Catching The Eagle Random House
IF YOU DON'T KNOW SIMON SCARROW,
YOU DON'T KNOW ROME! UNDER THE
EAGLE is the gripping first novel in
Simon Scarrow's bestselling EAGLES OF
THE EMPIRE series. A must read for fans
of Bernard Cornwell and Conn Iggulden.

Praise for Simon Scarrow's compelling novels: 'Gripping and moving' The Times
AD 42, Germany. Tough, brutal and unforgiving. That's how new recruit Cato is finding life in the Roman Second Legion. He may have contacts in high places, but he could really use a friend amongst his fellow soldiers right now. Cato has been promoted above his comrades at the order of the Emperor and is deeply resented by the other

men. But he quickly earns the respect of his Centurion, Macro, a battle-hardened veteran as rough and ready as Cato is quick-witted and well-educated. They are poles apart, but soon realise they have a lot to learn from one another. On a campaign to Britannia - a land of utter barbarity - an enduring friendship begins. But as they undertake a special mission to thwart a conspiracy against the Emperor they rapidly find themselves in a desperate fight to survive...

The Life of John Ruskin: Volume 2, 1860-1900 Headline

U.S. citizens fought and died in WW II long before the Japanese attacked Pearl Harbor. Among them were the pilots of the Eagle Squadrons, three fighter squadrons of Britain's Royal Air Force

manned by young U.S. flyers. This book tells how the Eagle squadrons were formed and summarizes the history of the units and evaluates their deeds, motivations, and contributions. Draws on interviews from more than 35 surviving Eagles, their letters and memoirs, and official records. Depicts their daily lives along with special heroes and amazing sacrifices. "An important contribution to the study of American involvement in WWII. Highly recommended."

Monthly Bulletin of the Providence Public Library Forge Books

“The best book by far on the Pacific War” (The New York Times Book Review), this classic one-volume history of World War II in the Pacific draws on declassified intelligence files; British, American, and Japanese archival material; and military

memoirs to provide a stunning and complete history of the conflict. This “superbly readable, insightful, gripping” (Washington Post Book World) contribution to WWII history combines impeccable research with electrifying detail and offers provocative interpretations of this brutal forty-four-month struggle. Author and historian Ronald H. Spector reassesses US and Japanese strategy and shows that the dual advance across the Pacific by MacArthur and Nimitz was more a pragmatic solution to bureaucratic, doctrinal, and public relations problems facing the Army and Navy than a strategic calculation. He also argues that Japan made its fatal error not in the Midway campaign but in abandoning its offensive strategy after that defeat and

allowing itself to be drawn into a war of attrition. Spector skillfully takes us from top-secret strategy meetings in Washington, London, and Tokyo to distant beaches and remote Asian jungles with battle-weary GIs. He reveals that the US had secret plans to wage unrestricted submarine warfare against Japan months before Pearl Harbor and shows that MacArthur and his commanders ignored important intercepts of Japanese messages that would have saved thousands of lives in Papua and Leyte. Throughout, Spector contends that American decisions in the Pacific War were shaped more often by the struggles between the British and the Americans, and between the Army and the Navy, than by strategic considerations. Spector vividly recreates

the major battles, little-known campaigns, and unfamiliar events leading up to the deadliest air raid ever, adding a new dimension to our understanding of the American war in the Pacific and the people and forces that determined its outcome. Eagle Against the Sun Faber & Faber Eagle's Song is the final book in the Savage Destiny series, taking readers into the lives of Zeke and Abbie's children and grandchildren. This very moving story depicts the emotional end of an era for a once wild and free People, America's Native Americans, and the sometimes traumatic changes in the American West as civilization moves in to tame a lawless land. With this progress and the discovery of gold, the Monroe descendants find amazing

success and happiness. But through it all Abigail Monroe lives with precious memories and a deep faith that carry her into old age and eventually back into the arms of her beloved Zeke as they walk into the past and leave the future to their grandchildren and great grandchildren. Their love will live on forever in the hearts of the family members ... and in the hearts of all those who read this series. PRAISE: "Power, passion, tragedy, and triumph are Rosanne Bittner's hallmarks. Again and again, she brings readers to tears." —Romantic Times
 "Extraordinary...Bittner's characters spring to life." —Publishers Weekly
The Eagle Encounter Books
 The second novel in the Forgotten Legion Chronicles takes Romulus,

