when most celebrities and professional athletes try to control their public personas like politicians and refrain from expressing their true beliefs, Dennis Rodman is a refreshingly unique, uncompromising individual who both transcends his world and refuses to conform to it. *Bad as I Wanna Be* is as candid, intriguing, and unforgettable as he is.

Wannabe a Writer? Springer Science & Business

Written in a down-to-earth style and packed with examples and tips, this is a guide to the secret world of girls' cliques and the roles they play. It analyzes their teasing and gossip and provides advice to enable parents to empower both their daughters and themselves.

Ramblings of a Wannabe Painter Dell

Here are Michael Tougias's adventures at a tiny A-frame cabin on six acres of land overlooking a pond in Northern Vermont. There he meets porcupines that have taken up residence directly underneath his outhouse, encounters the colorful locals, and learns that nature has a way of becoming our instructor. This funny, honest, and personal account is the perfect book for anyone who loves the outdoors and loves to laugh. Book jacket.

Adventures of a Wannabe Hippie Headline Accent

Based on years of observation at a large state university, *Wannabe U* tracks the dispiriting consequences of trading in traditional educational values for loyalty to the market. Aping their boardroom idols, the new corporate administrators at such universities wander from job to job and reductively view the students there as future workers in need...

The Life of a Wannabe Mogul Xlibris Corporation

I wanted to be a distance god. There. I said it. I would've broken out of the lead pack and surged away, thrown down some impossible splits, devastated the elites as I stretched my lead, merciless, alone...almost floating. The field would've strung out and withered behind me as I burned and buried the best runners on the face of the planet. I would've become immortal. Was that too much to ask? See, running consumed me—sometimes like love, sometimes like cancer.

Another Life Penguin

"We promise you're going to love it." —Teen Vogue on *Autumn Falls* *Autumn's Wish*—book three in the *AUTUMN FALLS* series by Bella Thorne—is perfect for fans of *Descendants* and Lisa Greenwald and Jessica Brody's books—and anyone looking for a sweet, silly, and fun read with just a touch of magic! Senior year is here, and everyone has a plan—except *Autumn Falls*. So many crazy-important decisions lie ahead, and she's scared to make the wrong one. So when she receives a magical locket that enables her to travel through time (!!!), Autumn hopes she can correct all her past mistakes—with her friends, with boys—and maybe even prevent her dad from dying. But the locket doesn't work that way. Instead, Autumn discovers that she's only able to visit the future—and she doesn't like what she sees. Autumn can change her destiny . . . but what does she really want? Praise for book 1 in the *AUTUMN FALLS* series: "Sweetly adorkable Autumn is the best friend we've all been looking for . . . a fun, escapist read." —Justine "A brilliant debut from Bella Thorne!" —Girls' Life "You'll be obsessed with *Autumn Falls*. It has basically everything you could ever want: a lovable klutz for a main character, a total heartthrob, and just a touch of magic." —Seventeen.com "We personally loved the book. . . . The main character is a fiery, redheaded girl who captures your heart." —Latina.com

Travels of a Wannabe Cowboy Penguin

Everett Weinberger has an Ivy League education and an MBA, but what he really wants to do is produce. He's willing to start at the bottom—even if it means being Alec Baldwin's personal assistant—but after tapping all his L.A. connections, he still can't land a job. He even blows one interview by forgetting to compliment a studio exec on his car. When Everett gets work as a "power temp," life gets even weirder. He becomes second assistant to everyone from Frank Wells to Leonard Nimoy, trying to cope with the incessant phone calls and invisible protocols that keep getting him fired. *Wannabe* is a scathing and laugh-out-loud funny portrait of a world where even the assistants are political barracudas, by a guy with no bridges left to burn. A real-life *Swimming With Sharks*, it should be required reading on the Hollywood syllabus.

