talent means almost nothing when it comes to getting better at anything, especially music. Practice is everything. This book covers essential practice strategies and mindsets you won't find in any other book. You'll learn the What,

Why, When, Where, Who, and especially the How of great music practice. You'll learn what research tells us about practice, but more importantly, you'll learn how the best musicians in many genres of music think about practice, and you'll learn the strategies and techniques they use to improve. This book will help you get better faster, whether you play rock, Bach, or any other kind of music.