Brennus, Tarquinius and Fabiola, and places them in ever greater danger. The Forgotten Legion -- ten thousand legionaries made captive by the Parthians -- has marched to Margiana on the edge of the known world. In its midst are Romulus, Brennus and Tarquinius, all men with good reason to hate Rome. Together the trio must face the savage tribes which constantly threaten the area. But other, more treacherous enemies lurk within the ranks of the Forgotten Legion itself. When all hope is lost, the three friends' characters will be tested to the utter limit. Meanwhile in Rome, Fabiola, Romulus's twin sister, also fights to survive. Beset by enemies on all sides, she must travel to Gaul to find her lover, Caesar's right-hand man. There, tribal rebellion under the

charismatic chieftain, Vercingetorix, threatens not just Caesar's route to power, but his life and the lives of all who support him.

Eagle-Sage Cambridge University Press
In this final novel to Whyte's retelling of the Arthurian mythos, readers discover how the most shining court in history was made.

The Eagle Cambridge University Press
This first novel in Jack Whyte's riveting Arthurian series tells how the story of Camelot may have actually come to be. We all know the story—how Arthur pulled the sword from the stone and how Camelot came to be. But how did it

really happen? The Roman citizens of Britain faced a deadly choice: leave to live in a corrupt Roman world, or stay amidst the violence of the warring factions of Picts, Celts, and invading Saxons. For Publius Varrus and Caius Britannicus, there is only one answer. They will stay, try to preserve the best of Roman life, and create a new culture from the wreckage. In doing so, they will plant the seeds of a legend. For these two men are Arthur's great-grandfathers and their actions will shape a nation...and forge the sword known as Excalibur. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. The Lance Thrower Forgotten Books
The winds of war are blowing through the fast-changing land of Tobbyn-Ser. This

peaceful land of verdant forests is being ravaged by those who are destroying its natural beauty in the name of "progress". Jaryd, a young, powerfully gifted mage fulfills an ancient prophesy that heralds war when he binds to an eagle, becoming and Eagle-Sage. But which of the Mage-Craft's many enemies will they fight in the coming conflict? Across the water, unrest is growing in the Nals of Lon-Ser. Melyor, a street-smart woman with her own magic, who rose from nothing to become ruler, struggles to bring peace with Tobbyn-Ser. But her efforts make her a pariah in a land with a long history of deadly coups. It will be up to Jaryd and Melyor to avert war. But can even these two young leaders keep their lands from falling into chaos as they seek to stave off the winds

of war?

Storming the Eagle's Nest

CreateSpace

AD 15. The German chieftain Arminius has been defeated, one of the lost Roman eagles recovered, and thousands of German tribesmen slain. Yet these successes aren't nearly enough for senior centurion Lucius Tullus. Not until Arminius is dead, his old legion's eagle found and the enemy tribes completely vanquished will he rest. But Arminius – devious, fearless – is burning for revenge of his own. Charismatic as ever, he raises another large tribal army, which will harry the Romans the length and breadth of the land. Soon Tullus finds himself in a cauldron of bloodshed, treachery and danger. His mission to retrieve his legion's eagle will be his

most perilous yet...

Famelton Publishing

The award-winning author of Clash of Eagles and Eagle in Exile concludes his masterly alternate-history saga of the Roman invasion of North America in this stunning novel. Roman Praetor Gaius Marcellinus came to North America as a conqueror, but after meeting with defeat at the hands of the city-state of Cahokia, he has had to forge a new destiny in this strange land. In the decade since his arrival, he has managed to broker an unstable peace between the invading Romans and a loose affiliation of Native American tribes known as the League. But invaders from the west will shatter that peace and plunge the continent into war: The Mongol Horde has arrived and

they are taking no prisoners. As the Mongol cavalry advances across the Great Plains leaving destruction in its path, Marcellinus and his Cahokian friends must summon allies both great and small in preparation for a final showdown. Alliances will shift, foes will rise, and friends will fall as Alan Smale brings us ever closer to the dramatic final battle for the future of the North American continent. Praise for *Eagle and Empire* “Smale delivers in spades . . . the best of the trilogy. Highly recommended.”—Historical Novels Review “The pace . . . is breathless and the action relentless. . . . A satisfying culmination to the adventures of a Roman warrior in the New World.”—Kirkus Reviews “The final volume of Smale’s Clash of Eagles trilogy

