Jane... One look, one
taste, and Aidan knows
that Jane is far more than
she seems. Far more than
she even knows herself to
be. She's important in the
paranormal war, not a
pawn to be used, but a
queen to be won. And if
he can't keep her at his
side, if he can't stop the
darkness from descending
on the town...then Jane
Hart will become not just
a fierce cop, not some
guardian, but something
deadlier. Darker. Aidan

predator. And Jane is
more than prey. Far more.

targets human men—and
leaves their bodies
scattered in local
cemeteries—Jane suspects
she may be looking at the
crimes of a werewolf gone
rogue. In order to hunt
down the beast, Jane once
again teams up with her

werewolf lover, alpha
Aidan Locke. But Aidan
has been keeping secrets
from Jane, dark secrets
that will destroy her
world. Because Jane isn't
the hunter on her latest
investigation. She's the
prey. And when a vampire
attack leaves her
helpless, the woman that
Jane was before will
vanish. She'll become the
one thing she fears most
and Aidan... Her fierce
lover may have to
become her executioner.
BITTER BLOOD – Book 3
New Orleans detective
Jane Hart is a vampire.
She craves blood, has
supernatural strength,
and when the mood hits
her just right, she can
grow one killer pair of
fangs. She never counted
on being a vamp, but she
also never counted on
falling hard for werewolf
alpha Aidan Locke. Now
she's mated to the wolf,
and even though she's
living the undead life,
Aidan refuses to leave her
side. But Jane is being
watched, hunted...tested.
And each deadly test that
she faces puts Jane—and
the people she loves—in
the path of a determined
killer. She has to find out
who is setting her up,
before it's too late. Too
late for Jane. Too late for
Aidan. Jane's blood has
infected Aidan and the

wolf that lives within him is fighting for survival. Each battle...each dark test that their enemy puts in their path...each move slides Aidan closer to the edge. A darkness is growing inside of him. A darkness that is slowly consuming the man he's been... And leaving only the monster behind.

Hocus Pocus Publishing, Inc.

To get her help...he'll have to bleed for her. Adam Brody is desperate—he'll do anything to get Maya Black to help him. And, unfortunately for him, the price of Maya's services...is blood. A former cop turned vamp, Maya's reputation definitely precedes her. Once upon a time, she helped the weak and innocent. Now, she spends her nights terrifying demons and all manner of paranormal beasts. According to the stories, she is the baddest of the bad...and she's exactly the vamp that Adam needs. The only one who can help him. Maya's days (and nights) of helping are long gone—she stopped that routine when she bled out in a dirty alley and woke with bloodlust and fangs. But now she's got a sexy stranger standing in front of her, offering her

anything she wants, as long as she helps him find his missing niece. Okay. Fine. Maybe somewhere deep in her cold, cold heart, she has a vague soft spot for kids...and for gorgeous, muscled, hot guys. So she'll help him. This once. She'll take the blood payment he offers, and she'll find the kid. Except... Adam has secrets. The kind of secrets that can burn a whole town straight to ash. The longer that he's around Maya, the more uncontrolled he becomes as the beast he keeps locked inside himself fights for freedom. Adam didn't count on falling for the fearless vamp, but now that he's under her spell, Adam isn't sure he can ever imagine a life without her...And when someone like Adam finds a mate, that bonding lasts forever. Author's Note: Strap in...it's going to be one hot ride. Maya and Adam are about to fight the baddest of the supernatural predators out there. They're also about to find out that opposites can attract—and ignite. IMMORTAL DANGER is a full-length, paranormal romance with a guaranteed happy ending. It was originally first released in March of

2009, but it has now been revised and updated.

Some consider me a ticking time bomb, others know I have the time and patience of a sinful saint. I've been around for almost two centuries. Immortality keeps my heart beating and the blood flowing; mostly through my veins and those of my enemies dripping from my hands. No one is stupid enough to challenge me, until a hunter thinks he can bait me by using his daughter. An arranged marriage might have been a trap set by him, but I'll be the one who will see it through. An ancient legacy rips the mafia world apart, creating a hunt for all who think to take what's mine; the woman with the angelic touch. Though, I will cleanse this world of those who seek ultimate power through the hands of my woman. While she has the potential to be my

downfall, I however will be the last one standing. For I am the Eternal Don.

From the novelist the New York Times compares to Paul Bowles, Evelyn Waugh and Ian McEwan, an evocative new work of literary suspense *Adrift* in Cambodia and eager to side-step a life of quiet desperation as a small-town teacher, 28-year-old Englishman Robert Grieve decides to go missing. As he crosses the border from Thailand, he tests the threshold of a new future. And on that first night, a small windfall precipitates a chain of events-- involving a bag of "jinxed" money, a suave

American, a trunk full of heroin, a hustler taxi driver, and a rich doctor's daughter-- that changes Robert's life forever.

Hunters in the Dark is a sophisticated game of cat and mouse redolent of the nightmares of Patricia Highsmith, where identities are blurred, greed trumps kindness, and karma is ruthless. Filled with Hitchcockian twists and turns, suffused with the steamy heat and pervasive superstition of the Cambodian jungle, and unafraid to confront difficult questions about the machinations of fate, this is a masterful novel that confirms Lawrence Osborne's reputation as one of our finest contemporary writers.
