Unmade (The Lynburn Legacy Book 3) Scholastic Inc.

A modern, magical twist on the Gothic romance and girl detective genres, the Lynburn Legacy books will appeal to fans of both Beautiful Creatures and the Mortal Instruments series. Reviewers have praised the take-charge heroine and the spellbinding romance. It's time to choose sides. . . . On the surface,

Sorry-in-the-Vale is a sleepy little town. But Kami Glass knows the truth. Sorry-in-the-Vale is full of magic. In the old days, the Lynburn family ruled with fear, terrifying the people into submission by killing human sacrifices for blood and power. Now the Lynburns are back, and Rob Lynburn is gathering sorcerers so the town can return to the old ways. But Rob and his followers aren't the only sorcerers around. The town must make a decision: pay the blood sacrifice, or fight. For Kami, this means more than just choosing between good and evil. With

her link to Jared Lynburn severed, she's now free to love whomever she chooses. But who should that be? As coauthor with Cassandra Clare of the bestselling Bane Chronicles, Sarah Rees Brennan has mastered the art of the page-turner.  "[The] weird, beautiful, unapologetically apocalyptic Last Policeman trilogy is one of my favorite mystery series."—John Green, author of *The Fault in Our Stars* and *Paper Towns* Winner of the 2013 Edgar® Award Winner for Best Paperback Original! What's the point in solving murders if we're all going to die soon, anyway? Detective Hank Palace has faced this question ever since asteroid 2011GV1 hovered into view. There's no chance left. No hope. Just six precious months until impact. The Last Policeman presents a fascinating portrait of a pre-apocalyptic United States. The economy spirals downward while crops rot in the fields. Churches and

synagogues are packed. People all over the world are walking off the job—but not Hank Palace. He’s investigating a death by hanging in a city that sees a dozen suicides every week—except this one feels suspicious, and Palace is the only cop who cares. The first in a trilogy, *The Last Policeman* offers a mystery set on the brink of an apocalypse. As Palace’s investigation plays out under the shadow of 2011GV1, we’re confronted by hard questions way beyond “whodunit.” What basis does civilization rest upon? What is life worth? What would any of us do, what would we really do, if our days were numbered? Ebook contains an excerpt from the anticipated second book in the trilogy, *Countdown City*.