is relentless, with characters and readers hardly getting a breath before the next threat comes crashing down. . . . Smale’s hard-hitting and satisfying conclusion will be a must for his readers, as the trilogy will be for any fan of alternate history.”—Publishers Weekly (starred review) “[*Eagle and Empire*] had awesome worldbuilding, worthy and interesting characters, and a great plot. . . . Altogether, a very satisfying journey.”—The Nameless Zine *Eagle Rules?* Diversion Books In the first book of the *Eagle and Child* trilogy, Shahla functions as two women: the American who works as a Research Specialist at a Federal prison, and the Israeli asset whose clandestine work is concealed by her American job. She tries to disengage from two governments that

are ripping holes in her soul, but the unfinished business of her hidden life comes between her and the man she'd hoped could heal the wounds of her past. A mixed marriage is only the beginning of their problems as Persian Jewish and American Protestant cultures clash. A Passover celebration turns deadly when three nations' intelligence services and one man's dream of personal revenge draw Shahla into a war begun in a previous generation. Who are the Eagle and the Child?

The Dragon and the Eagle Macmillan
The Eagle is the dramatic conclusion of bestselling author Jack Whyte's four-generation epic of the rise and fall of Arthur Pendragon, High King of All Britain. In this final volume, Whyte takes us into the lives and minds of the three

very human and astonishingly ordinary people whose interrelationships would give rise to the greatest, most enduring love story in the Western world. Clothar, the young Frankish knight known as The Lancer, returns to his homeland in Gaul as Arthur's ambassador. From there, while forging overseas alliances on Arthur's behalf, he watches as Arthur and Merlyn struggle to unify the clans and peoples of Britain and re-establish the rule of law. But Clothar knows Arthur's darkest secret. When his friend needs him most, he steps forward. What happened then has never been explained or resolved—until now
Flight of the Eagle Forge Books
Easter Monday, 1809: Kirkley Hall manor house is mysteriously burgled. When suspicion falls on Jamie Charlton, he and

his family face a desperate battle to save him from the gallows. When £1,157 rent money is stolen from Kirkley Hall, it is the biggest robbery Northumberland has ever known. Suspicion soon falls on impoverished farm labourer, Jamie Charlton, and the unpopular steward, Michael Aynsley. Jamie Charlton is a loving family man but he is hot-tempered and careless. As the case grows against him, it seems that only his brother, William, can save him from an impending miscarriage of justice. But William is struggling with demons of his own. Desperate to break free from the tangled web of family ties which bind him to their small community, he is alarmed to find that he is falling in love with Jamie's wife. Set beneath the impenetrable gaze of a stray golden

eagle whose fate seems to mirror that of Jamie's, 'Catching the Eagle' is a fictionalised account of a real trial that devastated a family and divided a community. A SUSPENSE-FILLED PAGE-TURNER "Told with gritty realism, 'Catching The Eagle' is a suspense-filled page-turner, which spares nothing in its descriptions of the hardships and injustices suffered by the poor at the turn of the 19th century. Its ending leaves the reader poised perfectly for the next volume - for which I can hardly wait." Kathy Stevenson, 'The Daily Mail' AN ENJOYABLE READ "It is a rollicking tale full of adultery, drinking, fighting, gambling. Rich imagery, suspense and some genuinely likeable characters - as well as plenty of murky ones - make this an enjoyable read. Karen is particularly

strong at capturing the Geordie dialect and recreating the rural Northumbrian world of the 1800s, where the wealthy lived in comfort and the poor struggled to make ends meet." Laura Fraine, Culture Magazine, 'The Journal' (Newcastle)

