"... a significant contribution to the field... great insight, learning, and clarity." -- George Hart III, University of California, Berkeley "A master's hand is behind this volume." -- Religious Studies Review "... eminently readable... artfully explains the initial spirit and modern understanding of Tamil bhakti poetry..." -- Pacific Affairs "Norman Cutler's major achievement in Songs of Experience is the new critical perspective he provides on bhakti poetry." -- The Journal of Religion Cutler reveals the link between Tamil poetry and religion. His fluent translations make the poems -- songs of the experience of God -- live for us as they did for their first audience nearly fifteen centuries ago.

Open Boundaries provides a new perspective on Jainism, one of the oldest yet least-studied of the world's living religions. Ten closely-focused studies investigate the interactions between Jains and non-Jains in South Asian society, with detailed studies of yoga, tantra, aesthetic theory, erotic poetry, theories of kingship, goddess worship, temple ritual, polemical poetry, religious women, and historiography. Viewing the Jains within a South Asian context results in a strikingly different portrait from the standard models represented in both traditional Western and Indian scholarship.

Thiruvācakam, Tiruvācakam (Tamil: திருவாக்கம் lit. "sacred utterance") is a volume of Tamil hymns composed by the ninth century Shaivite bhakti poet Manikkavācakar. It contains 51 compositions and constitutes the eighth volume of the Tirumurai, the sacred anthology of Tamil Shaiva Siddhanta. Manikkavasagar, though he is not counted as one of the 63 Saiva nayanars, he is counted as Nalvars consisting of the first three nayanars namely Appar, Sambandar and Sundarar. We have included English Version of Tiruvācakam done by G.U. Pope, he was a Christian missionary who spent many years in Tamil Nadu and translated many Tamil texts into English. His other popular translations includes Tirukkural. There is a famous saying " [திருவாக்கம் திருவாக்கம் திருவாக்கம் திருவாக்கம் திருவாக்கம்](#) "

Beginning with Timur, Sultan Ghazni who invaded India seventeen times at the head of a large army, plundering the country of its great wealth, to the last Mughal Emperor Bahadur Shah, banished from the country by the British - details and descriptions of every incident and each king astonish and exhilarate us. The approach is direct, simple and unambiguous. From Timur to Bahadur Shah it is one engaging account. The book should find a place in every household, as an authentic account of ourselves. A flawless portrait. -THE HINDU Madhan while explaining historical events uses modern similes... In spite of being a cartoonist in his previous avatar Madhan did not caricature the Moghul Emperors and their subjects. I am so pleased he did not sit on judgement as a south Indian non-Muslim writer. -KAMAL HAASAN

How does a 40+ young man bring up his dad? What happens when a strictly vegetarian Tam-Brahm marries a strictly non-vegetarian Bengali? Can the years vanish when Ruhani returns to the same place to relive a moment frozen decades ago? The short stories here are not about some other world and other people. It is about you and me. Who knows, you may find yourself in the book!

Myths and legends jostle with the contemporary in these stories where social issues of our times resonate with the inevitability of the past. The lyricism of Carnatic ragas permeate the pages of this quiet and powerful book in which love is rendered in all its immeasurable avatars—parental, carnal, platonic, romantic, divine. There is the woman who reinvents the notion of love in a unique way that amalgamates technology and spirituality through the internet; a man full of love who can sing Bulleh Shah and the woman who has lost her all in the 1984 anti-Sikh riots; the woman in the title story who stands by her deaf daughter but understands why her husband must leave the home they have built with love all these years; the man who finds out what it is to be a woman after a dip in the pond... These short stories are shorn of sentimentality but have a deep understanding of what it means to live, to love and to die. CS Lakshmi, writing under the pseudonym Ambai, has been a significant voice in Indian literature for the past four decades. A Red-necked Green Bird is the writer's seventh collection of short stories.

This book, elucidates the basic steps called Adavus of Bharata Natyam in the traditional Pandanallur style, as taught by the revered Gurus Sri Meenakshi Sundaram Pillai and Sri Muthukumara Pillai, to Sri T.K Narayan and Smt. Jayalakshmi Narayan, parents of the author. It is an honest attempt to explain the various steps with unerring and accurate execution technique. The book offers a visual
