peers to examine argument models, plan for their writing, and gather evidence. Students will practice writing independently and engage in peer review to revise their work. By the end of the unit, each student will have written a fully developed argument. **The Literacy Cookbook** Bloomsbury Publishing USA In order for students to write effective arguments,

they need to read good arguments. In this practical book, you'll find out how to use mentor texts to make writing instruction more meaningful, authentic, and successful. Author Sean Ruday demonstrates how you can teach middle school students to analyze the qualities of effective arguments and then help them think of those qualities as tools to improve their own writing. You'll learn

how to: Introduce high-interest topics to students to get them interested and engaged in argument writing. Teach students to look at multiple sides of an issue and critically evaluate evidence to construct informed, defensible arguments. Make argument writing an interactive, student-driven exercise in which students pursue their own writing projects. Use

mentor texts to help students learn the core concepts of argument writing and apply those skills across the curriculum. The book is filled with examples and templates you can bring back to the classroom immediately, as well as an annotated bibliography which links the concepts in this book to the corresponding Common Core State Standards. Blank templates are

Classroom Complete Press From the bestselling author of *The Bomber Mafia*: discover Malcolm Gladwell's breakthrough debut and explore the science behind viral trends in business, marketing, and human behavior. The tipping point is that magic

moment when an idea, trend, or social behavior crosses a threshold, tips, and spreads like wildfire. Just as a single sick person can start an epidemic of the flu, so too can a small but precisely targeted push cause a fashion trend, the popularity of a new product, or a drop in the crime rate. This widely acclaimed bestseller, in which Malcolm Gladwell explores and brilliantly illuminates

the tipping point phenomenon, is already changing the way people throughout the world think about selling products and disseminating ideas. "A wonderful page-turner about a fascinating idea that should affect the way every thinking person looks at the world." —Michael Lewis
