Molly's Pilgrim Sadlier

From discount stores to libraries to roadside assistance clubs, most of us carry membership cards to a number of organizations. Those memberships connect us to a larger community. Likewise, membership in a local church connects you to the larger community of faith. In this study you will be invited to receive the gift of membership in this local church--a Wesleyan congregation. The D-Series provides basic, easy-to-apply small group studies on six essential topics for spiritual growth. Together, these six studies will form a ladder leading the believer from the point of conversion to involvement in ministry. Each four-session study is Bible based and follows the learning pattern of addressing head (mind), heart (emotions or

affective reasoning), hands (action), and habits (spiritual practices).

Sadlier's Excelsior Fifth Reader Tan Books

Introduces young readers to Catholic beliefs as expressed in the Catechism of the Catholic Church.

Refresh Your Faith: The New Directory for Catechesis: Highlights and Summaries for Catechists and Pastoral Leaders Ignatius Press

A modern Thanksgiving classic about an immigrant girl who comes to identify with the story of the Pilgrims, as she seeks religious freedom and a home in a new land. As Molly nears her first Thanksgiving in the New World, she doesn't find much to be thankful for. Her classmates giggle at her Yiddish accent and make fun of her unfamiliarity with American ways. Molly's embarrassed when her mother helps with a class Thanksgiving project by making a little doll that looks more like a Russian refugee than a New England Pilgrim. But the tiny modern-day pilgrim just might help Molly to find a place for herself in America. The touching story tells how recent immigrant Molly leads her third-grade class to discover that it takes all kinds of pilgrims to make a Thanksgiving. Originally published in 1983, Molly's Pilgrim inspired the 1986 Academy Award-winning live-action short film.

Our Catholic Faith Sadlier

(© 2015) The Subcommittee on the Catechism, United States Conference of Catholic Bishops, has found that this catechetical high school text is in conformity with the Catechism of the Catholic Church and fulfills the requirements of Core Course IV of the Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age. Students deepen their understanding of Jesus Christ, the fullness of God's Revelation, as they encounter him in the living Body of Christ, the Catholic Church. *Jesus and the Church: One, Holy, Catholic, Apostolic* supports Course IV of the USCCB curriculum and is the first high school textbook released by Ave Maria Press in its new *Encountering Jesus* series. As they engage with the content of this text, students will recognize Christ present and active in their lives through the visible and vibrant mission of Church, defined by her four characteristics--one, holy, catholic, and apostolic. While *Jesus and the Church* places the foundations of the Church in their historical and scriptural context, the textbook goes further by guiding students to recognize the sacred nature of the Church and

engaging them to more actively participate in the living Body of Christ and serve as witnesses to the sacred Gospel in the world today. Simply put, the goal of the book--as in the *Encountering Jesus* series as a whole--is to change the lives of students by making real-life connections between what they are learning about the Church and how they encounter Jesus in the contemporary world.