The Life of a Wannabe Mogul: Mental Disarray Macmillan

"Gaynor's story of courage and strength will make you believe in the heroic spirit in each of us." —Lisa Wingate, #1 New York Times bestselling author of *Before We Were Yours* The New York Times bestselling author of *The Girl Who Came Home* sets her unforgettable new novel in China during WWII, inspired by true events surrounding the Japanese Army's internment of teachers and children from a British-run missionary school. Their motto was to be prepared, but nothing could prepare them for war. China, December 1941. Having left an unhappy life in England for a teaching post at a missionary school in northern China, Elspeth Kent is now anxious to return home to help the war effort. But as she prepares to leave China, a terrible twist of fate determines a different path for Elspeth, and those in her charge. Ten-year-old Nancy Plummer has always felt safe at Chefoo School, protected by her British status. But when Japan declares war on Britain and America, Japanese forces take control of the school and the security and comforts Nancy and her friends are used to are replaced by privation, uncertainty and fear. Now the enemy, and separated from their parents, the children look to their teachers – to Miss Kent and her new Girl Guide patrol especially – to provide a sense of unity and safety. Faced with the relentless challenges of oppression, the school community must rely on their courage, faith and friendships as they pray for liberation – but worse is to come when they are sent to a distant internment camp where even greater uncertainty and danger await . . . Inspired by true

events, *When We Were Young and Brave* is an unforgettable novel about impossible choices and unimaginable hardship, and the life-changing bonds formed between a young girl and her teacher in a remote corner of a terrible war.

Wannabe Distance God Penguin

Fern just wants to know what it's like to be a princess—and she wants to find out for herself! With the help of a little fairy dust, Fern gets her wish. Follow Fern as she journeys into her favorite fairy tales to discover what the life of a princess is really like. In this refreshing modern fairy tale, author-illustrator Leslie Lamble breathes new life into familiar classics with appealing watercolors and clever reinventions of characters like the Frog Prince and the Big Bad Wolf. Readers will cheer as strong, independent Fern finds her way through a not-so-traditional story.

Wannabe Hardie Grant Publishing

Sunday, September 5: Afternoon, my crib Spirit Level: Cheered Out OK, so this was supposed to be the first day of my new, totally fantastic life as a Port Angeles School Titan Cheerleader. BUT instead, it's the day that I, Madison Jane Hays, got rejected

from the Titans and forced to join the dreaded, B-Squad Grizzly Bears. That's right. My name was sandwiched in between Jared "Jazzhands" Handler and "Toxic" Tabitha Sue Stevens. Oh, and the girl who can't even speak English, Katarina Tarasov. Yup, we're one big hairy family. I went from being a god-like Titan to a lowly Grizzly in like, five seconds. My life. Is Seriously. O-V-E-R. I mean, who cheers at chess matches??!! I'm never going to make it to Nationals with a team like this. All I've ever wanted to do in life is cheer for the Titans. My mom (the most gorgeous, youngest ex-Titan cheerleader of ALL TIME, BTW) must be so disappointed! How she ended up with such a spastic daughter, I'll never know. What I DO know? If I don't whip this team into shape fast, I'll literally DIE from embarrassment. Thank goodness I have my BFFs Lanie and Evan to keep me sane—otherwise, I might SERIOUSLY lose it. When Maddy's triple flip becomes a major FLOP during tryouts, the whole gym echoes with the snickers from the Titan cheerleading triumvirate: Katie Parker, Clementine Prescott, and Hilary Cho. Forced to join the challenged B-Squad Grizzlies instead, Maddy realizes that to become a Titan she'll need to whip the Grizzlies into shape first. Will Maddy ever land on top of the pyramid with a squad like this? Maybe not, but when her awesome designs for new Grizzly uniforms get revealed at a big game, even the Titans are overheard whispering her name. Does this mean what she thinks it means?

Wannabe Simon and Schuster

What does it feel like to try and create something new? How is it possible to find a space for the demands of writing a novel in a world of instant communication? *Working on My Novel* is about the act of creation and the gap between the different ways we express ourselves today. Exploring the extremes of making art, from satisfaction and even euphoria to those days or nights when nothing will come, it's the story of what it means to be a creative person, and why we keep on trying.

The Lemoncholy Life of Annie Aster Penguin UK

Apparently I'm boring. A nobody. But that's all about to change. Because I am starting a project. Here. Now. For myself. And if you want to come along for the ride then you're very welcome. Bree is by no means popular. Most of the time, she hates her life, her school, her never-there parents. So she writes. But when Bree is told she needs to stop shutting the world out and start living a life worth writing about, *The Manifesto on How to Be Interesting* is

born. A manifesto that will change everything... ..but the question is, at what cost?

