Computer Science and Software Techniques in 2011 EuroComics

Collects two of Manara's major works: the historical saga El Gaucho, the second of Manara's epic collaborations with his mentor Hugo Pratt, and Trial by Jury, a series of shorts never before published in the U.S., in which nine of history's most notorious figures undergo a mock trial.

Night of the Devil: War Picture Library IDW Publishing

In this final entry of Hugo Pratt's epic series, the master graphic novelist returns to the theme he first explored in the initial episode--the search for the lost continent of Mu, the mythical Atlantis. A premonition hovers over the entire dreamlike story, as if fate had decided in advance that this would be Corto Maltese's last adventure. The feeling is underscored by the return of most of the major characters seen throughout the long-running saga, like actors giving their final curtain call: Gold Mouth, Morgana, Tristan Bantam, Levi Colombia, Professor Steiner, "the Monk," Cain Groovesnore, Soledad, and (of course) Rasputin...each with their own reason to find the mythical realm. Thus, the circle closes. This EuroComics edition features new translations from Pratt's original Italian scripts by Dean Mullaney, the Eisner and Harvey Award-winning editor of the Library of American Comics, and Simone Castaldi, Associate Professor of Romance Languages and Literatures at Hofstra, and the author of Drawn and Dangerous: Italian Comics of the 1970s and 1980s (University Press of Mississippi).

Identity Youth and Crisis Euro Comics

Collects eleven stories originally published in Europe from 1975 through 1982.

Language Top Shelf Productions

In this third volume in the definitive English language edition of Hugo Pratt's masterpiece, the action moves from South America to Europe against the backdrop of the First World War. In these six stories Pratt further explores such complicated themes as patriotism and greed, revolution and opportunism, and betrayal and seduction. Events take Corto from a small island in the Venetian lagoon, where he comes face to face with a beautiful blonde spy, to Stonehenge and an adventure with Merlin, Morgana, and Puck. Along the way he meets Ernest Hemingway and future billionaire Aristotle Onassis, Irish revolutionary Banshee O'Danann, the legendary Red Baron, and an intense cast of characters who weave in and out of a series of labyrinthine plots and counter-plots.

Alack Sinner: the Age of Innocence IDW Publishing

Exploring an overlooked era of Italian history roiled by domestic terrorism, political assassination, and student protests, this book shines a new light on what was a dark decade, but an unexpectedly prolific and innovative period among artists of comics intended for adults. Blurring the lines between high art and popular consumption, artists of the Italian comics scene went beyond passively documenting history and began actively shaping it through the creation of fictional worlds where history, cultural data, and pop-realism interacted freely.

Masters of the Ninth Art Universe Publishing

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Lonely Planet Madagascar Silhavy

"Visiting the writer Hermann Hesse while researching alchemists with his old friend Professor Steiner, Corto drinks from the 'source of the Alchemy Rose' and becomes immersed in a surreal and dreamlike adventure that involves Klingsor, the quest for the Holy Grail, Death, the Devil, and the Sandman, among others"--Provided by publisher.

Winter in Sokcho EuroComics

A region-by-region traveler's guide to Madagascar that provides detailed information on sites to see, lodging, dining, and activities.

The Manara Library National Geographic Books

Night of the Devil by comics legend Hugo Pratt is the fourth in a major series of new collections - joining the War Picture Library's mission to bring all of the long-lost UK of war comics master artists back into print. "A rare chance to see one of the undisputed greats of the comic book medium growing into the full strength of his talents." - Hollywood Reporter In Night of the Devil, take a hallucinatory trip through the oppressive heat of the Burmese jungle along with British soldiers engaged in desperate skirmishes with the enemy. In Bayonet Jungle, Private Jack Green's presence is seen as an omen of bad luck but he struggles to prove himself to the experienced soldiers of Third Platoon as they fight against the Japanese army that surrounds them. Two exciting and explosive war stories lushly illustrated by Hugo Pratt, comics legend and creator of iconic character, Corto Maltese. Praise for previous War Picture Library volumes: "Lives up to expectations - both in story and art." - Downthetubes "There is no doubt that Battle Stations, and the titles following it, are sure to find their home among modern comic fans once again." - The Beat

Battle Stations IDW Publishing

Nominated for both the Eisner and Harvey Awards for Best Foreign Language Publication! With this book Pratt leaves behind the short story form he'd used for twenty-one interrelated tales and presents a truly epic graphic novel. In the aftermath of the Russian Revolution and the First World War, Corto Maltese is engaged by the Red Lanterns—a Chinese secret society made up entirely of women—to find an armored train laden with gold that belonged to the last Russian Tsar, Nicholas II.

They aren't the only ones lusting after the treasure. The adventure, which shifts from the hidden courts of Venice to the mysterious alleys of Hong Kong, from Shanghai to Manchuria and Mongolia to Siberia, also attracts regular and irregular armies, as well as revolutionaries and counter-revolutionaries. The sweeping plot allows Pratt to fully investigate the complicated and competing motivations of his cast that includes the return of Rasputin and the introduction of the cold and dangerous Duchess Marina Seminova, the enigmatic warrior/spy named Shanghai-Lil, and historical figures such as the "Mad Baron" Roman Ungern-Sternberg, a Russian general who sees himself as the modern-day Genghis Khan!