The Eagle Canelo

eBay is a phenomenon - 50 million users worldwide, and growing rapidly in the UK. American site. The author is an experienced UK trader who knows the pitfalls and tricks for profitable buying and selling. The book provides everything that tens of thousands of new eBayers need to get started. discovered the internet. A friend and I discussed ways to make money out of it. We agreed that online auctions were a really promising area. We even spent some

time discussing how you might go about setting them up. It all got a bit complicated and I had books to write, so we never followed through. Pierre Omidyar had the idea and did something about it. eBay, the business he set up in his living room in September 1995, has, at the time of writing, nearly 50 million registered users. You can buy anything from cars to concert tickets, collectable dolls to computers. suddenly. Don's widow asked me to sell his record collection for her. It included a large number of rarities. I quickly found out what these might be worth, but knew I'd never get anything like their true value from a dealer. So I went to eBay. I'd checked out eBay over the previous few months, but had been too timid to buy or sell anything. Now, however, I had a real

reason to begin. To test the water, I auctioned a CD from my own collection: a rare boxed single that the Record Collector price guide said was worth GBP40. I gave it a high starting price of GBP20, the lowest price I would accept. A week later, it sold for GBP30. I posted it to France, throwing in free insurance, just in case anything went wrong. Two days later I received my first feedback: 'Very pleasant seller, beautiful item and carefully packed AA+++'. More than half of Don's records sold, bringing in prices not too far off the guide price. I endlessly browse eBay when I should have been working on my latest novel. I quickly got a green star alongside my eBay ID. This showed I had more than ten positive feedback comments and no negatives. I sold occasionally, often accepting cash

dollars to fund my purchases from the US (this was in the days before Paypal, a money transfer system that's discussed at length in this book). In the last three years I've become a frequent eBay user, buying and selling books, DVDs and comics as well as music items. Last year I got my blue star for 50 plus positive feedback. I've only attended one auction in my life, but I've followed thousands of virtual ones. I've been ripped off, made mistakes and learnt what kinds of auctions to avoid. I still have a 100% feedback record, the strongest test of an eBay user (as serious hobbyists call themselves). I still get a thrill those times at the end of an auction when last minute bidders are suddenly outbid and try to get one more bid in before the curtain falls.'. publishers, an old friend

who is a financial whiz but knew very little about eBay. The idea of this book is to give readers the basics of buying and selling on eBay with plenty of tips, practical information and case histories. Equally importantly, it will tell you what to avoid and how to check out suspected cheats - both sellers and buyers, for the internet has given new life to many of the oldest frauds in the book. because once you start selling stuff on the net, you're in business, even if it's only in a very small way. Who knows, you might find dealing on eBay much more profitable than you expect. Or you could find it's a great way to track down rare items you didn't know anybody else was interested in. Soon you may find yourself selling spare stuff from the attic to grateful collectors who trust the way

you've graded them because they've read your feedback. The possibilities are endless. that the vast majority of eBayers I've 'met' have been great to deal with. I aim to give you the confidence to become one of those eBayers, whatever it is you choose to buy or sell. 'I've only attended one auction in my life, but I've followed thousands of virtual ones.' 'Once you start selling,

The Literary Gazette and Journal of the Belles Lettres, Arts, Sciences, &c Harriman House Limited

After the Romans withdraw from Britain, chaos breaks out. The military commander, Caius Merylin Britannicus of Arthurian legend describes the fighting, as well as the political and religious intrigues.

The Silver Eagle Wentworth Press
Beginning with *The Skystone*, the first in his riveting *Camulod Chronicles*, Jack Whyte has embarked on an ambitious and remarkable re-telling of the Arthurian cycle, giving us a fresh and compelling take on a story that has been beloved for centuries. *The Eagle* brings us at last to the heart of the tale, the creation of fabled Camelot and the love story that enshrined its glory. Whyte takes us into the minds and lives of Arthur, Guinevere, and Lancelot, three astonishing but fallible people who were bound together by honor, loyalty, and love. Three who created the glory that was Britain's shining dream...and, some say, caused its downfall. The Gaulish nobleman Clothar—known in our time as Lancelot—is drawn to the young High

King's court by tales of honor and nobility, where he meets a man whose love of law matches his own. More, he finds in Arthur a life-long friend whose dream of uniting the people of Britain in peace Clothar embraces. And Clothar meets Arthur's queen, a wondrous beauty whose passion and ideals match her husband's. Together they work to bring Arthur's dream to life. But dark forces rise in opposition to Arthur's plans for creating this noble island nation and it is hard to tell friend from foe in the swirling chaos that ensues. Many tales have been told of the dream that shined and died. This one will astonish even the most jaded. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