The Rural Life Hachette+ORM

From the New York Times bestselling author and former beauty editor Cat Marnell, a “vivid, maddening, heartbreaking, very funny, chaotic” (The New York Times) memoir of prescription drug addiction and self-sabotage, set in the glamorous world of fashion magazines and downtown nightclubs. At twenty-six, Cat Marnell was an associate beauty editor at Lucky, one of the top fashion magazines in America—and that’s all most people knew about her. But she hid a secret life. She was a prescription drug addict. She was also a “doctor shopper” who manipulated Upper East Side psychiatrists for pills, pills, and more pills; a lonely bulimic who spent hundreds of dollars a week on binge foods; a promiscuous party girl who danced barefoot on banquets; a weepy and hallucination-prone insomniac who would take anything—anything—to sleep. This is a tale of self-loathing, self-sabotage, and yes, self-tanner. It begins at a posh New England prep school—and with a prescription for the Attention Deficit Disorder medication Ritalin. It continues to New York, where we follow Marnell’s amphetamine-fueled rise from intern to editor through the beauty departments of NYLON, Teen Vogue, Glamour, and Lucky. We see her fight between ambition and addiction and how, inevitably, her disease threatens everything she worked so hard to achieve. From the Condé Nast building to seedy nightclubs, from doctors’ offices and mental hospitals, Marnell “treads a knife edge between glamorizing her own despair and rendering it with savage honesty....with the skill of a pulp novelist” (The New York Times Book Review) what it is like to live in the wild, chaotic, often sinister world of a young female addict

who can’t say no. Combining “all the intoxicating intrigue of a thriller and yet all the sobering pathos of a gifted writer’s true-life journey to recover her former health, happiness, ambitions, and identity” (Harper’s Bazaar), *How to Murder Your Life* is mesmerizing, revelatory, and necessary.

Wannabe Marvel Comics Group

Maybe you miss the sixties or maybe you missed them. This lively story follows a somewhat clueless college grad who left the straight and narrow in 1970, looking for what she missed while she was sitting classrooms and her peers were . . . otherwise engaged. As she explores the new world of a commune in rural Iowa, she encounters people and ideas she never dreamed existed. Moving through and beyond the drugs and politics of hippie culture, she finds, eventually, what she didn’t know she was looking for. Whether this story mirrors your own experience or recounts facets of the sixties you never encountered, you’ll enjoy this colorful and inspiring tale. It’s a quick read full of rich descriptions, engaging characters, and unexpected turns.

When We Were Young & Brave HarperCollins

The charming story of a small-town girl who dreams of finding love with a real-life English prince?and who’s willing to go to hilarious lengths to make her fairy tale come true Most young girls dream of becoming a princess. But unlike most girls, Jerramy Fine never grew out of it. Strangely drawn to the English royal family since she was a child, Jerramy spends her childhood writing love letters to Buckingham Palace and absorbing any information she can find on modern-day princesses throughout the world. Years later, when her sense of destiny finally brings her to London, Jerramy navigates the murky waters of English social circles, etiquette, and dating with hilarious results.

There’s a Porcupine in My Outhouse Delacorte Press

Are you dreaming of working abroad? Imagining serving God in another land? Or are you already on the field, unsure about what to do next or how to manage the stresses of cross-cultural life? Or perhaps you’ve been on the field a while now, and you’re weary, maybe so weary that you wonder how much longer you can keep going. If any of these situations describes you, there is hope inside this book. You’ll find steps you can take to prepare for the field, as well as ways to find strength and renewal if you’re already there. From the beginning to the end of the cross-cultural journey, *Serving Well* has something for you.

Confessions of a Wannabe Cheerleader Usborne Publishing Ltd

The hugely admired author of “The Last Fine Time” preserves and makes new the sights, smells, sounds, and poetry of country living. Klinkenborg reveals the beauty of the American landscape, not from a scenic overlook, but through a screened-in porch or from the window of a pickup driving down an empty highway in the teeth of an approaching storm.

Never Too Late Citadel Press

Annabelle Aster doesn’t bow to convention—not even that of space and time—which makes the 1890s Kansas wheat field that has appeared in her modern-day San Francisco garden easy to accept. Even more peculiar is Elsbeth, the truculent schoolmarm who sends Annie letters through the mysterious brass mailbox perched on the picket fence that now divides their two worlds. Annie and Elsbeth’s search for an explanation to the hiccup in the universe linking their homes leads to an unsettling discovery—and potential disaster for both of them. Together they must solve the mystery of what connects them before one of them is convicted of a murder that has yet to happen...and yet somehow already did.