[The Secret Venice of Corto Maltese. Fantastic and Hidden Itineraries](#) BOOM! Studios

One day, gravity on Earth suddenly became a fraction of what it is now. Twenty years later, humanity has adapted to its new low-gravity reality. And to Willa Fowler, a woman born just after G-day, it's ... well, it's pretty awesome, actually. You can fly through the air! I mean, sure, you can also die if you jump too high. So you just don't jump too high. And maybe don't get mixed up in your Dad's secret plan to bring gravity back, which could get you killed ...

Drawn and Dangerous Liverpool University Press

This short adventure tells the backstory of Corto Maltese first meeting Rasputin at the end of the Russo-Japanese War in 1905. The protagonist of this tale, actually, is not the 18-year-old Corto, but Rasputin, a deserter from a Siberian rifle regiment, and the writer Jack London, who was a war correspondent in the region at that time. London is already friends with Corto and introduces the sailor to the unpredictable Russian, who even as a young man kills with disconcerting ease and is ready to lie and betray without hesitation. It is, however, "the beginning of a beautiful friendship" that continues throughout the series. As a bonus, the book includes additional material that sets up the entire series, as well as several never-before published pages that Pratt intended for a continuation of the tale, in which Corto and Rasputin were to embark on a search for King Solomon's mines.

Graphic Storytelling Lonely Planet

"In 1923 Buenos Aires, Corto Maltese investigates the disappearance of his friend Louise Brooksowyc. In his search, Corto must play a dangerous game of cat and mouse with an organized crime syndicate known as the 'Warsovia', crooked police officials, small-time crooks, investigative journalists, a worldwide prostitution ring, and--manipulating the events from above--the far-reaching arm of the Argentine oligarchy. Guiding his way through this labyrinth of deceit and intrigue is an old acquaintance from their escapades in Patagonia years earlier--Butch Cassidy, the legendary outlaw who, with the Sundance Kid, headed the notorious Wild Bunch and had been presumed dead for two decades!"--Provided by publisher

A Spanish Grammar Arms & Armour

What's to Love: No one can deny the cultural impact of Charles M. Schulz's Peanuts, and it has been a singular honor for us to be able to continue his legacy. In 2015, Peanuts celebrates its 65th anniversary, so we thought there was no better way to recognize Snoopy, Charlie Brown, and the rest of the gang than to invite some of the world's best-known names in comics, children's books, comic strips, cartoons, and webcomics to come together and show their love for Schulz. What It Is: Peanuts: A Tribute to Charles M. Schulz is a giant love letter from creators new and old from comic strips to webcomics, children's books to comic books. Unprecedented at this scale, it is very rare for the Schulz estate to allow other cartoonists to illustrate the Peanuts gang in their own signature styles. This collection of original stories, pin-ups, and strips pay tribute to Schulz and the world of Peanuts, and includes contributions from Raina Telgemeier (Smile), Jen Wang (In Real Life), Patrick McDonnell (Mutts), Stan Sakai (Usagi Yojimbo), Terry Moore (Rachel Rising), Mike Allred (Silver Surfer), Paul Pope (Battling Boy), and many more. Features an introduction by Lincoln Peirce (Big Nate).

[Peanuts: A Tribute to Charles M. Schulz](#) Cambridge University Press

The first in a major series of new collections bringing the long lost UK war comics of Italian art maestro Hugo Pratt to the public in stunning new editions. Two brothers of differing rank have to make extraordinary sacrifices in the line of the toughest duty. This is a true story of courage under fire; a high-octane story of a blistering World War II naval battle. All illustrated by Hugo Pratt, one of the world's most renowned comic book artists. This thrilling war picture story marks the beginning of the Treasury of British Comics mission to return all of Pratt's UK work to print. Published in an oversized format befitting the importance of his incredible and highly influential artwork.

Winterworld: Frozen Fleet #1 Rebellion

Follows the adventures of Corto Maltese who is picked up by a Russian pirate after being stranded at sea in the Pacific during World War I.

Harvey Kurtzman's Jungle Book Euro Comics

In English-speaking countries, Francophone comic strips like Hergés's *Les Aventures de Tin Tin* and Goscinny and Uderzo's *Les Aventures d'Asterix* are viewed—and marketed—as children's literature. But in Belgium and France, their respective countries of origin, such strips—known as *bandes dessinées*—are considered a genuine art form, or, more specifically, "the ninth art." But what accounts for the drastic difference in the way such comics are received? In *Masters of the Ninth Art*, Matthew Screech explores that difference in the reception and reputation of *bandes dessinées*. Along with in-depth looks at Tin Tin and Asterix, Screech considers other major comics artists such as Jacque Tardi, Jean Giraud, and Moebius, assessing in the process their role in Francophone literary and artistic culture. Illustrated with images from the artists discussed, *Masters of the Ninth Art* will appeal to students of European popular culture, literature, and graphic art.
