*Longman Active Maths 8* John Wiley & Sons

The revised edition of the series Foundation Mathematics for Classes 6, 7 and 8 is based on the latest curriculum prepared and recommended by the Council for the Indian School Certificate Examinations, New Delhi. The present mathematics curriculum aims to develop a number of Mathematical Skills (like Numerical Calculation, Algebraic Manipulation, Spatial Visualisation, Data Analysis, Measurement, Estimation and Approximation) and Mathematical Processes (like Reasoning, Communication and Connections, Problem solving and Heuristics, Estimation, Technology etc.) among students at these levels. This series has been developed and designed keeping in mind the following objectives of the latest curriculum : Students should : • Enjoy learning of mathematics. • Learn important mathematics that is much more than few formulas and mechanical procedures of solving problems. • Pose and solve meaningful problems. • See mathematics as something to talk about, to communicate, to discuss among themselves, to work together on. • Understand the basic structure of mathematics : Arithmetic, algebra, geometry and trigonometry, the basic content areas of school mathematics, all offer a methodology of abstraction, structuration and generalization Goyal Brothers Prakashan

**Connections Maths 10** Pascal Press

MathsWiz, a series of nine textbooks for KG to Class 8, is a course based on the National Curriculum Framework and the guidelines provided therein. The content is student-centred and activity-based, laying the utmost emphasis on developing problem-solving skills and encouraging the child to think creatively and work independently. The ebook version does not contain CD.

**VC\_Mat-Destination Maths-TB-08** Chandresh Agrawal

Mathematics is felt to be a difficult subject by most of the students and more so by the CA Foundation students. This book aims to alleviate this to a greater extent by simplifying the concepts, presentation and enhances the practice. Thus the foundation students would find this greatly useful to succeed in the examination. F.A., the FINANCE ACADEMY from Hosur is into promoting finance literacy since 2015. Founded by a seasoned Chartered Accountant and a Human Resource expert, it has more than 20 professionals and academicians as faculty associates. It has successfully trained nearly half a thousand students from a location that has not heard much of, in this stream of learning. It has produced many 'first attempt successes' and has also produced All India Rank Holder. It has a unique methodology to teach finance at various levels; augments it with a rich library and industrial interactions. It does help the winners get placed as well. This book is an addition to the list of publications of the growing Institution.

*Foundation Mathematics for Class 8* Orient Blackswan

S Chand's Smart Maths is a carefully graded Mathematics series of 9 books for the children of KG to

Class 8. The series adheres to the National Curriculum Framework and the books have been designed in accordance with the latest guidelines laid down by the NCERT.

**Math 30 Days Wonder** Pascal Press
